## GOing Back...

Girls from Ellesmere Port subcamp were challenged this morning with a host of activities at the Go Back zone.

The girls completed a range of challenging activities to earn themselves points. The girls aimed to gain 100 points so that they could gain their Go Back badge.

Girls used whistles and semaphore to send messages, cracked codes, followed trails around the area, dealt with emergencies, completed bark rubbings and much more. Well done girls!

## and GOing Beyond

The sound of African drums beating together to create wonderful music could be heard this morning as girls from Bebington subcamp attended an African drumming session in the GO Beyond zone.

The girls then put their mark on the mosaics which many of you have been working on this week. The mosaics have been specially designed by our artist in residence and will be used to add colour to Hadlow.

By the end of the week, everybody should have contributed to the mosaics - a lovely lasting reminder of Guidefest that will be enjoyed by many.

# Thank you

A big thanks goes to the crew from the Security Team who tirelessly worked to keep the tents up whilst the rest of us were at Fusion yesterday. It seems like it was a little bit windy on site and these chaps helped keep the site up and ship shape. Thanks guys!
