

Counterfeit Materials Policy Statement

Intelliconnect (Europe) Limited understands there is a worldwide problem concerning counterfeit components entering the supply chain and is committed to sourcing components and materials from companies that share our values.

Intelliconnect (Europe) Limited is committed to provide quality products and will procure its components from the following sources:

- Component OEM Direct
- Component OEM authorized distributor
- Component OEM authorized agent/representative

Where components are obsolete/EOL or allocated/hard to find, Intelliconnect (Europe) Limited will purchase only from known and reputable sources. In an effort to mitigate our exposure to counterfeit components, purchasing directive is to procure product through only franchised distributors. In the event that a situation demands the need to obtain product through alternate sources such as Independent Distributors or the Broker network, we seek to purchase through only those organization that are members of one or more of the following organizations:

SIA: Semiconductor Industries Associates
ECIA: Electronic Components Industry Association
COG: Components Obsolescence Group (UK & Germany)
IDEA: Independent Distributors of Electronics Association
TECS: Chinese Reliability Electronic Components Supplier
ERA: Electronic Resellers Association International
AFDEC: Association of Franchised Distribution of Electronic Components (UK)
CEDA: China Electronics Distributor Alliance
CCAP-101: Counterfeit Component Avoidance Program

These are associations that promote best purchasing practices and disseminate information about combating counterfeiting in the industry.

Our sources are continually monitored for its order history information for quality, performance and service prior to procurement. Intelliconnect (Europe) Limited maintains an approved supplier list in accordance with our ISO9001 certified Quality Management System.
