Project Description

etc Design Ltd were commissioned to provide a full design team service for new teaching facilities, admin offices and a 2 court sports hall.

The sports hall facility incorporates 2 full sized badminton courts, changing rooms and storage. A separate single storey teaching block is an extension to the main school buildings and provides 6 classrooms, offices, school reception and toilets.

The school building was constructed using vibro foundation techniques, a suspended concrete floor slab and brick clad timber frame.

etc design were subsequently engaged to refurbish the existing school library to create an up to date facility.
