Price £ 20.99
€ 24.99

More Skills for Life

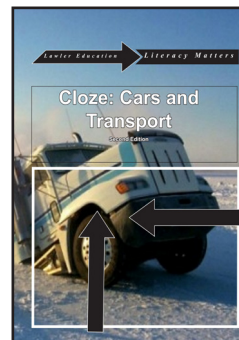

This book covers the development of language used in and around the home. Topics covered include the: kitchen, bedroom, teenager's room, garden, dining room, lounge and home office. There are also free interactive white board activities. Copymaster.

9781842851050
Grammar: Prepositions, adverbs and nouns
£ 20.99 € 24.99

Grammar: Prepositions, Adverbs and Nouns

Now in its 2nd ed, highly popular with teachers. Many teachers find grammar one of the less inspiring topics to teach. That is the purpose of this book; it is written to ensure students and tutors have a positive experience and actually enjoy the work. The activities are all written in an adult context to enable students to see the relevance to the own lives and in trialling, students were positive about the learning experiences the book offers. Copymaster.

9781842853795
Cloze: Cars and Transport
£ 20.99 € 24.99

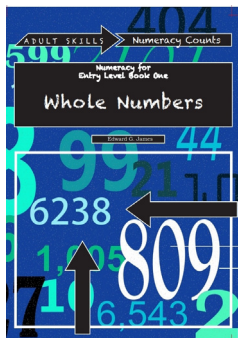

CLOZE:

CARS AND TRANSPORT

This book was a specific request from teachers to produce something 'overtly masculine', hence this book. It is themed around cars and transport but also develops values education. This has been a hugely popular book with SEN/ALN teachers and has been well received by young males. It is ideal for skills for life students and KS3/4 basic skills teachers. Copymaster.

Functional Skills, Essential Skills Wales, Core Skills Scotland & Core Skills N.Ireland

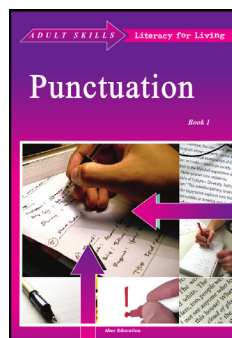

This is an incredibly useful resource for teachers on communication courses. Many adults fail, for a variety of reasons, to grasp the basics of punctuation. This has a major effect on their lack of ability to communicate coherently. This book is designed to alleviate that circumstance. Copymaster.

9781842854396
Entry Level: Whole Numbers
£ 24.99 € 29.99

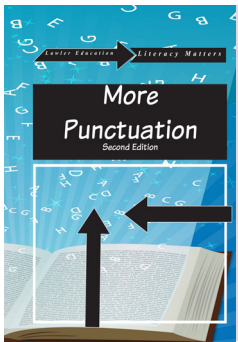

ENTRY LEVEL: WHOLE NUMBERS.

Written specifically for this cohort of students who need support, this title is a set of worksheets that are focussed on developing numerical skills. Written by an experienced maths teacher this is a flexible resource that can be used for entry level AON and in other level 1 courses. Copymaster.

9781842851104
Punctuation
£ 20.99 € 24.99

Adult Skills/Skills for Life

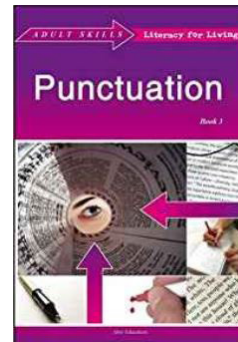

Functional Skills, Essential Skills Wales, Core Skills Scotland & Core Skills N.Ireland

This is the 2nd ed of this highly popular book. It is a follow on from Punctuation and helps develop the skills of your learners.

Copymaster.

9781842853870
More Punctuation
£ 20.99 € 24.99

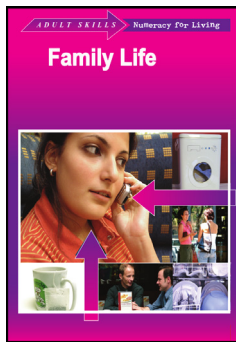

Functional Skills, Essential Skills Wales, Core Skills Scotland & Core Skills N.Ireland

This is the third book in our Punctuation series. It takes the learner through activities where it is almost impossible not to learn

Copymaster.

9781842851128
Punctuation 3
£ 20.99 € 24.99

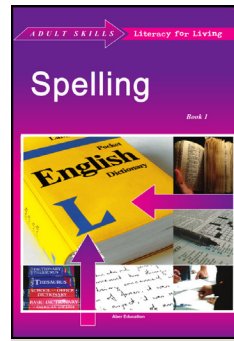

Functional Skills, Essential Skills Wales, Core Skills Scotland & Core Skills N.Ireland

This is an interesting title since it develops values in students. As well as developing language skills it shows young people what a good family life can be like.

Copymaster.

9781842851159
Family Life
£ 20.99 € 24.99

Functional Skills, Essential Skills Wales, Core Skills Scotland & Core Skills N.Ireland

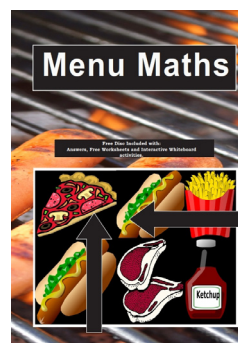

Copymaster.
Many teachers get frustrated when trying to follow a formal spelling programme because there is no purpose or direction in the programme. This book is different. It features words that have relevance to everyday use so that students easily learn their meanings and know how and when to use them correctly.

9781842851166
Spelling
£ 20.99 € 24.99

Department store Shopping is a life skill that is rarely taught. That is the purpose behind this book, to enable children and young people to acquire experience and to be able to reflect on that experience. It is written as a black line master with a cd of worksheets for the busy teacher. It is particularly useful for ks3/4 and for those students in FE who are following skills for life/adult skills/basic skills courses/teachers in prisons and workplace trainers. Copymaster.

9781842854532
Dept Store Maths
£ 24.99 € 24.99
2nd Ed (cover shown) due Spring 2018

9781842851098
Menu Maths
£ 20.99 € 24.99

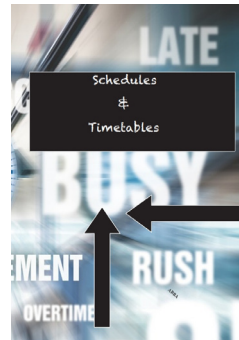

Many young people spend leisure time visiting burger bars but they struggle to calculate the costs. This is basic mathematics but it is contextualised as a leisure activity and has proven to be highly popular with young people. Ideal for AON/ Skills for life/ KS3/4 teachers who need to develop financial capability/literacy skills in their students. It links well to the Back to the Black financial series from Studymates. Copymaster.

Adult Skills/Skills for Life

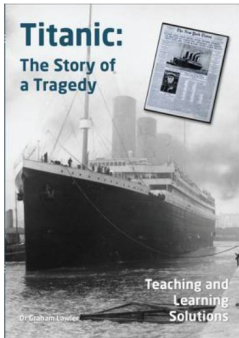

978184285
Supermarket Maths
£ 20.99 €24.99

This title is hugely popular with teachers as part of the Numeracy Counts series. As with Menu maths and Dept Store Maths, teachers report that students respond positively to the work in this title. Copymaster.

9781842851135
Schedules and Timetables
£24.99 €29.99

2nd Ed DUE Autumn/Winter 2017/18
Young people find the skill of reading a timetable very difficult. The act of interrogating a timetable is an essential lifeskill and one that this book develops.

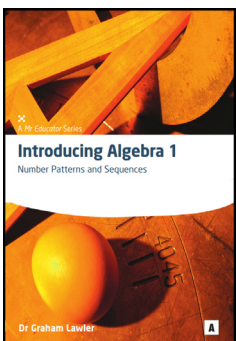

9781842852989
Titanic
£ 20.99 €24.99

This title is a little extra special, themed around Titanic it explores issues relevant to everyday life for children and teenagers. Titanic 11 is a full replica of the doomed ship & is scheduled to have its maiden voyage in 2018 and therefore this title can provide a topical resource for students .

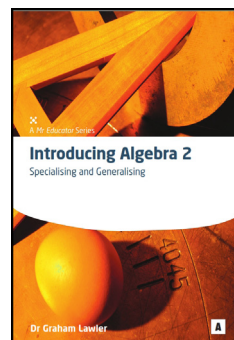

9781842854228
Writing and Forming Letters
£ 20.99 € 24.99

This title is a set of worksheets to help teachers who have young students with special needs. It provides plenty of learning opportunities to practise forming letters

978184285
Number patterns and Sequences
Price £20.99
€ 24.99

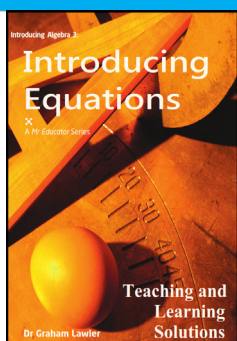

Pattern spotting is actually a life skill. By being able to spot patterns you can make predictions on future events. Pattern spotting is also a fundamental skill in algebra and that is why this book is an important contribution to this area. Getting your students to spot patterns is the first step in getting them able to generalise. Ideal for primary/lower secondary and FE colleagues. This title is popular with level 1 AON trainees. Copymaster.

978184285
Specialising and generalising
Price £ 20.99

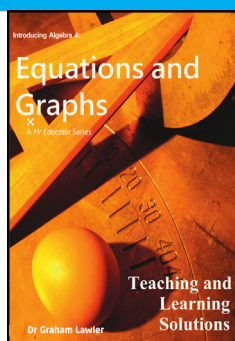

Specialising and generalising are skills that essential life skills in the 21 st century. These are skills that we often do not realise that we use on a daily basis, that is why this book is important. It provides learning opportunities for students to generate data and look for the generalisation, a simple stage in early algebra. Copymaster.

Adult Skills/Skills for Life

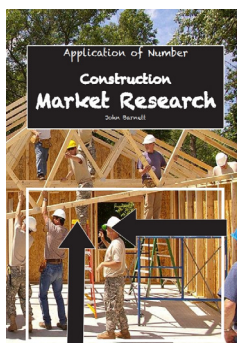

9781842850817
Introducing Equations
£ 20.99 €24.99
 Copymaster.

In this book, students are taught the basics of solving simple linear equations, in a logical and methodical manner. The book is published with a CD of the worksheets to enable teachers to print them out and use them in class. This book concentrates on patterns in tables and encourages students to start to look for what is the 'same' in their patterns. They will start to think algebraically and have fun developing their number work.

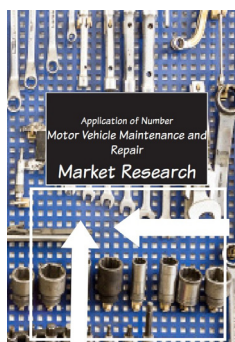

9781842850879
Equations and Graphs
Price £ 20.99

In this book, students are taught to represent equations as graphs and to use the graph as a source of solution for the equation. The book covers linear and quadratic graphs. This title has been highly successful. Copymaster.

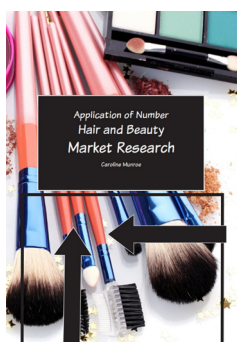

9781842854518

9781842854402
Writing in Everyday Life 1: Making Inferences
Price £ 24.99 € 29.99
 Copymaster.

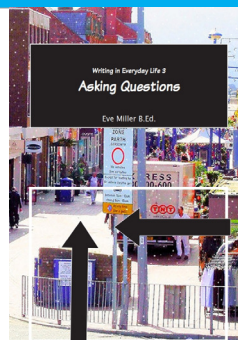

This is the first book in a series from a new author. The purpose of the book is to generate opportunities for students to be encouraged to make inferences from the detail given.

This is a life skill and one many young people in schools and FE colleges struggle in developing in their everyday lives. Eve Miller is an experienced teacher and is a welcomed addition to our writing team.

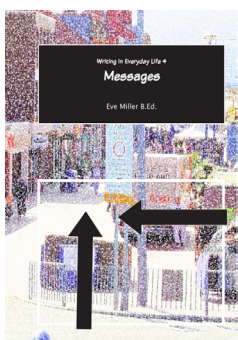

9781842854419
Writing in Everyday Life 2:
Travelling
£ 24.99 € 29.99

Travelling offers an opportunity to examine the bombardment of messages that the average person is exposed to on a daily basis. Very often young people are not even aware they are being manipulated. This title will help them to develop their sense of discrimination in judging the value of those messages to their daily lives.
Copymaster.

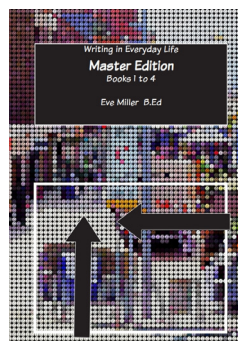

9781842854426
Writing in Everyday Life 3:
Asking Questions
£ 24.99 €29.99

Forming and asking questions is something that many young people have difficulty with yet it is a vital component of everyday life. This book contains a number of learning opportunities to help students ask suitable questions.
Copymaster.

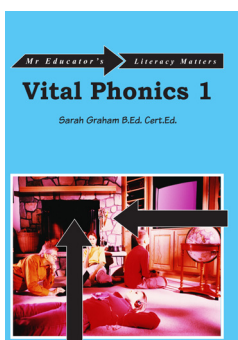

9781842854433
Writing in Everyday Life 4:
Messages
Price
£ 24.99 € 29.99

Interpreting messages is something that many people are amazingly very poor at doing effectively. This book provides opportunities to enhance their ability in a safe environment. The author stated that this series was her attempt to help rid society of the awful refrain 'you know what I mean'.
Copymaster.

9781842854404
Writing in Everyday Life
Master File
Price
£ 79.97 € 90.97

For colleagues who wish to buy all of the books in this series we have made a master file containing all 4 books and all of the accompanying discs.
Copymaster.

978184285
Vital Phonics 1
£ 20.99 €24.99
Copymaster.

Functional Skills, Essential Skills Wales, Core Skills Scotland & Core Skills N.Ireland

978184285
Survival Teen Island
Price £ 14.99 €16.99

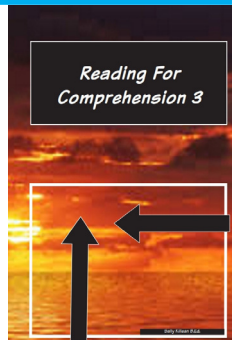

Growing up has never been harder. The pressures on teenagers are so immense that we now have situations where youngsters are literally killing themselves rather than be part of society. The book is designed to equip every teenager to make informed choices about their lives in the vulnerable period where many leave school but are not yet fully confident. The author uses the metaphor of an island to talk the reader through all of the situations a young person needs to confront as they develop through these difficult years.

Adult Skills/Skills for Life

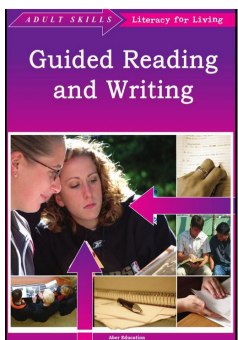

9781842854358
Reading for Comprehension 2
£ 24.99 €29.99
Copymaster.

Following the success of the first book in this new series. This second book offers a number of stories on adult oriented topics that are illustrated with photographs. The book encourages learning by using simple, repetitious words in short sentences that gradually increase in length and difficulty.

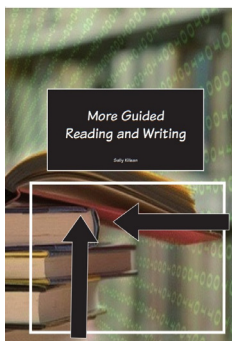

978184285
Reading for Comprehension 3
£ 24.99 €29.99
Copymaster.

This title is the 3rd in a new series of reading for comprehension. This book contains 30 stories that encourage students to read and are particularly interesting to boys. The stories are carefully graded and a scale of readability is provided so that teachers can carefully match the stories to the needs of their learners. The book comes with interactive software to help children learn the correct words and to get them actively engaged with their own learning.

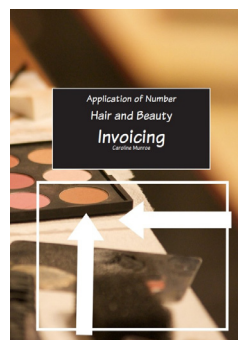

Guided Reading and Writing
978-1-84285-103-6
£20.99 € 24.99
Copymaster.

Most adults know they lack reading and writing ability and they genuinely wish to improve their literacy skills. Seeking help is a huge step. Adults are motivated to seek help for different reasons, including getting a job or engaging in study – or they may simply want to gain independence in commonplace tasks. A significant result of their efforts, in addition to increasing their literacy skills, is positive impact on self-esteem. They will feel the benefits in every part of their lives.

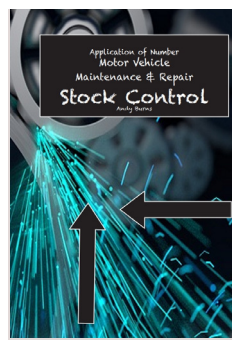

9781842854211
More Guided Reading and Writing
