Letter from the Editor

Hello!

The cover picture this month shows Steve Bullen cycling up a mountain. It wears me out just thinking about it, but he has written an article about his adventures, which can be seen on page 5. Congratulations to both Steve, and Phil Cashman, who achieved their targets in cycling up steep hills (for fun!) over the summer.

I need to thank Sarah Edwards, too, who provided a photo of the CycleFest a couple of months ago – I totally forgot to credit her, so thank you Sarah. While I'm thanking people, I'd like to mention the paper boys (and lady): Ellie; Liam; Noah and Charlie. And Jon who does the Bovis area and Mary who does the people by the church (and also supplies the church rota). Thank you to all of you.

On Sunday 3rd September there will be a presentation of the plans for the new community centre, to be built on the Taylor Wimpey site. It's a chance to see what it could look like, and make comments and ask questions, as well as see some of the people who would like to hold classes and events there.

There is also a Neighbourhood Development Plan meeting on 5th September if you are interested in having your say about any future developments in the village.

These events are all opportunities to raise questions or offer opinions on things that directly affect Honeybourne. Anyone is welcome to attend, whether you have been here three weeks or thirty (or more) years.

Deliveries of the Village News might be a little erratic over the summer months as the holidays take people away from their usual rounds, so please be patient.

The last date for articles for the October magazine is 20th September.

Honeybourne cyclists succeed in their mountain challenges

Two Honeybourne cyclists set themselves mountain challenges in July and succeeded in reaching their summits.

Phil Cashman (below) decided to attempt to cycle up the tough Lagos De Covadonga in Spain, the most important climb in the modern history of the “Vuelta a Espana” Grand Tour. At 1,134 m (3,720 ft) this is the climb won by Nairo Quintana (Colombia) in 2016. Phil was delighted to complete the climb successfully ahead of this year's "Vuelta".

Steve Bullen (left) challenged himself to cycle up Mont Ventoux (the Giant of Provence), one of most iconic climbs of the “Tour de France”, to celebrate 50 years since the great British cyclist Tom Simpson died on the mountain. There are three routes to the summit at 1909m (6,263ft).

He succeeded at his first attempt wearing his H-BUG (Honeybourne Bicycle Users Group) jersey. Then he rode to the top again with Tom Simpson’s family and friends – including Bradley Wiggins – with a celebration at the Tom Simpson memorial which had been renovated for the occasion. He then rode the third route wearing his Evesham Wheelers jersey, meeting Tom Simpson’s room-mate and super domestique Colin Lewis along the way.

HONEYBOURNE PARISH COUNCIL

New Pavilion Building Contract Started

The construction contractor has started work on the new Recreation Field pavilion and are on course to complete by December. Any questions or issues with the construction works must only be reported to the Parish Council.

High Street Telephone Kiosk:

In considering the extent of the works required to fully refurbish the kiosk the council agreed the kiosk refurbishment requires a professional to carry out the works to ensure safety and compliance with the terms of the adoption from BT. A specialist company will be engaged to refurbish the kiosk which will be exchanged for a fully refurbished identical kiosk.

The current option for its use is a village information centre.

Neighbourhood Development Plan Meeting

It was agreed to invite Brodie Manning project leaders to the next Parish Council meeting to give a progress report and update on the NDP as progress appears to be slow and community involvement is not forthcoming. The next NDP meeting is scheduled for Tuesday 5th September at 7:15 at the Gate Inn when any parishioners can attend and contribute to the plans development.

Publication Amendment

It was reported in the July newsletter that the School Sports day date was not known to the council. This statement is now withdrawn as the school's correspondent confirmed the date was given to the Clerk.

Black Smoke Misrepresentation

The report in last month's newsletter of a large black smoke fire on the development site at 12 Stratford Road was a misrepresentation of facts and the comment is withdrawn.

Perrie Drive Greens

The community asset registration for the Perrie Drive greens has been withdrawn. The decision was made at a formal hearing held by WDC. The Parish Council took no part in the hearing and was only informed of the event and decision after the hearing.

Community Centre and Village Hall:

The Parish Council has agreed the wording of the land transfer agreement between the Council and Taylor Wimpey also the lease agreement for the Village Hall trustees to have a 99 year lease on the land for the Community Centre. These two agreements will allow the Village Hall's lottery bid to progress.

Loose Dogs on Field Footpaths

Dogs roaming freely on Farmland where livestock is held was reported to the Council and it was agreed to ensure adequate notices are in place on the footpath to warn the public of the need to keep dogs on a lead and under control at all times.

Vandalism Continues

The New bench on the Recreation Field has been vandalised as three slats in its back have been broken out and lost. The local PCSO will be requested to carry out extra patrols in the area

Speeding:

Parishioners have raised concerns regarding speeding on Stratford Road and the matter will be reported to Cllr Alastair Adams with a further request to move the 30mph zone to the Pebworth side of the two bridges as the County Council officers confirmed it was not possible as the area does not fulfil the criteria to extend the speed limit.

The Parish Council meets on the 2nd Tuesday of each month. Members of the public are welcome to attend meetings, which are held in the Village Hall and commence at 7.15 pm. Residents are welcome to speak on any issue of local concern during the Open Forum before the start of the meeting.

Honeybourne Village Hall

Sunday 3rd September

The Village Hall Committee are very pleased to announce that their application to the Big Lottery for the major funding of the **new Community Centre** has been passed to the second stage, this is really great news. We've a long way to go yet, with a further two stages before the final approval if we're successful. However, we really need your feedback on the proposed new Centre's design and layout before submitting Stage 2 of the bid in mid-September.

Please come along on **Sunday 3rd September** from 1pm – 4pm for a free coffee / tea and cake and let us know your views on the proposed layout. Have we got it right or do we need to change something, it'll be our last chance to make any proposed changes if we're successful in going forward to Stage 3 of the process, as more accurate build costs will need to be provided for the bid.

Representatives from some of the groups / societies / classes which currently hire the hall, will also be on hand on the day to discuss their classes if you'd like to know more or even join!

BRETFORTON GARDEN CLUB

The weather was kind to us all as we enjoyed a visit to Julia Scotts Herb Garden in Worcester on Thursday evening. Julia has a wealth of knowledge on all aspects of herb growing and their properties from culinary uses to medicinal benefits. She gave us a fascinating insight into her moon planting which she believes gives her stronger and more productive plants as the planting is dictated by the phases of the moon.

The evening was rounded off with refreshments served in the garden with Julia and her husband on hand to answer any questions we had.

Our next visit is Thursday 7th September when we will be going to the walled garden at Croome Court after a talk by Chris and Karen Cronin earlier in the year on their restoration project of the site.

Classes for 'The Arts' at Honeybourne Village Hall

We are hoping to arrange some arts related classes in the Village Hall based on feedback from the wider community.

Our goal would be to start the classes in early 2018.

We'd like to get an idea of who might be interested in these. The following are suggestions only at this stage, but if you are interested can you please contact us using the email address honeybournecommunitycentre@yahoo.com and please mark the email 'Arts Classes'

- Art - drawing and/or painting for all levels including beginners - for 90 minutes or 2 hours each week (to be confirmed)
- Drama - either reading plays or taking part in acting workshops - for 90 minutes or 2 hours each week (to be confirmed)

There would be a modest charge to cover the costs of hall hire and an instructor.

We'd also like your preference on whether this should be weekday or weekend, daytime or evening.

Getting in touch at this stage does not tie you to any future commitment but will really help us organise something suitable for the Honeybourne community. If you are able to teach one of these classes we'd love to hear from you too!

We'll be at the Honeybourne Village Hall open day on 3rd September if you'd rather share your views in person.

Hockey's on the rise, get involved.

Great Britain women's hockey team clenched their first Olympic gold in 2016, beating the Dutch defending champions. As result more people are now looking to get into hockey; to get active, meet new friends and possibly some with the hope of getting an Olympic medal.

For those just looking for a fun and active hobby, Bretforton Ladies Hockey Club are running friendly hockey matches weekday evenings throughout the summer held at Evesham High School.

If you are possibly interested in getting involved you can find lots of information at <http://bretfortonladieshockey.com> with also links to follow us on facebook, instagram and twitter.

Alternatively if you want to speak to someone please do contact Emma on 07411691987 or bretladieshockey@gmail.com

If you are unsure whether it is for you, we always welcome a supporter on the sideline to see what is involved.

Letter from the Vicar

Dear Friends

“Take heart, it is I. Do not be afraid.”

The world, beautiful though it is, especially the area where we live, can sometimes seem a bewildering, even frightening, place. As I write, the situation on the Korean Peninsular is a particular concern. An already tense situation, that has been worsening for some months, is now being exacerbated by unhelpful rhetoric and sabre-rattling – on both sides.

So, what are we to make of this and other similar situations? As Lance Corporal Jones in Dad’s Army would undoubtedly say, “Don’t panic, Captain Mainwaring!” The Bible tells us that, in the present age, frightening things will sometimes go on around us – in the world and in our own lives. The writer of Psalm 46 said, “God is our refuge and strength, a very present help in trouble; therefore we will not fear, though the earth be moved and though the mountains tremble in the heart of the sea.” With God, no situation is ever hopeless. And so, however falteringly, we trust God, who is our refuge and strength in and through the storms of life.

The words that I began my article with were spoken by Jesus to his disciples when they were “terrified” by a storm going on around them when they were in a boat. They are as true today as they were then and speak through the ages. When we are terrified, either by the world around us or by things happening in our own lives, Jesus promises to walk through it with us and speaks to us the same words of reassurance: “Take heart, it is I. Do not be afraid.”

With love in Christ,

Scott

Honeybourne Then and Now

I would like to thank those who responded to my request for information about Honeybourne. It is surprising how such a small village hides many historical facts and figures and the people who contributed to make it such an interesting place.

The idea is to obtain as much information as possible from past fetes, carnivals, shows etc; people who served on the council, village hall committee and school governors. All this information will be written into a large album and some others will be put into a time capsule that will be part of the new village hall foundation.

All the material I have so far (and there is plenty) is being sorted at the start of September. If you have any further information, whatever the form, please let me include it. Any bits and pieces will be copied and returned within 24 hours if required.

So, dig deep for any old photographs, school information and sporting achievements, as they will all be included in the final album. Many thanks in advance.

Yours sincerely,

Doug Rushton

A 5-Mile History Walk to Weston-sub-Edge

Sturdy shoes or boots are recommended.

This route is clearly signed (signposts and waymarkers)

Pets should be kept on leads at all times. Drinks and snacks are recommended.

Start at the The Gate Inn and cross the Weston Road (TAKE GREAT CARE) and walk up High Street to the Thatched Tavern; then take the road alongside the Thatched Tavern into China Corner, walking straight-on until you pass through the narrow gap between the houses. This leads up to the Fair Acres estate. Turn right and follow the headland until you come to a waymarker post deep in the brambles, and adjacent to the pool (site of the Honeybourne murder in 1809). You can choose the path to the old chicken sheds in the distance at Weston Road, or continue on to the bridge and then turn left along the headland to the Weston Road.

TAKE GREAT CARE when crossing this road. This is a very fast road, and visibility is not very good. Follow the grass verge to your right where, after 100 metres, you will join a footpath towards Weston Fields Farm. After 20 metres fork right to the stile opposite the farmhouse. Follow the path with the brook on your right, crossing two more stiles before coming to a gate that leads into the garden of Long Stretch Farm. Through this beautiful woodland garden before crossing over the brook bridge to follow the path with the brook now on your left side. Over another stile, continuing to follow the brook until you meet a stile leading onto the dismantled railway (to the right of the brick culvert). Cross over the railway and through the gate into Gloucestershire.

Continue straight-ahead to the next gate where you will turn right and climb over the fence next to the field gate; then immediately left to walk alongside the electric fence surrounding the new woodland planting. Over a stile just past the dilapidated wartime airfield buildings; follow the field edge with the stream on your left. Over another stile and ahead again until you reach the bridge on your left. The industrial estate you see to your right was part of RAF Honeybourne. It has been said that these buildings were used in the filming of some scenes from the BBC TV series "Tenko". Cross over the stream and then straight-across the young tree plantation until you reach the next stile. With your back to the stile take a 2.30 o'clock direction to the next stile. Over the stile and follow the track to your right until you meet the main road in Weston-sub-edge. TAKE GREAT CARE to cross this road and continue ahead along Church Street until you reach Parsons Lane on your right, taking time as you pass under the large cedar tree to turn back to look at the barn with two white doors, noticing the fire-plate at the apex of the roof (erected by an insurance company - "Which Mark is to be number'd with the Number of the Subscribers Policy, and there to remain so long as the Subscribers continue to pay their Quarteridges") above a stone dated 1857.

Walk down Parsons Lane past the old almshouses (Meon Cottage) until you reach the green footpath sign on your left. Along this footpath passing the 19th century water point. Turn left to follow the footpath between the gardens and out into the field. Continue to follow this path until you reach the bridge over the stream. Pass through the kissing gate onto the site of the moated manor. This manor was already owned by the Giffard family in 1279, when Walter Gifford (Archbishop of York) died, and it passed to his brother, Godfrey, Bishop of Worcester. Follow the path straight-ahead with the first telegraph pole and the moat on your left.

Walk towards the far right-hand corner of this field until you reach the last telegraph pole. Turn left along the edge of the header pond. The medieval ponds are now clearly visible. Continue walking around the pond edge in the direction of the church. If you take a short detour on your left to the high ground you will have an excellent over-view of the site. It is interesting to note that

when we experience flood conditions, this moat and the ponds are completely full of water.

When you reach the cemetery, pass through the kissing gate and on to the church door. Follow the path to the right until you reach the main gated entrance. Turn left into Church Street and walk down to Parsons Lane. Now you can retrace your steps back to Honeybourne, perhaps stopping at the Seagrave Arms for refreshment.

We hope you have enjoyed your walk today, and that we have whetted your appetite for a variety of future walks in and around the Parish of Honeybourne. Email steve@stephenbullen.com for copies of any walks, to express concerns, or seek advice on how to best enjoy Honeybourne's Rights of Way.

Free Bus To Tesco Thursdays, 10am

Leaving from Dudley Road.

HONEYBOURNE PLAY-READING GROUP

After a brief summer break, the group will recommence their play-readings this month on: **Thursday, 21st September at 7:30pm** (play yet to be confirmed). Newcomers to Honeybourne are most welcome to join us!

You don't have to be an accomplished reader or had any previous experience of play-reading to come along - just a sense of humour and willingness to give it a go! Our emphasis is on keeping the evenings as light-hearted and entertaining as possible. Members usually take it in turns to bring along a bottle or two... or something to eat during the interval. It's a great way to meet new people and make friends.

The group is open to all villagers and people from the surrounding area. They meet on the third Thursday of each month in Stephenson Way. Membership is free and all reading material is provided.

The Club will have its AGM on Saturday October 14th at 8.30pm. It is very important that club members attend a meeting prior to this, on Saturday 16th September at 8.30pm as important issues must be raised. Please attend this meeting.

Just in case the magazine is out in time, on Saturday 26th August we have an evening of Memphis Mike returning as Elvis. Tickets are £6 each from the club.

Looking ahead, Saturday September 23rd has “Rikki Starr” making his debut at the club. Rikki is a great fun tribute act, and impersonates Elvis. Entry is £2 for guests, but members are free.

Saturday October 7th brings another new act: Asa, a solo vocalist performing hits past and present. Members free, guests £2.

Saturday November 18th is karaoke night, with Diane. Entry is free.

Boxing Day afternoon – Andrew and the Disco family time. 2.30pm start, free entry.

We raised £50 from a charity bingo for Bands in the Park.

I am pleased to give you an update about my charity CDs. Sales continue to increase, and we now have £875 collected and paid to the Air Ambulance. I have completed eight recordings with 23 tracks on each. My 9th album is pure rock and roll and is almost complete. Many thanks for your support and comments. The albums are £5 each and all profits go to the Air Ambulance. I am hoping to do a show at the Club, as soon as my friend Henri returns from Portugal. Thanks to my producer, Andy Crump. Andy performs with the rock band “Fifteen English Pounds”. I am hoping to hit the £1000 target by Christmas. If any one would like to donate to this fund, please contact me for the bank details.

We do let out the club (and kitchen) free of charge for functions. Details are available on request.

Details of the Christmas party will be available soon. The winter games will get underway soon, when we represent the Evesham Dominoes League and two shooting teams (Air Gun League, Evesham). Best of luck to you all.

Thank you, Sam Boulter and Committee..

News from your District Councillor & County Councillor Alastair Adams, September 2017

Dear Residents, I hope you had a great summer although the weather in August seems to have been a bit wet! If you have school children, they are either back at school already, or will be very soon. And there is some good news about schools to start this month's report.

School funding in Worcestershire going up!

The Education Secretary announced £2.6 billion in extra school funding over the next two years, including a commitment to raise the per pupil funding of all secondary schools in the UK to £4,800 per year. Schools in Worcestershire have average per pupil funding of £4,319 so this announcement will have a huge and welcome impact in the county.

Improvement funding announced for Worcestershire Hospitals

An extra £29million has been announced for Worcestershire NHS Acute Hospital trust. At the Alexandra in Redditch, the funding is set to improve the operating theatres so that the hospital can be developed into a centre of excellence for planned surgery, as well as provide a new children's outpatient department, women's centre and improved endoscopy facilities. At the Worcestershire Royal, the funding will provide 81 new general and acute beds and increase car parking capacity by 140 spaces.

Riverside Shopping Centre

Contracts have been exchanged for a local property company to purchase the struggling Riverside Shopping Centre ahead of exploring what can be done to bring the town centre asset back to life.

Highways

1. Stratford Road – patching, re-surfacing and new kerbs are completed. Including new tarmac under the Honeybourne railway bridges. A great improvement.
2. Mickleton Rd, Honeybourne – should also be patched and repaired by the time you read this.
3. The broken concrete posts renewed on the raised pavement at the entrance to the High Street, and some metal bars replaced.
4. SLOW signs to be painted on the road in both directions as you enter the railway bridges on Stratford Rd
5. £6m pavement fund – the WCC is finalising which pavements in the area will be re-surfaced. Stratford Road has been flagged as one that needs doing. A reminder has been sent to all Parishes to use their lengthsman to keep weeds and grass off pavements.

As always, if you have any issues on any Highways matters, please report it on the WCC website http://www.worcestershire.gov.uk/homepage/98/report_it Also remember a photo of the Highways problem is as good as “a thousand words” so always take a photo where possible.

Mobile Speed cameras in Station Rd/Buckle Street

Safer Road Partnerships have agreed to put a mobile speed camera on Station Rd – so watch out and drive at the speed limit or you may get a speeding ticket!

Divisional Fund

A request for a grant to help with a new under 11 football team in Honeybourne (called Honeybourne Harriers) which has been started by Matt & Sue Henson. The grant is requested for Football kit & training equipment – Grant of £650 authorised.

Your District & County Councillor, Alastair Adams can be contacted on adams.pebworth@gmail.com or mobile 07725 979 277 or www.alastairadams.org

Honeybourne Wednesday Club

The monthly meeting of the Honeybourne Wednesday met on the 2nd of August. There were only 22 members present, possibly due to the summer holidays.

Birthday cards were given out and the secretary read the minutes of the last meeting. Win circulated, taking names and money for members wanting to go to Coventry on Wednesday 23rd August 2017. There are possibly some spare seats, so if any one is interested please contact Anne Innes (correction from last month as I put Anne's name incorrectly) on 831 681.

Entertainment was Martin from Vale Wild Life in Beckford. Martin gave a very interesting talk about the formation and service they do, accompanied by slides. A vote of thanks was given by Peggy Miller.

Refreshments were then served the raffle drawn and another interesting Wednesday social afternoon was brought to a close.

Some mistakes that I made in the last issue have been brought to my attention: birthday cards to Mrs Jill Ellis and Mrs June Simpson. Sorry ladies that I got your names wrong.

SHORT MAT BOWLS

If you enjoy watching, and perhaps marvelled at the skill of the professionals performing on T.V. why not come along to the Village Hall on Friday evenings (7.30) and have a go yourselves at a somewhat simpler version called Short Mat Bowls.

All equipment is provided the only thing we ask that you wear flat shoes. Trainers etc. are ideal. The cost is £2 per session.

Please note that everyone within the village of Honeybourne should receive the Honeybourne Village News around the last week or weekend of the month. The magazine is available TO PURCHASE from the village shop: Please do not just take a copy as it costs both the shop and the magazine itself money.
