

DID YOU KNOW...?

Fasouri Watermania started its operation in 1999. All construction was carried out having in mind the protection of the environment and the safety of the visitors.

30 water games

Fasouri Watermania is the biggest Waterpark in Cyprus both in size (over 100,000 square meters – 25 acres) and in number of attractions and facilities: 30 different water games for all ages, three restaurants and six snack bars. It's an ideal all day outing for families, friends and colleagues.

Here you can enjoy the largest lazy river and the biggest wave pool in Cyprus.

- Winner of the following Awards:
 - Trip Advisor "Certificate of Excellence" for 2012, 2013, 2014, 2015, 2016, 2017, 2018 and "Travellers Choice" for 2018
 - Wave Review Award 2015
 - In 2007 Fasouri Watermania Waterpark received Europe's Leading Waterpark attraction for the World Travel Awards.

Our staff consists of over 100 dedicated employees. Our team attends training sessions months before opening and undergoes daily training during the operation period.

Eco-friendly decision-making and behaviours are mindful choices taken to preserve the environment. In a continuous effort to support this principle, a 100KWp photovoltaic system was installed at the waterpark in September 2018. This system, which is stretched over a 2200m2 area, can produce 175,000 kWh per year which is equivalent to preventing the release of approximately 180 tons of Carbon Dioxide emissions into the atmosphere.

GARRA FISH SPA

We joined forces with Garra Fish Spa in the UK and introduced the largest communal fish spa on the island offering its guests a fun and relaxing way to enjoy a foot massage with a tickling twist.

LOCKERS FOR ALL

For securing your valuables, there are available lockers at the Changing Room area.

SAFETY ABOVE ALL

All our Lifeguards and Gameguards are professionally trained on life-guarding and first aid practices while a First Aid Station, fully equipped for emergencies.
