

AFLOAT REPAIRS

CTS OFFSHORE AND MARINE LIMITED | SERVICES

STEEL & PIPE FABRICATION & INSTALLATION

Steel & Pipe Fabrication & Installation Expertise

About us

CTS Offshore and Marine specialist teams are accustomed to working safely in the most challenging environments.

Our project managers work around your vessel's demanding schedule and hazardous cargo to minimize downtime and ensure safe completion of work.

We offer a wide range of services for afloat steel repairs and fabrication. With a large pool of skilled and certified steel welders, we have the capability to carry our extensive steelwork repairs whilst afloat and within a short duration.

Steel & Pipe Fabrication & Installation Benefits
