

Cancer Alliance appoints Project Manager to work with Primary Care

South Yorkshire, Bassetlaw and North Derbyshire Cancer Alliance have appointed a new Project Manager who will be engaging with Primary Care staff on various alliance projects.

Clare Glazebrook, Early Diagnosis Project Manager, joined the Cancer Alliance in June. Clare has a wealth of project management experience in the NHS, education and charity sectors. Previous roles include children's centre management, working with the North Trent Cancer Network and roles with PCTs.

Primarily Clare's role at the Cancer Alliance will be to focus on establishing a Primary Care Leads Forum. She will also be linking with Primary Care staff on projects including; vague symptoms, FIT, straight to test, significant events analysis and other early diagnosis plans.

Clare is based at Sheffield CCG and can be contacted on clare.glazebrook@nhs.net.
