WHAT IF_
YOU COULD HAVE A SPORTS CAR,
A 4X4, AND A THRILL RIDE
ALL IN ONE?

It's a lot to ask, but JUKE delivers big with a high driving position, quicker response and a distinct ability to turn heads. This unique model gives you great efficiency, and an innovative All-Wheel Drive system that actually turns power into grip. Want style? You can customise just about every detail, inside and out, to make it unique to you. With JUKE, you really can have it all.

NISSAN DESIGN STUDIO DARE TO DIFFER.

Imagine the excitement you'd feel if no one on the road had a ride like yours. Our Nissan Design Studio takes personalisation to rare extremes and allows you to customise JUKE your way with its premium personalisation packs. This includes your choice of colour throughout the interior, contrasting colours for the exterior plus 18" alloy wheels with coloured inserts. It's an intensely unique experience.

Available on selected grades only Nissan Design Studio Creative line colours.
Alternatively, you can choose from one of the 'Exclusive' line colours.
For details refer to the Accessories brochure.

COLOURED STITCHING. Get your look all sewn up with colour-coordinated stitching (please refer to the Technical Specification for full details).

WELCOME TO THE NISSAN DESIGN STUDIO

INTERIOR PACKS

The Nissan Design Studio features a range of 'Creative' and 'Exclusive' colours. Choose a full colour trim with matching details in Detroit Red, London White, San Diego Yellow or Tokyo Black 'Creative' line.

SPORTS SEATS. Energise your ride in premium sports seats with striking Detroit Red, London White, San Diego Yellow, or Tokyo Black trim to match your chosen ambience.

DOOR STRIP FINISHERS. Get to grips with coloured finishers in Detroit Red, London White, San Diego Yellow, or Tokyo Black.

CENTRE CONSOLE. Highlight the centre console in the gloss of your choice and accentuate with matching air vents and door trims.

SPORTS BUMPERS. Create more impact with brightly coloured bumper finishers at the front and rear.

ALLOY WHEELS. Choose 18" alloy wheels and coloured inserts to complete your personalised design and get noticed.

EXTERIOR PACKS

JUKE's impressive new styling cues come alive with Nissan Design Studio's Exterior Pack, featuring colour co-ordinated bumper and headlight finishers, mirror covers and vibrant 18" alloy wheel inserts

CONTRASTING FINISHERS. Opt for headlight and door mirror cap finishers in a contrasting colour to make an alternative statement.

TAKE THE ROAD BY STORM.

REQUEST A TEST DRIVE

Hooded Gauges

The sport bike-inspired circular gauges with hood cover add an extra-sporty look to the instrument panel.

Sport-bolstered Seats

Special seat bolsters help hold you in place during active driving, and add style to the ride.

Open-air Sunroof

Up the thrill with an open-air sunroof that opens up to let the outside in, day and night.

Ready to ride? Inside JUKE, you'll find a pulse-raising centre console inspired by the radical lines of a motor bike. Circular gauges help keep the controls, and your thrills, in check. And unique coloured stitching on the sport seats, steering wheel, meter hood and gear knob (except Xtronic gearbox) keep you gripped in. Now, prepare for the ride of your life.

CHOOSE TO OUTPERFORM.

The perfect balance of power and efficiency are yours with JUKE. Its most powerful offering, the DIG-T 190 engine, provides turbo boost for greater low-end torque, with its compact engine design and advanced direct injection. Choose Xtronic with Sport Mode and you'll feel both a seamless wave of power and the gear-shifting thrill that comes with Sport Mode. Or check out the new DIG-T 115 paired with a 6-speed manual. It delivers a torque-rich kick while cutting back on CO₂ emissions. Of course, peak performance comes standard.

ENGINE / TRANSMISSION	OUTPUT (ps)	TORQUE (nm)	CO ₂ EMISSIONS (g/km)	
			16" & 17"	18"
dCi 110	110	260	104	107
1.6 94 PS M	94	140	138*	N/A
1.6 117 PS Xtronic	117	158	139	142
DIG-T 115 M	115	190	128	130
DIG-T 190 M	190	240	139	139
DIG-T 190 Xtronic	190	240	153	153

*16" only

NISSAN DYNAMIC CONTROL SYSTEM

CHANGE YOUR MOOD ON THE GO.

JUKE's Nissan Dynamic Control System lets you change your ride with the push of a button. Whatever mood you're in, JUKE has a mode for it. You can customise your drive, adjust the climate, and keep stats on your performance, all while you're out and about.

Performance Expert. Get torque, boost, or efficiency right when you want it. In Normal mode, you'll find the perfect combination of performance and efficiency. Switch to Sport mode and immediately feel the steering, transmission (Xtronic gearbox only), and throttle response adjust for more responsive driving. And when it's time to steady your pace, hit the Eco mode button to get the most out of every fill-up.

Double Agent. In addition to ride style, the Nissan Dynamic Control System lets you control interior comfort. Simply switch from D-Mode to Climate Mode, and the display changes allowing you to make the cabin as toasty or cool as you like.

NISSAN ALL-MODE 4X4-I WITH TORQUE VECTORING

LEFT OR RIGHT, THE POWER IS ON YOUR SIDE.

Instead of traditional All-Wheel Drive (AWD) systems that only distribute power from front to back, the All-Mode 4x4-i with torque vectoring that's available on JUKE adjusts power side-to-side to the rear wheels. When cornering, this means the outside rear wheel gets more power, to help maximise traction and cornering.

Torque Vectoring

In a turn, this multi-sensor system automatically transfers rear-wheel power to the left or right, depending on which needs it more, so any change in direction can be performed smoothly and securely.

*ALL MODE 4x4 i-system is only available on 4WD JUKE

SERIOUS

CARGO CAPACITY

PACK IN THE UNEXPECTED

JUKE now boasts best-in-class boot space with an impressive 354litres (2WD only). With the second-row seats up and cargo floor lowered, there is plenty of space in the back for large luggage. Fold the seats down and you can adjust the floor to a higher position, creating a flat cargo floor.

Adjustable Cargo Floor

Large luggage fits well inside JUKÉ. Simply adjust the cargo floor down, and there is ample space for your gear.

Flat Cargo Floor

Longer items are far easier to store on a flat surface. Fold the second-row seats down and adjust the cargo floor up to create a flat floor surface. And for any items you want hidden, you'll find a covered storage area under the cargo floor.

Ramp up the refinement. Premium touches make every drive a little more special. Shed light on your thrill-seeking adventures, day or night, with the open-air sunroof. The Nissan Intelligent Key lets you lock and unlock the doors without taking the key out of your pocket.

NissanConnect

NISSANCONNECT *

INNOVATION THAT KEEPS YOUR WORLD WITHIN REACH

SMART AND FUNCTIONAL. The NissanConnect system is incredibly easy to use thanks to the high resolution 5.8" anti-glare touchscreen. It comes equipped with a rich range of features including audio, navigation and communication functions as well as cutting edge connectivity and smartphone integration features.

CONNECTED WHEREVER YOU GO. NissanConnect offers Smartphone integration. Enjoy an ever evolving list of applications* from the comfort of your Nissan's display screen, all tailored to enhance your overall driving experience in a safe way.

INTELLIGENT DRIVER ASSISTANCE and navigation functions support you in all kinds of traffic situations.

STREAMING AUDIO VIA BLUETOOTH®. Enjoy digital radio, or stream music from your mobile phone.

iPOD/ USB INPUT. Plug in your iPod or MP3 player to access your entire music library while you're on the road.

*Driving is a serious business. Only use NissanConnect services when safe to do so. Some applications shown are not yet available and more will be available at a later date. NissanConnect service subscription required but is available on a complimentary basis for 2 years from purchase. Service and applications only available in select European countries and on select Nissan models. Services and applications may be provided by third parties outside Nissan's control and are subject to change without notice or liability to Nissan or its agents (including, without limitation, services cancelled/suspended by third parties.) Certain remote functions require compatible phone or device, not included with vehicle. Cellular networks are provided by cellular companies, and are not within Nissan's control. Cellular networks not available in all areas. Roaming charges and/or data usage charges may apply. Nissan is not responsible for any equipment replacement or upgrades or associated costs that may be required for continued operation due to service changes.

NISSAN AROUND VIEW MONITOR

IT'S GOT YOUR BACK, AND THE REST OF YOU TOO.

What if parallel parking was easier? A rearview monitor is great when backing up – but when it comes to parking, it's nice to see more than just what's behind you. That's why Juke offers Around View Monitor. Four cameras give you a virtual 360° bird's-eye view of your vehicle, with selectable split-screen close-ups of the front, rear, and curbside views, so you can get a better look. And since all obstacles aren't stationary, Moving Object Detection lets you know if anything is approaching, no matter what it is.

LOOK OUT BELOW.

In Reverse, the display helps you see what's directly behind you, while the overhead view helps with shorter objects otherwise hidden below your window.

COMPLETE THE PICTURE.

Located under your driver's side mirror, this camera helps round out your virtual 360° bird's-eye view, whether you're in Drive or Reverse.

SPARE YOUR WHEELS.

In Drive or Reverse, you can push the camera button to switch out the overhead for a side view. A great help for seeing how close you are to the curb.

DON'T BUMP YOUR NOSE.

In Drive, the display gives you both a front and overhead view, so you know just how far to pull up – without going too far.

NISSAN SAFETY SHIELD PHILOSOPHY

SURROUND YOURSELF WITH CONFIDENCE.

The Nissan Safety Shield technologies use cameras and sensors which work together to build your confidence and keep you on top of your surroundings at all times. The features described here are just some of many on your Nissan, helping to protect you and yours by focusing on three key areas: keeping an eye on your vehicle's systems and the surroundings, assisting in handling unexpected situations, and helping to keep you safe in the unfortunate event of an accident.

6 Standard Air Bags. When a collision is unavoidable, Nissan's Zone Body Construction helps absorb the impact, while the advanced seat belt and air bag systems help protect passengers.

Electronic Stability Program (ESP). Nissan's Electronic Stability Program system automatically activates the ABS and traction control features to help you stay in control during difficult manoeuvres like a sudden lane change.

Moving Object Detection

Around View Monitor doesn't just help you park, it also helps you reverse out of a space safely. The Moving Object Detection feature gives you a visual and audible alert when it detects movement near the vehicle.

Blind Spot Warning System

What you can't see JUKE can. If there's a vehicle in your blind spot area on either side of your car, a warning light will illuminate on the interior door panel. If you're indicating and a vehicle is dangerously close, the light will flash and you'll hear a warning sound too.

Lane Departure

This system gives you a visual and audible heads up if it detects you straying from your lane. And it's so smart, it's designed to stop the warnings when you indicate to change lanes.

Safety Award In 2011, JUKE was awarded the maximum five-star rating by EURO NCAP (European New Car Assessment Programme).

SIGNATURE STYLE

STAMP YOUR STYLE ON JUKE combining Zama Blue finishers, contrasting colour accents and smart, practical accessories like illuminated entry guards. Add a front and rear styling plate for dynamic shine and an interior mirror cover to emphasise your style. Opt for 18" alloys with coloured inserts and Exterior Pack to match – it's your call.

NISSAN PROMISE that's what you'll get when you pre-book your test drive either online or through our customer service centre.

Just call 0330 123 1231.

Please visit nissan.co.uk/promise. Terms and conditions apply.

NISSAN SERVICE PLANS

Nissan Service Plan is the best way to give your Nissan Juke the maintenance it deserves! We'll take good care of your Nissan whilst keeping your servicing costs at a fixed price over the years. As part of the service, we will change your parts and fluids in accordance with Nissan official service schedules and perform check ups, providing you with ultimate peace of mind. When your Juke is due a service, Nissan will propose the most suitable service and a convenient time for you.

NISSAN CARE WARRANTY

Nissan Extended Warranty gives you the opportunity to extend the 3 years/60,000 miles manufacturer warranty for a longer period or mileage. Select the contract that best suits your driving usage. In case of a repair, only Nissan approved quality parts will be used and fitted by Nissan trained technicians. For your peace of mind, 24/7 Pan European roadside assistance is included (if applicable).

NISSAN SERVICE CARE

Nissan Service care is our comprehensive fixed price service package which gives you the following benefits :

- Fixed Price service starting at just £149 for Petrol car of any age (£159 for diesel)
- Fixed 1 Year's Pan European Roadside Assistance worth £95
- Free courtesy car to keep you mobile during your service
- Vehicle assesment video (eVision)
- Approved Quality Parts fitted By Nissan trained technicians
- Free Vehicle Software updates as required

We have fixed the price on not only the servicing of cars of any age, but also on most common repairs. Whether it's brake pads or windscreen wipers, you'll always know exactly where you stand.

DPF FILTER

WHAT IS A DPF?

A **DIESEL PARTICULATE FILTER (DPF)** forms part of the vehicle's exhaust in order to limit the amount of soot particles contained within the exhaust gas passing into the atmosphere.

When the amount of soot in the filter reaches a specific level, this needs to be reduced in order to maintain the filter's function.

This reduction is called **'REGENERATION'** and is carried out by the vehicle's electronic control system which raises the exhaust gas temperatures during normal driving. If a vehicle requires frequent regeneration due to driving style, these high temperatures cause the engine oil to degrade more quickly.

However, from 2011 onwards Nissan vehicles were fitted with an **OIL CHANGE SUPERVISOR (OCS)** as well as a DPF to help monitor the condition of the oil and ensure the quality never falls below a minimum level.

WHAT IF I ONLY DRIVE SHORT JOURNEYS?

If the vehicle is only driven for short journeys, or at low speed, then it may not be possible for regeneration to occur. In this situation, the below warning lights will be illuminated on your dashboard.

Please refer to your Owner's Manual for further information.

After seeing these warning lights you need to drive, as soon as possible, above 40mph until the light goes out. This can take up to 30 minutes depending on the amount of soot collected in the filter.

WHAT IF I IGNORE THEM?

If you continue to drive at low speeds the exhaust gas temperatures cannot rise, so regeneration cannot occur. In this instance, a combination of the below warning lights will be illuminated on you dashboard.

In this case, and in order to protect the engine and DPF Filter, the vehicle will require **'SERVICE REGENERATION'** which can only be carried out by a workshop equipped with Nissan diagnostic equipment. You will need to go to your nearest Nissan dealer in case the oil and filter needs to be replaced.

As **'SERVICE REGENERATION'** is not a manufacturing fault, so the cost will **NOT** be covered under warranty.

NISSAN INSURANCE

Nissan Insurance has been designed to help Nissan drivers get the most from their cover, boasting the following benefits:

- Use of Nissan Approved Repairers and franchised trained technicians
- Use of only Nissan genuine parts for repairs
- Guaranteed repair for 3 years
- New car replacement, if your vehicle is written off when under 12 months old
- Cover provided for driving in the EU, subject to a maximum 30 days per year
- Personal accident benefit up to £5,000
- Up to £100 personal belongings cover
- £300 towards replacement locks if your keys are lost or stolen

Call Nissan Insurance today on 0344 335 3780

Calls charged at the same rate as local 01 and 02 numbers and will be included in inclusive call packages from mobiles. Lines are open Monday to Friday 9am-7pm and Saturday 9am-5pm.

Terms and Conditions

Quotations are subject to underwriting terms and acceptance criteria.

Nissan Insurance is arranged by Europa Group Ltd trading as Nissan Insurance Services on behalf of Maiden Global Holdings Ltd (registered in England with company number 07324422) Registered office: Albion House, Valley Business Centre, Gordon Road, High Wycombe, HP13 6EQ. Authorised and regulated by the Financial Conduct Authority. Financial Services Register number 555397. Europa Group Limited is authorised and regulated by the Financial Conduct Authority. Financial Services Register No. 309794. Registered as a limited company in England and Wales No. 3279177. Registered office: Europa House, Midland Way, Thornbury, Bristol BS35 2JX.

FURTHER INFORMATION

On The Road Prices. On The Road Price includes 12 months Government Vehicle Excise Duty (VED) determined by CO₂ emissions figure and fuel type, £55 Government First Registration Fee, number plates and delivery to the Nissan Dealership.

VED rates are determined by the vehicles CO₂ emissions figures and by the type of fuel used.
The following table applies to all new car registrations:

VED Band	A	B	C	D	E	F	G	H	I	J	K	L	M
CO ₂ Emissions Figure (g/km)*	up to 100g	101-110g	111-120g	121-130g	131-140g	141-150g	151-165g	166-175g	176-185g	186-200g	201-225g	226-255g	over 255g
Petrol Car	£0	£0	£0	£0	£130	£145	£185	£300	£355	£500	£650	£885	£1,120
Diesel Car	£0	£0	£0	£0	£130	£145	£185	£300	£355	£500	£650	£885	£1,120
Alternative Fuel Car	£0	£0	£0	£0	£120	£135	£175	£290	£345	£490	£640	£875	£1,110

* g/km = grammes of CO₂ per kilometre travelled.

All Light Commercial Vehicles will have a standard VED rate of £230 per annum.

VAT and VED

VAT application is based on current HMRC guidelines, please check with HMRC for specific guidance for the vehicle you are purchasing.
VED is determined by the DVLA, please check with the DVLA for specific guidance for the vehicle you are purchasing.

Optional equipment. This price list features a selection from the full range of optional equipment, be they standard, dealer fit or factory options.

For further information and details of the full range, please contact your local Authorised Nissan Dealer.

Nissan's commitment to you includes all of the following benefits – some of which may be the reasons why you chose your new Nissan in the first place:

Manufacturer's warranty – Nissan's comprehensive warranty provides cover for your new Nissan from defects in materials or workmanship. Your vehicle is covered in all European Countries where Authorised Nissan Dealers are located. If your vehicle becomes inoperative due to a warrantable defect a towing service, when necessary, to the Authorised Nissan Dealer is covered. If a warrantable defect abroad takes more than six hours to repair, the Touring Assistance Programme will pay for a hotel room or rental car up to a certain maximum. The paint warranty covers painted body parts (excluding the underbody) for three years regardless of mileage driven. For further details please contact your local Authorised Nissan Dealer. Petrol and diesel engine cars - Three-year/60,000 miles. Petrol and diesel engine LCVs and Navara - Five-year/100,000 miles.

LEAF and e-NV200 – Nissan LEAF and e-NV200 offer a 5-year / 60,000 mile warranty on all EV dedicated components, including the lithium-ion battery, and a 3-year / 60,000 mile warranty on standard components. This is with the expression of e-NV200 which offers a 5-year / 60,000 mile warranty on mechanical components and corrosion*. The Nissan LEAF and e-NV200 lithium-ion battery state of health guarantee protects against battery capacity loss (less than 9 bars out of 12) as shown on LEAF and e-NV200's capacity gauge for a period of 5 years / 60,000 miles. For LEAF and e-NV200 flex customers, the battery state of health guarantee applies for the duration of the battery lease.

*The Basic Vehicle Warranty for e-NV200, according to 3.1 of the Warranty Booklet and Maintenance Record, is extended to 5 years (from the warranty start date) / 60,000 miles (whichever comes first). Only vehicles registered on or after 1st November 2016 are eligible for the Extended Warranty. Body parts and paint excluded during year four and year five. Terms and exclusions apply, for further information please see Extended Warranty Terms and Conditions. Apart from the afore-mentioned, all warranty conditions included in the Warranty Booklet and Maintenance Record remain unchanged. Issuer of this Extended Warranty is Nissan International Insurance Ltd

FURTHER INFORMATION

Nissan European Roadside Assistance is provided for the period of your new vehicle manufacturer warranty.

Roadside, Recovery and At Home products are provided by RAC Motoring Services (Registered No. 1424399, Registered Office: 8 Surrey Street, Norwich, NR1 3NG). RAC Motoring Services (in respect of insurance mediation activities only) is authorised and regulated by the Financial Conduct Authority and within the jurisdiction of the Financial Ombudsman Service and Financial Services Compensation Scheme.

Onward Travel and European Cover are underwritten by RAC Insurance Limited (Registered No. 1424399, Registered Office: 8 Surrey Street, Norwich, NR1 3NG). RAC Insurance Limited is authorised and regulated by the Financial Conduct Authority and within the jurisdiction of the Financial Ombudsman Service and Financial Services Compensation Scheme.

Nissan EV Pan-European Roadside Assistance is provided by AXA for 3 years or 60,000 miles, whichever comes first.

For LEAF and e-NV200Flex (battery lease) customers, the Nissan EV Pan-European Roadside Assistance will cover you for the duration of your battery lease agreement should your Nissan EV run out of battery charge. For any other repair work, the basic warranty clause still applies.

Benefits and Services are provided by AXA Assistance. AXA Assistance is authorised and regulated by the Financial Conduct Authority (FCA).

FCA Register number 439069. AXA Assistance UK Limited (registration 2638890) 106 - 118 Station Road, Redhill Surrey RH1 1PR

Peace of mind – we always guarantee our workmanship, and all genuine Nissan replacement parts and accessories have a minimum of one year’s warranty. Accessory prices are subject to change, please see your nearest dealership for the most up to date prices

Our technicians have been trained by Nissan to work on your vehicle and they are the Nissan specialists. They use the latest equipment to ensure your vehicle is given the best treatment. Accessory prices are subject to change, please see your nearest dealership for the most up to date prices.

Recyclability – we take all our environmental responsibilities very seriously - innovation today comes with a deep respect for the environment. Our engines are now much more unobtrusive and their emissions have been considerably reduced. All our vehicles are designed with recycling in mind.

Nissan Finance offers a wide range of flexible finance schemes to meet the needs of both our retail and business customers. Preferences, Hire Purchase, Nissan Contract Hire and Finance Lease, all offer the in-built flexibility to make the package tailor-made to meet your individual needs. We also provide added security to your finance agreement with a comprehensive range of payment protection plans. Ask your local Authorised Nissan Dealer for details.

The Nissan Motability Programme developed in association with the registered charity Motability enables those with difficulty getting around to obtain selected models on preferential terms.

All prices in this list are quoted in pounds sterling. Value Added Tax (VAT) has been calculated at 20%.

While all reasonable effort has been made to ensure the accuracy of the information provided, due to Nissan’s policy of continuous product improvement, all particulars contained are subject to constant revision and Nissan reserves the right to change, alter or modify, among other things, specifications, colours and prices of models without notice at any time. Accordingly you should consult your local Authorised Nissan Dealer for the exact introduction dates of all models and for the most up-to-date information.
