

# Improve your Profitability with AXIS Group Travel

By increasing visibility across all your departments – from Group to Agency to Accounting – AXIS Group Travel will empower your team to work more efficiently, consistently and collaboratively, ensuring that every dollar you invest in them pays off.

## Unify Your Team

Have your front and back office staff share one system, so that they can collaborate more effectively.

## See the Whole Picture

Keep an eye on each individual department to see how everyone is successfully contributing to your bottom line.

## Grow Profits

Rely on customizable aggregate reports and dashboards to pinpoint opportunities for boosting revenue and cutting costs.

## Stay Connected

Keep details on itineraries, pricing, inventory, customers and sales in one place, so that everyone is aware of the information at hand – in real time.

## Streamline Workflow

Build standardized group templates for all group planners to ensure ease of setup, consistency and efficiency.

## Be in Control

Track and control your pricing, inventory, rules and selling procedures to maintain accuracy and precision on every level.

### Shop & Book with Ease

Easily find available groups by type, date and destination and sell from inventory by specifying quantities and selecting available options.

### Save Time

Setup trips quickly by using pre-built group templates that contain itinerary and pricing details.

### Be Accurate

Ensure accuracy through strong upfront validation when it comes to trip-building and invoicing.

### Reduce Errors

Rely on strong booking validation to minimize accounting follow-up with agents.

### Reduce Training

Set up accounting rules and tables that match your agency's preferences and drive consistency.

### Gain Visibility

Easily audit the flow of transactions among the back office, agents and vendors to ensure everything is on track.

I love the groups program; it has been so nice to work with. The support and confidence that Campana's staff gives me is so helpful. With the tools available I can do anything to make my job easier. Thanks for the help and great instructions.
