

# Our NEW e-COMMERCE SITE is here!

For over 40 years, OMI Environmental Solutions (OMIES) has been a leading manufacturer and supplier of oil recovery equipment. Our skimmers have become a large part of many industries from the oil field to food processing, and can be found in diverse industries worldwide.

In 2007, we recognized the need of our customers to be able to purchase their environmental and safety products from one vendor, and developed the Environmental & Safety Products (ESP) division. In order to make purchases more efficient for our customers, we have now launched our new website [www.omiesp.com](http://www.omiesp.com) with over 10,000 products from 100's of manufacturers in the following categories:

- Sorbents
- Safety
- Industrial
- Spill Control
- Janitorial
- Packaging
- Storage
- Skimmers

We have one of the largest distribution warehouses (50,000 square feet) in the Gulf Coast area. We are available to meet the needs of our customers 24/7. No order is ever too small or too large. With friendly, personal service our goal is make every customer know their business is important to us.
