

CONTINENTAL BOTTLE COMPANY LTD

**Press Release**

**December 2015**

**Subject: New Fragrance Bottle Standard – DESTINY**

Continental Bottle Company is pleased to announce a new Fragrance Bottle Standard that has been introduced to our collection.

The Destiny perfume bottle displays a perfect balance between cutting edge design and contemporary streamlining. This new bottle offers a round cross section, a cylindrical body and a slanted collar that sits perfectly in the palm of the hand. A slightly flattening at the shoulder is reflected in the cutaway of the lower body that enhances the shape and allows it to be seen in a modern way and reveals the subtle elegance and captures the light through the bottles heavy base.
