

The Accolade

OPEN PLATFORM LIFT

The Accolade is an Open Platform Lift, also known as Wheelchair Lift, which provides internal or external vertical travel up to 3 meters. Our Open Platform Lift can accommodate changes in level from 600 mm up to 3000 mm in commercial and domestic environments and is an appropriate alternative solution to a fully enclosed platform lift.

The Accolade is specifically designed for applications with little or no alterations to existing buildings. The open type design offers an aesthetically pleasing

solution with brushed stainless steel finish as an option. The lift provides a safe and easy way to gain access to a property where stairs would otherwise prevent wheelchair access.

It is designed to give customers choice and flexibility.

The Accolade Wheelchair Lift is a space saving and cost effective way to provide access for everyone in your home or workplace.

All our lifts are supplied with a **12-month warranty**, as standard, and we offer a range of maintenance and service options.

BENEFITS

- MODERN LIGHTWEIGHT DESIGN
- STAINLESS STEEL CONSTRUCTION AS OPTION
- LOW SPACE REQUIREMENTS
- HIGH LEVEL OF SECURITY
- SIMPLE TO USE
- NO PIT REQUIRED
- SIMPLE TO INSTALL AND EASY TO SERVICE
- OVERALL LOW MAINTENANCE AND RUNNING COSTS
