Press Release

September 2016

Subject: New Fragrance Bottle Standard – MEIJI 50 & 100ml

Continental Bottle Company is pleased to announce two new Fragrance Bottles that will be introduced into their collection.

Meiji is a delicately poised, Japanese inspired bottle with the rigor of a narrow shoulder. Deploying lines of almost magnetic purity, Meiji evokes the serenity of Zen and the promise of extreme refinement. Its mid-top design is both timeless and modern, making it very versatile in terms of usage.
