

With a solid Canada-wide presence, Altus Group is strengthening its core team to meet the demand for unparalleled expertise.

We are now accepting applications for **LAND USE PLANNER (1 Year Term, Full-time or Part-time)**

WHAT WE OFFER CLIENTS

With over 320 employees in 13 offices across Canada, Altus Group's Geomatics Division provides integrated Field Surveys, Mapping, Remote Sensing (LiDAR/3D Laser Scanning), Land Use Planning, Environmental Consulting and GIS (Data Solutions and Systems) services to the energy, forestry and construction industries in Western Canada. We value achieving a level of service that anticipates, understands and exceeds our clients' expectations.

WHAT WE OFFER EMPLOYEES

Joining our collaborative team means working with the industry's best. We are proud of our company culture where the emphasis is on supporting each other in a passionate, team environment, keeping us a measure above. Our commitment to job safety is unparalleled. Our excellent compensation package includes an industry competitive benefits package. We encourage promotion from within our organization and offer professional development support to grow your skill set and advance your career with Altus Group.

WHAT YOU'LL DO

As a **Land Use Planner** in our **Regina** office, in a **Safety Sensitive Position** and collaborative member on our team, you will play an integral role in our growing operation.

WE'LL MEASURE SUCCESS BY HOW YOU:

- Build and nurture client relationships to identify and develop opportunities with our clients
- Utilize internal relationships to engage further technical expertise in developing custom client solutions
- Assure high quality deliverables go out to clients
- Demonstrate an understanding of all regulatory and technical requirements for your projects
- Design residential, commercial, industrial, and institutional subdivision applications
- Evaluate or assist in evaluation of rezoning, bylaw amendments, site plans, special use permits
- Prepare Official Community Plans and Zoning Bylaws
- Assist in the development of Comprehensive Development Reports (Concept Plans)
- Act as liaison between community groups, government agencies and developers in developing subdivision plans and bylaws
- Assess the conditions and impacts of the economic, physical, political, environmental and social variables effected by the development
- Prepare statutory plans, community plans and relating land use bylaws for client review

WHAT YOU'RE SKILLED AT:

- Ability to work in a fast-paced environment with a strong work ethic
- Collaborative attitude, ability to excel in a team and independent environment
- Commitment to customer satisfaction through problem solving
- Excellent communication (verbal and written), interpersonal, conflict resolution and negotiation skills
- Goal orientation with a drive to exceed expectations
- Superior attention to detail to produce professional deliverables
- Ability to manage time and priorities effectively, results oriented

WHAT YOU'VE DONE

- Successful completion of a Degree in Planning or related field
- Pre-membership, pre-candidate or full membership in the Canadian Institute of Planners/provincial affiliate is preferred
- Worked a minimum of 1-2 years as a Land Use Planner
- Hold a Class 5 driver's license (driver's abstract required)

Closing Date: **February 28, 2020 or until a suitable candidate is found.** Please include a cover letter with your resume. You must be eligible to work in Canada. Only those selected for an interview will be contacted. *For more information refer to our website. Thank you to all applicants in advance.
