ABOUT THE QUEENSLAND CIVIL INDUSTRY TRAINING CENTRE - TOWNSVILLE

The Queensland Civil Industry Training Centre (QCITC) - Townsville is located within the 547 Industry Park industrial development, at Unit 13, 547 Woolcock Street, Mount Louisa QLD 4814, and its state-of-the-art facilities are available for function and event hire throughout the year¹.

The QCITC - Townsville is a purpose built training centre for the civil construction industry in Northern Queensland and is a smaller version of the QCITC located in Eight Mile Plains. The centre will help address skill needs and prepare the industry to build the roads, tunnels, bridges, dams, wharves and commercial and housing land developments Queenslanders will need in the future. The facility has ample onsite parking and is equipped with the latest technology and high quality facilities to allow for professional delivery of a variety of events, such as meetings, seminars or training.

The QCITC offers the following facilities for hire:

- training room
- confined space, working at heights and trench shoring simulation facilities
- 10 onsite car spaces

All prices included in this guide are inclusive of GST. **Members of CCF QLD enjoy a 20 per cent discount off these prices** for facilities hire, which represents great value for those in the local area.

¹ Only available Monday to Friday. All facility hire is dependent on availability and subject to approval by CCF QLD.

ENQUIRIES

Should you require any further information or wish to arrange a tour of the facilities, please do not hesitate to contact us via phone on 1300 CCF QLD or email admin@ccfql.com. Our dedicated team will be happy to assist.

TRAINING ROOM

The Training Room offers a flexible set-up and as such a vast array of possibilities for your event. Whether you are looking to host a board meeting, or company seminar, our Training Room features the latest technology to back your presentation. Furthermore, it is an ideal setting for small meetings.
