

NIACC Foundation Scholarships Online!

Easy as 1 >> 2 >> 3

One Simple Application To Apply For All NIACC Foundation Scholarships

Apply for NIACC Foundation Scholarship

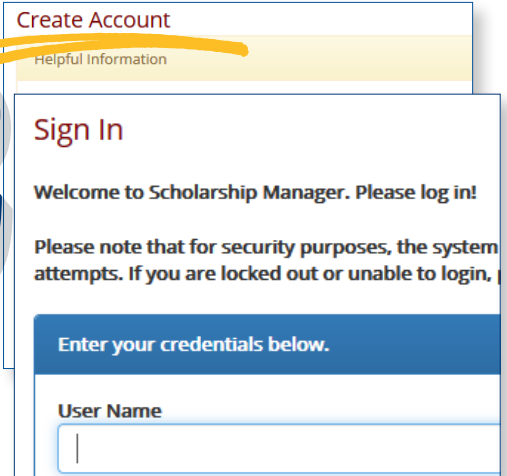

STEP ONE - Navigate to the page

Go to www.niacc.edu/scholarships. Scroll down and click "APPLY FOR NIACC SCHOLARSHIPS"

STEP TWO - Create an account or sign in

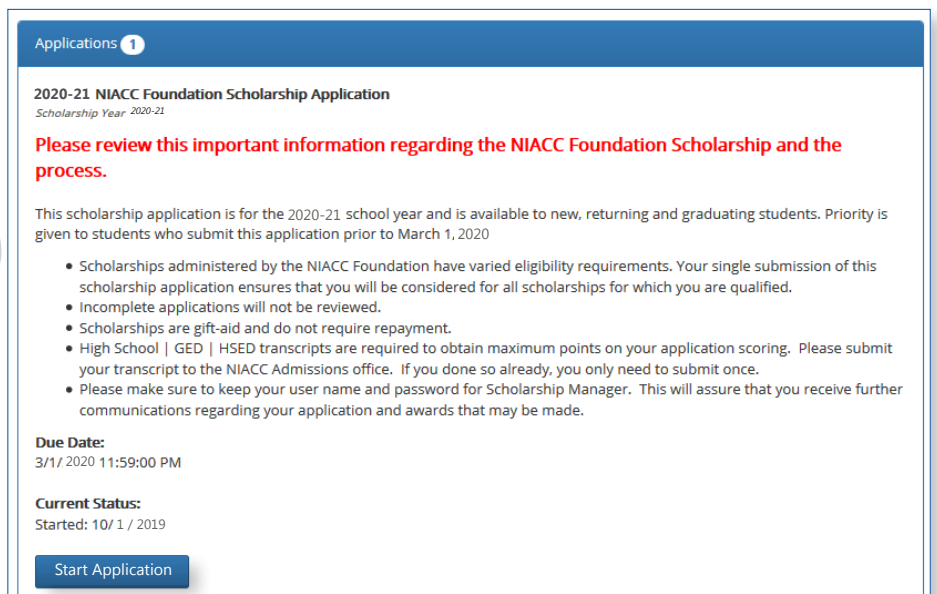

Create a new account or sign into Scholarship Manager. Make sure to use an email that you check often (do not use your high school email address.) **This email is the only way we will correspond with you throughout the awarding process.**

STEP THREE - Complete and submit

Once your account has been created and you have signed in, you can manage your applications from the "My Applications" home page.

To start a new application, scroll through the list of applications available, read the description and click on start application for the one you are planning to submit.

continued>>>>

STEP Three continued Complete Your Application.

Always click on **“Save Progress”** and then **“Next”** to move to the next page of the application. If you need to exit the application, click **“Save and Logout.”** You can continue your application by signing back in. You are able to do this as many times as you need. When you are finished with your application and get to the last page click on **“Submit Application.”** You will receive an onscreen message that your application has been submitted.

Be sure to use an email that you check often (do not use your high school email address.). **This is the only way we will correspond with you throughout the awarding process.**
