

Personalised Boat Fenders

Personalised Boat Fenders

Would you like your boat's fenders branded or personalised?

Anchor Marine can add a logo or wording to any fender in its range.

With delivery in about four weeks, please let us know the colour, size and make of fender, as well as the name or logo you would like incorporated, and we will add this to the fender cover.

We have sizes to fit most boats and our standard colours are white, blue, navy and black. Other colours are available upon request.

Anchor Marine also has the ability to add further personalisation to suit your requirements. Whether it be for personal, commercial, club or sponsorship we can make a bespoke set of fenders for any boat or event.
