www.zaun.co.uk/about-us/downloads/drawings/

Features & Benefits:

- Specifically designed to provide a demarcation area around hockey pitches
- Provides protection for players and supporters during game play
- Designed to provide spectators better viewing
- Manufactured from strong tubular section
- Available with gates to suit
- Available either bolt down, in ground or on wall

Description:

Zaun's **Hockey 200 Spectator Rails** are specifically designed to improve safety for both players and spectators. Our **Hockey 200 Spectator Railings** are manufactured to the highest quality from strong tubular section and supplied with the Hockey 200 mesh infill – making them lightweight, robust and attractive. The Hockey 200 mesh infill is produced using twin wire 6mm horizontal wires and uses EPDM rubber inserts to insulate the panels from the noise from impact during play, while stylish fixings hold the horizontal rails.

The **Hockey 200 Spectator Rails** can be designed with any number of gates of any size into the pitch perimeter to allow maintenance equipment unfettered access to the pitch.

Details:

Minimum height of 1 metre to maximum height of 1.2 metres – Hockey 200 Spectator Railings

Mesh:

Hockey 200 mesh comprising 200mm of 25 x 50mm mesh and 200mm x 50mm Duo8 mesh above with single 6mm vertical wires at 50mm centres and dual 8mm horizontal wires at 200mm centres.

Posts:

60mm x 60mm RHS post section, spaced at 2525mm centres

Post to panel fixing:

Panels fixed to posts with full height 40mm x 5mm clamp bar with bolt fixings at 200mm centres with EPDM inserts. The full height clamp bars create a flush safe finish with the mesh ends behind the clamp bar.

Gates:

Pedestrian gates are single leaf 1.2m wide, (or width to suit), framed in a 50mm x 50mm SHS with Zaun Hockey 200 mesh welded inside the frame, with slide latch. Gate supplied with rubber bump stop and 2 x suitable gate posts.

Vehicle access gates are double leaf (single leaf vehicle gates available) 3.0m wide (or width to suit), framed in 50mm x 50mm SHS, with Zaun Hockey 200 mesh welded inside the frame, with drop bolts and slide latch. Gate supplied with rubber bump stop and 2 x suitable gate posts.

Finish:

Materials are galvanised and Polyester Powder coated.
