

BOLD. BEAUTIFUL. BESPOKE

BOLD. BEAUTIFUL. BESPOKE

CLARITY IN DESIGN

Whether you are embarking on an ambitious renovation project, or simply looking to revitalise your living space, our glazing systems will fill your home with light, air and space.

As ODC is an architectural glazing company who can truly deliver the full service, from manufacture right through to installation, you can be sure that your bespoke glazing solution will be in the safest of hands.

Our designers, engineers and expert installation teams will be with you at every step, ensuring that you are delighted with the end result.

All you need to do is sit back and enjoy...

Your home is your sanctuary. It's where you eat, sleep, relax and entertain. So it's important you choose a design that meets your unique vision.

You may already have an idea in mind, or you may be looking for guidance on what will work best in the space you have. Whatever stage you're at, we offer a complete service from initial concept right through to architectural drawings, supply and installation.

Our highly skilled and experienced craftsmen create bold, beautiful and bespoke designs.

EVERY SPACE, PERFECTLY TAILORED.

FEELING INSPIRED?

A SPACE FOR ALL SEASONS

If you're looking to extend your living area and bring the outside in, our beautiful, practical solutions will open up your home: seamlessly merging house and garden. Giving you comfort, as well as style.

Our state-of-the-art engineering capability brings indoor, outdoor living to life. In all seasons.

MAXIMISE POTENTIAL

Every project is different – but with one shared thread. All our clients love their home and want to make the most of the opportunities it offers.

Opening up rooms. Moving from entertaining to dining to relaxing. Bringing the outside in. They all create a fresh perspective. But turning the dream into reality can seem challenging.

That's why it's so important to work with people who understand how your home works now. And share your vision for how you want it to work in the future.

IT'S YOUR SPACE. REDEFINED.

FROM CONCEPTION TO CREATION

We offer a fully bespoke service. So you can relax knowing every detail is cared for, from specification and design to manufacture and installation. In fact, it's so bespoke, you can also pick and mix the specific services you need.

We work at the forefront of our field with a dedicated team of experts focussed on every stage of your project.

Any questions? Talk directly to us. There are no third parties to deal with. It's all done in house. In short, we take care of everything.

CLEARLY TRANSPARENT

Customer satisfaction is how we gauge our success.

Our promise centres on delivering impeccable quality, expertise and after sales service:

Working in partnership with you.
Advising on the optimum approach.
Creating the perfect environment.

You can take our word for it.
Or, you can take someone else's...

“The great thing about ODC is that with the showroom you are able to actually visit and feel the products. The advice and the attention I was given was very professional. The installation was very quick and the end result was absolutely fantastic.”

Mrs I.K, SW London, ODC customer

LOVE THE SPACE YOU'RE IN

INTRODUCING LIGHT

You may be looking for a design that's detailed and ambitious or simple and modest. Whichever route you take, the latest technology and quality German engineering will give you the finish and feel you want.

CLARITY IN DESIGN

Spread across 3,000 square feet, our two showrooms in West London and Poole showcase our extensive range of glazing systems available to you. Perfect for you to see, touch and experience the quality of our products and the array of options available.

And of course, our experts are always on hand. They'll discuss your plans with you, interpret your vision and guide you to a solution that's the perfect fit.

Just for you.
