NEWCASTLE

It's time to start thinking about Christmas. That time of the year where we hand our bar & restaurant over to you & help shape the perfect setting for your festive night out, event, or function. Under the watchful eyes of our hand painted murals, from cosy nooks & crannies, specifically chosen textures and fabrics, and amidst our best kept secret 'The Basement'. It really is the perfect canvas for your Christmas celebrations. Make the most of our two bars, specialised bartenders, imaginative chefs, and the best ingredients.
