

Could you become a Monthly Giver?

This Centre is a very special place.

We rely on your generosity to keep going.

By donating a small regular amount every month, you will help us to keep the doors open, everyday of the week, ready to welcome anyone who needs us.

Just fill in the form overleaf, and either send it back to us or drop it in to your bank.

A regular gift from you **will** make a difference.

Thank you.
