Drawing Ref: 03280-A (V2a)

Item	Description
<b>Type</b>	1100L E-Bin manufactured in the UK, compliant with EN840 Parts 2, 5 & 6
<b>Summary</b>	<p>Sellers have recognized that certain customers require is a basic bin, which gets the job done effectively, but at a more cost effective price. As a result, we have introduced the Sellers E-Bin to our product range that meets this specific requirement.</p> <p>At a capacity of 1100 Litres, this fully galvanised and EN840 compliant bin utilises an industry proven Comb Bar and Top Frame to ensure it remains reliable, durable and ideal for general waste collection. With internally welded seams, this prevents water ingress and premature corrosion that other inferior bins suffer from. As a result, with the assurance of quality UK based manufacturing; these bins will keep on working in even the toughest conditions.</p>
