

Samsung Galaxy S7/Edge

- 5.1" Screen or 5.5" (Edge)
- Android 6.0.1
- 12 megapixel camera
- 32GB or 64GB, expandable with MicroSD

Samsung's S7 models offer the best of both worlds – with a premium looking design and high-level durability. In fact, both are water and dust resistant, allowing you to immerse the device in 1.5 metres of water for up to 30 metres, without any damage.

Samsung Galaxy S6

- 5.1" Screen
- Android 6.0.1
- 16 megapixel camera
- 32GB, 64GB or 128GB

The Samsung Galaxy S6 offers a seamless fusion of glass and metal with a radiant glass surface and curved body. As well as high-level performance and enhanced fingerprint ID security.

Samsung Galaxy S6 Edge/Edge+

- 5.1" Screen or 5.7" (Edge+)
- Android 6.0.1
- 16 megapixel camera
- 32GB, 64GB or 128GB Edge
- 32GB or 64GB for Edge+

The Edge is a lighter version of the S6 with a 2% larger battery offering you slightly more power time, while the Edge+ brings you a huge 5.7" dual-edge display for impressive viewing of your photos, videos and more.
