& ambitious start-ups

A welcoming home for smaller businesses, this is the perfect environment in which your company can flourish and grow.

Whatever the size of your ambitions, Croxley Park delivers big business advantages in a space that can adapt to your changing needs. With unique amenities, excellent service and the support of a flourishing business community, the Park is already home to a growing number of small companies, who contribute greatly to its thriving atmosphere. Our B6 small unit scheme provides your own front door, the support you need, and the flexibility to keep growing your space as your business develops.

Friendly faces & green spaces

Croxley Park is a special place to work. The amenities are unique, well considered and expertly managed by the team.

There's a friendly and welcoming 'campus' atmosphere here, thanks in part to the popular events run by the Park. And the natural surroundings are a pleasure all year long – from our waterside setting we get to enjoy the natural beauty of the park throughout the changing seasons.

We give 110% & then some

We're one team, with one aim: to deliver an on-site experience that's always defined by the very highest standards of service.

There's a Croxley Park way of doing things, and our 20-strong management team is on site and on hand to make it happen, providing 5-star service and a rich and varied day-to-day experience.

Helping you make the most of our unique facilities and amenities, we'll take care of everything you need – from business-to-business introductions, to energy saving analysis and recycling tips.

And if you're looking for additional storage space, after-work language classes or a game of 5-a-side football, we'll always go the extra mile to help.

With a 24/7 manned office, CCTV control room and regular foot and vehicle patrols, we take your security seriously, giving you the peace of mind to concentrate on running your business and enjoying your life. Our Park is beautiful, and our gardening team is here to keep it that way, ensuring neat borders, flourishing greenery and perfectly litter-free pathways.

We're proud of our place, and our cleaning team is always on hand to maintain an impressively spick-and span environment in which it's a pleasure to work and live.

Sustainability & environment

60+

Over 60 bike spaces have been designed into our new building.

At Croxley Park we make it easy to be an environmentally friendly business and enhance your CSR commitments.

We take care of everything from on-site food composting to cardboard baling and rainwater harvesting. We also use renewable energy, provide charging points for electric vehicles, run a park-wide car-sharing scheme, and have designed 60+ bike spaces into our new building.

We also do our bit to protect the bees. Working together, our occupier businesses care for our own colony, which not only benefits our environment but also produces delicious honey for our café. And our expert stewardship includes teaching local schools about the crucial part bees play in our ecosystems.

Environmentally aware schemes on the park include:

Renewable energy source, on-site food composting, waste recycling, cardboard baling, park-wide car share scheme, charging points for electric vehicles, rainwater harvesting & busy bees

Green energy& zero waste

35%+

Our buildings are typically 35%+ more cost effective than conventional office buildings.

When we say that we're green, we mean it. As part of our commitment to reducing energy consumption, our refurbished buildings are Grade A+ specified, with a Grade B Energy Performance Certification (EPC) Rating.

They achieve this through state of the art technology; energy efficient heating, cooling and ventilation systems with heat recovery, and energy efficient lighting with daylight dimming and smart metering. Of course, this also saves you money; our buildings are typically 35%+ more cost effective than conventional office buildings.

We're equally committed to reducing our waste through recycling, and thanks to the scheme coordinated by our team, we've sent zero waste to landfill since 2012.

Future plans & development

As one of the few large market-leading business parks to benefit from single ownership, Croxley Park benefits from easier decision making and a progressive approach. Our ambitious future plans include significant investment in our buildings, amenities and infrastructure, to create a Park that's always improving.

With Building 1 (65,000 sq ft) due for completion in 2017, we're expanding our offer of high specification offices for businesses across all sectors.

Our improved and extended amenity hub will provide a host of additional facilities and activities for our occupiers.

- 65,000 sq ft building to be completed in 2017.
- 85,000 sq ft building, with 12 month build program.
- New amenity hub including café, gym and events space.

Wherever you're coming from, and however you're getting here, Croxley Park makes travelling to work easy. The proximity of both the M25 and London Underground and Overground stations means the park is accessible both by car and public transport, providing excellent connections to the whole country.

Planes, trains & automobiles

Arrivals & departures

Just two miles from Watford town centre, twelve minutes from the M25 and with an excellent car parking ratio, the Park is ideal for drivers. But it's equally accessible without a car, offering exceptional regional transport links including bus, tube and a free shuttle bus for occupiers. All of which helps you recruit local staff, and keeps you connected with the wider world.
