NO. 99 RYE LAGER \$8

Brewed with rye grain, we have turned up the flavour of a classic Canadian Lager. The result is unlike any other lager with an extra layer of depth, zest and freshness added to the smooth malt and light hops flavour.

NO BOATS ON SUNDAY CIDER \$9

Fresh clean ripe apple notes rise from the crackling cider. Delicate bubbles dance on the off-dry palate and flavours of fresh juicy apple and a touch of hops fill the mouth. Tangy and fresh.
