EXPLANATORY NOTES

Entitlement to attend and vote

- 1 Please see explanatory notes 2 to 19 for information on how to appoint a proxy. Under the ASX Listing Rules and the ASX Settlement Operating Rules, the Company as an issuer of CDIs permits CDI holders to attend any meeting of the holders of Shares. Please see explanatory notes 19 to 26 for more information on how to vote your CDIs.

Appointment of proxies

- 2 As a member of the Company, you are entitled to appoint a proxy to exercise all or any of your rights to attend, speak and vote at the meeting and you should have received a proxy form with this notice of meeting. You can only appoint a proxy using the procedures set out in these notes and the notes to the proxy form.
- 3 A proxy does not need to be a member of the Company but must attend the meeting to represent you. Details of how to appoint the chairman of the meeting or another person as your proxy using the proxy form are set out in the notes to the proxy form. If you wish your proxy to speak on your behalf at the meeting you must appoint your own choice of proxy (not the chairman) and give your instructions directly to the relevant person.
- 4 You may appoint more than one proxy provided each proxy is appointed to exercise rights attached to different shares. You may not appoint more than one proxy to exercise rights attached to any one share. To appoint more than one proxy, you must complete a separate proxy form for each proxy and specify against the proxy's name the number of shares over which the proxy has rights. If you are in any doubt as to the procedure to be followed for the purpose of appointing more than one proxy you must contact the Company at Suite 3B, Princes House, 38 Jermyn Street, London SW1Y 6DN. If you fail to specify the number of shares to which each proxy relates, or specify a number of shares greater than that held by you on the record date, proxy appointments will be invalid.
- 5 If you do not indicate to your proxy how to vote on any resolution, your proxy will vote or abstain from voting at his discretion. Your proxy will vote (or abstain from voting) as he thinks fit in relation to any other matter which is put before the meeting.

Appointment of proxy using the hard copy proxy form

- 6 The notes to the proxy form explain how to direct your proxy how to vote on each resolution or withhold his vote.
- 7 To appoint a proxy using the proxy form, it must be:
 - 7.1 completed and signed;
 - 7.2 sent or delivered to the Company at Suite 3B, Princes House, 38 Jermyn Street, London SW1Y 6DN; and

- 8 In the case of a member which is a company, the proxy form must be executed under its common seal or signed on its behalf by an officer of the company or an attorney for the company.
- 9 Any power of attorney or any other authority under which the proxy form is signed (or a duly certified copy of such power or authority) must be included with the proxy form.
- 10 The Company, pursuant to regulation 41 of The Uncertificated Securities Regulations 2001, specifies that only those ordinary shareholders registered in the register of members of the Company 48 hours before the meeting shall be entitled to attend or vote at the meeting in respect of the number of Shares registered in their name at that time. Changes to entries on the relevant register of securities after that time will be disregarded in determining the rights of any person to attend or vote at the meeting. If the meeting is adjourned by more than 48 hours, then to be so entitled, shareholders must be entered on the Company's register of members 48 hours before the time appointed for holding the adjourned meeting or if the Company gives notice of the adjourned meeting, at the time specified in that notice.

Appointment of proxy by joint members

- 11 In the case of joint holders of shares, where more than one of the joint holders purports to appoint a proxy, only the appointment submitted by the most senior holder (being the first named holder in respect of the shares in the Company's register of members) will be accepted.

Changing proxy instructions

- 12 To change your proxy instructions simply submit a new proxy appointment using the method set out in paragraph 6 above. Note that the cut off time for receipt of proxy appointments specified in that paragraph also applies in relation to amended instructions. Any amended proxy appointment received after the specified cut off time will be disregarded.
- 13 Where you have appointed a proxy using the hard copy proxy form and would like to change the instructions using another hard copy proxy form, please contact the Company as indicated in paragraph 3 above.
- 14 If you submit more than one valid proxy appointment, the appointment received last before the latest time for the receipt of proxies will take precedence.

Termination of proxy appointments

- 15 In order to revoke a proxy instruction you will need to inform the Company by sending a signed hard copy notice clearly stating your intention to revoke your proxy appointment to the Company as indicated above. In the case of a member which is a company, the revocation notice must be executed under its common seal or signed on its behalf by an officer of the company or an attorney for the company. Any power of attorney or any other authority under which the revocation notice is signed (or a duly certified copy of such power or authority) must be included with the revocation notice.
- 16 The revocation notice must be received by the Company no later than 11:00am on 22 June 2018.
- 17 If you attempt to revoke your proxy appointment but the revocation is received after the time specified then, subject to paragraph 18 below, your proxy appointment will remain valid.
- 18 Appointment of a proxy does not preclude you from attending the meeting and voting in person. If you have appointed a proxy and attend the meeting in person, your proxy appointment will automatically be terminated.

- 30 Mr. Harris holds a Bachelor of Commerce and has held positions within market risk management at a number of financial institutions including Nomura Group, Deutsche Bank AG and BZW plc in Singapore, Hong Kong and London. Hamish is also a Director of a number of other listed companies.

Notes to Resolution 3 and 4 – Re-election of Directors Mr Lee and Mr Whiddon

- 31 Mr Gregory Lee and Mr Glenn Whiddon, were both appointed as part of the Company’s successful listing on ASX on 29 September 2017. Both of these appointments occurred since the previous annual general meeting and therefore, their appointment ceases on the date of the Annual General Meeting in accordance with the Articles of the Association of the Company. Mr Lee and Mr Whiddon both, being eligible, seek re-appointment. Each Director’s relevant biographies are set out in notes 33 and 34 below.
- 32 **Greg Lee:** Mr. Lee is a Petroleum Engineer and has over 30 years of diversified oil and gas experience in both technical and managerial positions. The main focus of his responsibilities has been on acquisitions and divestments, project management and supervision, oil and gas field development and operation, production technology and reservoir enhancement, field operations, drilling and completions activities, exploration, carbon dioxide capture and storage. Mr Lee also has a very keen interest in renewable and sustainable energy and best practices. Mr. Lee is a chartered professional engineer (CPEng) and a member of the Society of Petroleum Engineers (MSPE) and has been an independent petroleum engineer consultant since 1992 having worked with both large and small organisations (both as operators and non-operators) in numerous countries worldwide. Mr. Lee has been involved with the listing and management of public listed companies on both AIM and the ASX since 2003.

- 33 **Glenn Whiddon:** Mr. Whiddon has an international background in banking, corporate advisory and direct equity investments with a specific focus on the natural resources sector, specifically in African, European and Russian oil and gas transactions. Mr Whiddon has extensive corporate and management experience in identifying corporate opportunities involving the structuring, financing, development and completion of projects. Mr Whiddon is the executive Chairman of ASX listed Auroch Minerals Limited and a non-executive director of ASX listed Azonto Petroleum Ltd.

Note to Resolution 6 – General Authority to allot shares

- 34 Subject to a limited number of exceptions, the directors of a company must not allot shares unless they have the authority to do so under section 551 of the Act. An authority to allot shares in relation to a public company must always be granted under Section 551 of the Act. Authority to allot shares pursuant to section 551 can be granted by either a provision in the articles of association of the company or by ordinary resolution passed by the members of the company.
- 35 An authority to allot given under section 551 must specify the maximum amount of shares that may be allotted under it. If the authority relates to the grant of rights to subscribe for shares, it must state the maximum amount of shares that can be allotted under those rights (section 551 (6), the Act). The authority must also specify an expiry date, which must not be more than five years from the date the resolution containing the authority is passed.
- 36 Once a section 551 authority to allot has expired, the directors may, if specifically permitted by the terms of the expired authority, allot shares or grant rights to subscribe for or to convert any security into shares pursuant to an offer or agreement made by the company before the authority expired (section 551 (7), the Act).
- 37 If this resolution as well as resolutions 7 and 8 are all approved, the Company will be able to issue up to 25% of its issued share capital under both the ASX Listing Rules and English Companies Law without being required to obtain further shareholder approval.

Notes to Resolution 7– Disapplication of pre-emption rights

- 38 Under section 561 of the Act, a company is proposing to allot equity securities must first offer them to each holder of Shares in the company pro rata to his existing Shareholding. This pre-emption right applies to any allotment of equity securities unless either: (i) one of the exceptions set out in section 564 to section 566 of the Act applies or; (ii) the company excludes or dis-applies the statutory pre-emption rights by one of the permitted methods set out in sections 569 to 573 of the Act.
- 39 If the directors of a company are generally authorised to allot shares under section 551 of the Act, they may also be given the power to allot shares under that general authorisation as if the pre-emption provisions in section 561 did not apply (section 570). As a disapplication of the statutory pre-emption right under section 570 works in combination with the authority to allot shares under section 551, the special resolutions dis-applying the statutory pre-emption right cross-refers to the corresponding authority to allot.

Notes to Resolution 8 – ASX Listing Rule 7.1A

- 40 **Background:** ASX Listing Rule 7.1A enables eligible entities to issue equity securities up to 10% of its issued share capital in accordance with the terms set out below (“**10% Placement Facility**”). The 10% Placement Facility is in addition to the Company’s 15% placement capacity which automatically applies under ASX Listing Rule 7.1. If resolution 8 is approved then then Company will have an additional 10% placement capacity, meaning it will have the ability to issue up to 25% of its issued share capital in the next 12 months subject to the ASX Listing Rules. Resolutions 6 and 7 which are an English Law requirements, also allows for this amount of equity securities to be issued and are not in addition to this amount.
- 41 **Purpose** -The purpose of this resolution 8 is to provide the Company with flexibility to meet future business and financial needs. We believe that it is advantageous for us to have the ability to act promptly with respect to potential opportunities and that approval of the issuance of the equity securities is desirable in order to have the securities available, as needed, for possible future financing transactions, strategic transactions, or other general corporate purposes that are determined by our board to be in the Company’s best interests. Approval of resolution 8 would enable the Company to issue Shares and/or CDIs up the relevant threshold without the expense and delay of holding a meeting of shareholders, except as may be required by applicable law or regulations. The cost, prior notice requirements, and delay involved in obtaining stockholder approval at the time a corporate action may become necessary could eliminate the opportunity to effect the action or could reduce the expected benefits.

- 42 **Shareholder approval** – The ability to issue Equity Securities under the 10% Placement Facility is subject to shareholder approval by way of a special resolution at an annual general meeting.
- 43 **Equity Securities that are able to be issued** – Any Equity Securities issued under the 10% Placement Facility must be in the same class as an existing quoted class of Equity Securities of the Company. The Company, as at the date of this Notice of Annual General Meeting, has on issue only one quoted classes of equity securities being Shares quoted on ASX (in the form of CDIs);
- 44 **Formula for calculating 10% Placement Facility** – ASX Listing Rule 7.1A.2 provides that eligible entities who have obtained shareholder approval at an annual general meeting may issue or agree to issue, during the 12 month period after the date of the annual general meeting at which shareholder approval was obtained, a number of Equity Securities calculated in accordance with the following formula:
- (A x D) – E
- where:
- “A” is the number of shares on issue 12 months before the date of issue or agreement to issue:
- plus the number of fully paid shares issued in the 12 months under an exception in ASX Listing Rule 7.2;
- plus the number of partly paid shares that became fully paid in the 12 months;
- plus the number of fully paid shares issued in the 12 months with approval of holders of shares under ASX Listing Rule 7.1 or 7.4. This does not include an issue of fully paid shares under the entity’s 15% placement capacity without shareholder approval;
- less the number of fully paid shares cancelled in the 12 months. “D” is 10%
- “E” is the number of Equity Securities issued or agreed to be issued under ASX Listing Rule 7.1A.2 in the 12 months before the date of the issue or agreement to issue that are not issued with the approval of shareholders under ASX Listing Rules 7.1 or 7.4.
- 45 **ASX Listing Rule 7.1 and ASX Listing Rule 7.1A** – the ability of an entity to issue Equity Securities under ASX Listing Rule 7.1A is in addition to the entity’s 15% placement capacity under ASX Listing Rule 7.1. As at 31 May 2018 being the last practicable date before the time of printing of this Notice of Annual General Meeting, the Company has the full 15% placement capacity available to it. If resolution 8 is also approved then then Company will have an additional 10% placement capacity, meaning it will have the ability to issue up to 25% of its issued share capital in the next 12 months.

Specific Information required by ASX Listing Rule 7.3A

- 46 Pursuant to and in accordance with ASX Listing Rule 7.3A, information is provided in relation to the approval under ASX Listing Rule 7.1A as follows:
- 46.1 The Equity Securities will be issued in an existing class only and will be no less than 75% of the VWAP for the Equity Securities calculated over the 15 trading day on which trades in that class were recorded immediately before:
- (i) The date on which the price at which the Equity Securities to be issued is agreed; or
 - (ii) If the equity Securities are not issued within 5 trading days on of the date in paragraph (i) above, the date on which the Equity Securities are issued.

- 46.2 If Resolution 8 is approved by Shareholders and the Company issues Equity Securities under ASX Listing Rule 7.1A, existing Shareholders may be subject to both economic and voting power dilution. There is a risk that:
- (i) the market price for the Company's Equity Securities may be significantly lower on the date of the issue of the Equity Securities than on the date of this Meeting;
 - (ii) the Equity Securities may be issued at a price that is at a discount to the market price for the Company's Equity Securities on the issue date or the Equity Securities; and
 - (iii) the Equity Securities may be issued as part of consideration for the acquisition of a new asset, in which case, no funds will be raised by the issue of the Equity Securities.

46.3 The below table shows the dilution of existing Shareholders on the basis of the current market price of Shares and the current number of ordinary securities for variable "A" calculated in accordance with the formula in Listing Rule 7.1A.2 as at the date of this Notice

The table also shows:

- (i) two examples where variable "A" has increased, by 50% and 100%. The number of ordinary securities on issue may increase as a result of issues of ordinary securities that do not require Shareholder approval (for example, a pro rata entitlements issue or scrip issued under a takeover offer) or future specific placements under ASX Listing Rule 7.1 that are approved at a future Shareholders' meeting; and
- (ii) two examples of where the issue price of ordinary securities has decreased by 50% and increased by 100% as against the current market price.

Variable "A" in ASX Listing Rule 7.1A.2		Dilution

	Funds Raised	\$504,201	\$1,008,402	\$2,016,804

NOTE: The table has been prepared based on the total number of Shares on issue at the date of the Notice, and on the following assumptions:

- i. The Company issues the maximum number of Equity Securities available under the 10% Placement Facility.
- ii. None of the unlisted options that the Company currently has on issue are exercised before the date of the issue of the Equity Securities.
- iii. The 10% voting dilution reflects the aggregate percentage dilution against the issued share capital at the time of issue, assuming variable A is equal to the total issued share capital. This is why the voting dilution is shown in each example as 10%.
- iv. The table does not show an example of dilution that may be caused to a particular Shareholder by reason of placements under the 10% Placement Facility, based on that Shareholder's holding at the date of the Annual General Meeting.
- v. The table shows only the effect of issues of Equity Securities under Listing Rule 7.1A, not under the 15% placement capacity under Listing Rule 7.1. Dilution experienced by Shareholders may be greater if issues have been made utilising the capacity in Listing Rule 7.1 as well.
- vi. The issue of Equity Securities under the 10% Placement Facility consists only of Shares.
- vii. The current market price of CDIs of AUD\$0.10, being the closing price of the CDIs on ASX at 25 May 2018.

- 47 The Company will only issue and allot the Equity Securities during the 12 months following the date of the annual general meeting (**Placement Period**). The approval under Resolution 8 for the issue of Equity Securities will cease to be valid in the event that Shareholders approve a transaction for the purposes of ASX Listing Rules 11.1.2 (a significant change to the nature or scale of activities) or 11.2 (disposal of main undertaking).
- 48 The Company may seek to issue the Equity Securities for the following purposes:
- 48.1 non-cash consideration for the acquisition of the new assets and investments. In such circumstances the Company will provide a valuation of the non-cash consideration as required by ASX Listing Rule 7.1A.3; or
- 48.2 cash consideration. In such circumstances, the Company intends to use the funds raised towards an acquisition of new assets or investments (including expense associated with such acquisition), continued exploration and feasibility study expenditure on the Company's current assets and/or general working capital.
- 49 The Company will comply with the disclosure obligations under ASX Listing Rules 7.1A.4 and 3.10.5A upon issue of any Equity Securities.
- 50 The Company's allocation policy is dependent on the prevailing market conditions at the time of any proposed issue pursuant to the 10% Placement Facility. The identity of the allottees of Equity Securities will be determined on a case-by-case basis having regard to the factors including but not limited to the following:
- 50.1 the methods of raising funds that are available to the Company, including but not limited to, rights issues or other issues in which existing security holders can participate;
- 50.2 the effect of the issue of the Equity Securities on the control of the Company;
- 50.3 the financial situation and solvency of the Company; and
- 50.4 advice from corporate, financial and broking advisers (if applicable).
- 51 The allottees under the 10% Placement Facility have not been determined as at the date of this Notice but may include existing Shareholders and/or new investors who are not Related Parties of the Company or their associates.
- 52 Further, if the Company is successful in acquiring new assets or investments, it is possible that the allottees under the 10% Placement Facility will be the vendors of the new investments.
- 53 If Resolution 8 is approved by Shareholders, the Company will issue Equity Securities under the 10% Placement Facility during the Placement Period, as and when the circumstances of the Company require.
- 54 The Company has not previously obtained Shareholder approval under Listing Rule 7.1A.
- 55 The Company will disregard any votes cast on Resolution 8 by a person who may participate in the 10% Placement Facility and a person who might obtain a benefit, except a benefit solely in the capacity of a holder of Shares, if Resolution 8 is passed, and any of their respective associates.
- However, the Company will not disregard a vote if:
- 55.1 it is cast by the person as proxy for a person who is entitled to vote, in accordance with directions on the proxy form; or
- 55.2 it is cast by the Chairman as proxy for a person who is entitled to vote, in accordance with a direction on the proxy form to vote as the proxy decides.
- 56 At the date of the Notice, the Company has not approached any particular existing Shareholder or security holder or an identifiable class of existing security holder to participate in the issue of the Equity Securities. Assuming that does not change, no existing Shareholder's votes will therefore be excluded under the voting exclusion in the Notice.
- 57 The Directors recommend that Shareholders vote in favour of Resolution 8 as they themselves intend to do. The Chairman intends to vote undirected proxies in favour of Resolution 8.
