FREEDOM **MICRO DI**

THE ONLY SYSTEM THAT POWERS, SECURES AND ALARMS THE ENTIRE DIGITAL IMAGING
CATEGORY WITH A FEATURE THAT ALLOWS A TETHER-LESS DEMONSTRATION FOR THE CONSUMER

KEY FEATURES AND BENEFITS

Unique Shopping Experience

- TruFeel AirTether™ that provides cut resistant security with an almost weightless hand held experience
- Retailers can quickly disconnect the puck allowing consumers a more true-to-life shopping experience
  – Great for demos and/or Bluetooth demonstrations
- Innovative 360º spin-and-secure design keeps device in place

Integrated Security Features

- Self-contained System (Security, Power, Alarm) for 1:1 Security
  – Minimizes cables and clutter
- SmartCable™ Technology
  – Cable locks when connected to puck; alarms if unplugged
- Lens Locking Bracket
  – Prevents lens release for added security

Unified Store Design

- Fully powers all Point & Shoot Cameras, SLR Cameras, Mirror-less Cameras and Camcorders
- Industrial design integrates with the standard Freedom Micro, Freedom Micro UM and Mechanical Freedom Micro solutions
- 'Quick Release' feature for fast and easy re-merchandising
  – Simple and easy plan-o-gram updates
- Single Intelikey™ Switch Module (ISM) that arms and dis-arms the entire Freedom Micro line

Lens Locking Bracket

LED Indicator

Locking SmartCable™

Adjustable Anti-Rotation Sliders
