

## GLP-1 Spraying Machine

### About Oriental

Henan Oriental Construction Machinery Co., Ltd. is a state-designated manufacturer and exporter of Road and Building construction machineries since 1989. We are the manufacturer, supplier & exporter of semi-automatic and full-automatic dry mortar mixing plants, large and medium size of concrete mixing plants, all kinds of concrete mixers and cement silos, Spraying machine and Pump.

### Application Of Spraying Machine

Automatic Spraying Machine use with air compressor Spraying Machine is mixing, pumping, spraying high quality mortar small machinery (mortar spraying machine). application of the adhesive mortar, thin-layer mortar, waterproof materials, refractory materials. such as spraying operation is housing for protection, paint, paste the appropriate model on the bottom.

### FEATURES OF SPRAYING MACHINE

1. Using the frequency technology, to realize stepless speed regulation. By a two way rotation speed control or pressure control, flow adjustment for free, and then adjust the match with wind pressure. Then transferred out of the matched air pressure, we can achieve continuously throughput and flat spraying.
2. All of the equipment used stainless steel structure, beautiful appearance, generous, flexible and convenient mobile.

### DESCRIPTION OF SPRAYING MACHINE

1. To adapt spraying materials: latex paint spraying, powder paint, the effect of relief coatings, waterproofing materials, refractoriness, and so on.
2. Can regulate the return flow of small, the size of wind pressure, spraying out the best results.
3. In addition to the electronic control box with the switch, the nozzle can also start down, simple and easy to operate.

### TECHNICAL DATA OF SPRAYING MACHINE

Item	GLP-1
Voltage	380V/220V
Theoretical Flow	0-20L/min
Max. Pressure	3MPa
Delivery Distance	30m
Delivery Height	20m
Bucket Capacity	25L
Cross Power	4.5KW
Auxiliary Air Compressor	0.52 m <sup>3</sup> /min
Spray Hose	Φ25×10m
Air Pipe	Φ10×10m
Nozzle	Φ6, Φ8, Φ10, Φ14
Dimension	1020×560×1150mm
Weight	160kg

Note: Any change of technical data will not inform additionally.
