**GINCOR MAKES THE LIST AS ONE OF CANADA'S
TOP GROWING COMPANIES**

– Report on Business releases 2019 list of Canada's Top Growing Companies –

GINCOR WERX is pleased to announce it placed No. 247 on the inaugural Report on Business ranking of Canada's Top Growing Companies. Canada's Top Growing Companies ranks Canadian companies on three-year revenue growth. GINCOR WERX earned its spot with three-year growth of 132%.

"With our roots originating as a small vocational truck upfitter in Mattawa Ontario, being recognized by making the list as one of Canada's top growing companies is indeed an honour", noted Luc Stang, President and CEO. With four decades of experience and expertise in the custom manufacturing of vocational vehicles, Gincor Werx is an industry leader known for its quality workmanship and technical innovation. It's product offering include dump bodies, work ready, snow and ice equipment, cranes, flat decks, roll-offs hook-lifts, van bodies and heavy haul float trailers.

A commitment to our customers and a dedicated workforce with a passion for building a superior product, contribute to our long-term growth, strength and identity as a leader within our industry.

Launched in 2019, the Canada's Top Growing Companies ranking program aims to celebrate entrepreneurial achievement in Canada by identifying and amplifying the success of growth-minded, independent businesses in Canada. It is a voluntary program; companies had to complete an in-depth application process in order to qualify. In total, 400 companies made the ranking this year.

The full list of 2019 winners, and accompanying editorial coverage, is published in the October issue of Report on Business magazine—out now—and online at tgam.ca/TopGrowing. "We created the Canada's Top Growing Companies program because we believe there is much Report on Business readers can learn from the successes of the country's best entrepreneurs," says Derek DeCloet, Editor of Report on Business and Executive Editor at The Globe and Mail. "We're excited to be telling their stories."

"The 400 companies on the inaugural Report on Business ranking of Canada's Top Growing Companies ranking demonstrate ambition, innovation and tremendous business acumen," says Phillip Crawley, Publisher and CEO of The Globe and Mail. "Their contributions to the economy help to make Canada a better place, and warrant commendation."
