Celebrating Lancashire

Less than 30 years ago the owners of Garstang Country Hotel were farming the land which is now the Golf Course and Hotel. With the hotel's heritage so deeply rooted in local farming it is no surprise that we strive to source local wherever we can.

Fresh Meat

Supplied by Honeywell's who raise and buy the best to earn their reputation of one of Lancashire's best. They also operate a few farm shops in the area, the nearest to us is at Barton Grange Garden Centre.

Dairy

Delivered by our local milk man who sources his milk and yoghurts from farms and dairies within 15 miles of the hotel.

Fruit and Veg

Thomas Moss from Preston has been supplying wholesale fruit and veg to Lancashire for over 60 years.

Fish

Supplied locally by Neve Fleetwood who share our support of fresh, sustainable produce using fish fresh from Fleetwood docks whenever possible.

Bread

Berry Lane Bakery, only 20 minutes away and delivered fresh each morning.
