

# Fire Safety Audit

FIRE Consultancy Ltd, is Fire Investigation Risk Evaluation Consultancy Ltd. "Its all in the name"

Established 2015 to provide a specific, bespoke and high quality services providing Fire Investigation and Risk Evaluation worldwide by independent highly qualified and experienced technical experts

## What we will do

Undertake a fire safety assessment of your facilities, the process and the risks to facilitate risk reduction and provide best practices ensuring regulatory, statutory and insured compliance.

Different reporting formats offer versatility for your business inline with your reporting tools and systems.

All assessments offer:

**Immediate actions**, these usually require no or little cost to achieve,

**Medium term actions**, usually require some cost or business planning to achieve

**Longer-term actions**, usually consider capital cost and planning

Working with you to make your environment safer!

## Benefits

- Compliance** Such as, in England and Wales The Regulatory Reform (Fire Safety) Order 2005 requiring The Responsible Person to carry out a Fire Risk Assessment.
