Taylor and Oana have recently joined our office. Oana has experience working in a office environment and is looking forward to meeting you all. Taylor is a very enthusiastic young lady that is eager to prove that she will be a good addition to the company. We wish them both the very best.

We would like to congratulate our stars of the month: Ernest, Hamis, Kishore and Alida and thank them for their effort and hard work. To show our appreciation and to celebrate our second year operating as Blissful Healthcare, we would like to take our four stars out for a lovely meal. We are looking forward to getting to know better and enjoy more meals together with all of our hard working care homes staff.

Please ensure that:

- All mandatory training is up to date.
- Send us your availability as soon as you know.
- Should you be late for your shift, please contact the office and call the care home to let them know.
- Although sometimes one can double book a shift by accident, please always make sure to inform the agency if this has occurred as it ensures we continue to have a long and prosperous collaboration moving forward.

Just a gentle reminder that all timesheets have to be in by **Monday 12pm** if you would like to be paid on that Friday. Please be aware that the office operates on a Monday-Friday basis and is closed during weekends. Make sure you post the timesheets under the Fountain House Ground Floor reception door in a envelope marked for the attention of Blissful Healthcare on the front and we will endeavour to collect it on Monday mornings.
