### Make your home warmer and more energy efficient with these great offers

Joining the gas grid? Good choice. Now all you need is a brand new, energy efficient boiler and central heating system to make the most of your gas supply.

We know that switching to gas is a big decision, so you'll no doubt have lots of questions.

**But that's OK.**

Working together Warm Wales and E.ON will be able to answer all your questions and make any installation as smooth as possible.

# Why choose E.ON for your new gas heating system?

Warm Wales has negotiated **an additional £300 off** E.ON's prices when you respond via Warm Wales. And you can spread the cost with up to **three years interest free credit**, 0% APR Representative or 8.9% APR Representative over 5 and 7 years.

## Representative example

Item value (cash price)	Upfront Payment	Total amount of credit	Agreement duration	Annual rate of interest	Representative APR	Monthly Payments	Final Payment	Total Amount Payable
£4,550	£0	£4,550	36 months	0% PA	0% APR	£126.39	£126.35	£4,550
£4,550	£0	£4,550	84 months	8.9% PA	8.9% APR	£72.19	£72.19	£6,063.96

E.ON Energy Installation Services Limited acts as a credit broker and not the lender. Barclays Partner Finance acts as the lender. Terms and conditions apply.

## Offer terms and conditions

1. The £300 off offer applies to a new full gas central heating installation from E.ON Energy Installation Services Limited and is subject to survey. Although this promotion may be withdrawn at any time, once you have a survey booked this offer will be honoured for 30 days following from the date of your full no obligation quotation giving you plenty of time to decide whether or not to proceed. E.ON Energy Installation Services Limited offer a Worcester Bosch boiler 5 year manufacturers guarantee.

2. The additional £100 offer applies to current E.ON Energy Solutions customers applying to get a full Gas central heating installed from E.ON Energy Installation Services. The total value of this offer for E.ON Energy electricity customers is £400 and is subject to survey. Although this promotion may be withdrawn at any time, once you have a survey booked this offer will be honoured for 30 days following from the date of your full no obligation quotation giving you plenty of time to decide whether or not to proceed.

3. E.ON Energy Installation Services Limited acts as a credit broker and not a lender. Barclays Partner Finance acts as the lender. Credit is subject to application and status. You must be a UK resident aged 18 or over to apply. Terms and conditions apply. Find out more about our finance options at [eonenergy.com/waystopay](http://eonenergy.com/waystopay)

4. Energy Saving Trust. Estimated savings of £275 for cavity wall insulation and £240 for loft insulation. Estimates are based on insulating a detached gas-heated home with either a totally uninsulated loft, or topping up existing insulation from 120mm to 270mm [energysavingtrust.org.uk/home-insulation/roof-and-loft](http://energysavingtrust.org.uk/home-insulation/roof-and-loft) and [energysavingtrust.org.uk/home-insulation/cavity-wall](http://energysavingtrust.org.uk/home-insulation/cavity-wall). You will need to book your free Cavity Wall Insulation (CWI) home survey under the Carbon Emission Reduction Obligation (CERO) scheme by 6pm on Saturday 30 June 2018, to ensure you receive free funding for CWI installation through the CERO scheme.
