

Hello Parents and Kids!

Everyone at Neurokinex is missing seeing your faces over this period of time, especially at Easter time where our sessions would be full of fun Easter tasks. Neurokinex and Back Up have put together a virtual Easter Egg Hunt for all children to get involved with, whether you attend at Neurokinex or not!

We have uploaded a file onto our website, in the News page, which you can download and print out. The file contains 4 different eggs and the special golden egg, which can be cut out, and colour in by the kids before the egg hunt starts. The file also contains a list of clues which give the parents an idea of where to hide the eggs and what clues to give the kids when going around the house looking for them (make sure the kids aren't watching when you're hiding the eggs, we know what they can be like). The final clue will help the kids find the golden egg.

Once the children have found it and it has been coloured in we would love you to post a photo of them with their golden egg so we can send them a certificate for completing the virtual Easter egg hunt. These can be uploaded onto our Instagram, Facebook or Twitter and don't forget to tag us and use the hashtags #NKKids #NKEasterEggHunt #TogetherInIsolation #NKCommunity #backup

After the Easter weekend when all the photos have been sent in and posted, we will then be choosing a winner for the best coloured Easter egg on Tuesday 14th April. The winner will receive a £25 Amazon gift voucher to be spent on anything you like!

We hope you have lots of fun getting involved in our Easter Egg Hunt and we can't wait to see the photos of all of the kids with their golden Easter eggs!

All the best, Neurokinex and Back Up
