

TV Wall Mounting Explained

Installing a TV mount to hang your TV on a wall can be a daunting task, even for the most accomplished DIY enthusiast. There are several important things that must be taken into account when carrying out a proper TV wall mounting, such as protecting your wall's masonry. In this PDF [The Aerial Guys](#) will run through the TV wall mounting services in Harrogate that we provide.

TV wall mounting in Harrogate

You have just carried out a full [TV aerial installation in Harrogate](#) and treated yourself to a brand new 50" television set to accompany your brand-new TV set up. If only you could get the TV on the wall! Well, do not worry, The Aerial Guys provide a comprehensive TV wall mounting service in Harrogate and are here to guide you through the process.

Hanging a large television set on the wall is a fantastic space saver, but they're heavy bits of kit to attempt to wall mount without experience. You also have to be extremely careful of the house's masonry. TV wall mounting services from The Aerial Guys ensure your new TV is attached safely and securely with a TV wall bracket of your choice, without damaging your wall. We will also tune and set up your TV! If you have a new TV, but are in need of a brand-new TV aerial or satellite installation in Harrogate, get in touch today on **01423 210038**.
