WHAT DOES YOUR  
BUSINESS ENVIRONMENT  
SAY ABOUT YOU?

## BESPOKE RECEPTION COUNTER AND BACKDROP

The purpose of your reception area is to effectively convey your brand, without saying a word! An eye-catching, bespoke designed reception desk and backdrop immediately creates an impression visitors will not forget.

# YOU ONLY GET ONE CHANCE TO MAKE A GREAT FIRST IMPRESSION

**A stylish bespoke interior will speak volumes about your organisation and reflect your high standards.**

With more than 45 years experience in the design and build of award-winning exhibition stands, we're experts in conveying a brand through engaging design, architecture, ergonomics and content.

Over the years customers have often commented how they'd love to bring an element of their impressive exhibition stand to life in their business environment. Having responded and delivered several successful reception and showroom projects, we'd like to extend this offering to all of our valued customers.

**KIOSK  
CONCEPT**

## BRANDED TOTEM AND INTERACTIVE KIOSK

Signpost your reception, whilst providing visitors with educational or entertaining content. Our interactive kiosks improve visitor experience enabling them to browse or interact with your digital content whilst our bespoke totems offer further opportunity for branding and sign-posting within your business environment.

### BESPOKE FEATURE SUGGESTIONS INCLUDE:

- Reception counter and backdrop
- Media wall
- Touch screen kiosk
- Signage, totems and wall canvases
- Digital welcome sign and media system

### OUR OFFERING

- Bespoke design and visualisation
- Technical site survey
- Furniture and decor suggestions
- High quality in house fabrication and printing
- Installation overseen by your dedicated project manager

## MEDIA WALL - INCLUDES INTEGRAL SCREEN, DIGITAL WELCOME SIGN AND MEDIA SYSTEM

Make an architectural statement with an impressive media wall to showcase your brand, awards, pictures or digital content.

Adapt our clever digital welcome sign and media system and personalise with your own visitor welcome message. Set the world clocks to suit relevant time zones and integrate web or news feeds via the tickertape and broadcast panel.

## WHAT OUR CUSTOMERS SAY ABOUT US...

*“AP Racing would like to thank Nimlok for helping us re-design our reception area. They understood our objectives and working with their team gave us peace of mind. The attention to detail and design input impressed us greatly and we look forward to working with them again on other future projects.”*

Joe Bennett, Marketing Engineer
