

# SANDBROOK PARK NEWSLETTER

## JULY TO AUGUST 2018

### LITTLE LAMBS

Both rooms enjoyed their Eid celebration week and took part in lots of related activities by dressing up, dancing and cooking. Traditional Muslim music was played, encouraging the children to build their gross motor skills whilst sharing information about their own experiences, helping to build relationships and mutual respect from their peers.

Both Lambs and Farmers children decorated their rooms, ready for their Eid party on 14th June. This was a great way to get them excited about Eid and to learn more about this Islamic holiday.

### Special Request

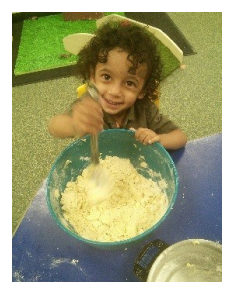

We always have your support when raising money for the NSPCC, however last month we raised funds and awareness for the charity 'Unique'. This particular charity helps families who have chromosome disorders.

One of our Lambs, Noah, was born with 2Q32 chromosome deletion. With your help our **bake sale raised £81.50** for this worthwhile charity. Thank you so much to everyone who helped/supported us.

### LITTLE FARMERS—'Bake Off'

All the children practiced their skills while baking for the Unique charity and we had a Bake Off week between Lambs & Farmers.

The children practiced all kinds of skills, mixing, rolling, juicing and cutting, so no excuses for not helping at home now!

**School Leavers** -Time to say Goodbye and Good Luck to our preschool children as they leave nursery to start school. We will really miss them all and have been working hard to prepare them for this new adventure. We will be having a Leaver's Fun Week starting 9th July, with dress-up days, a costume tea party, games days, more bake offs and much more. See posters in nursery and ParentZone for more info.
