# About VMI

As one of the largest manufacturers of wheelchair van conversions, we take great pride in building leading-edge mobility products that meet the needs of our customers. With a genuine care for the disabled community as the driving force, our goal is to constantly innovate and improve our products and service to anticipate the challenges our customers face.

# Your Independence Is Our Greatest Achievement

While many manufacturers are driven by their bottom line, we are focused on **delivering solutions**. Through more than 25 years of experience in the mobility industry, we have learned that **listening to our customers** is the best way to innovate. By letting our customers help shape our products and service, we know exactly where there is a need and how to meet it. This enables us to constantly improve our processes and products and provide **reliable, easy-to-use mobility solutions that transform lives.**

# Minivan Makes & Models

With a variety of new and used wheelchair vans available, VMI can accommodate almost any wheelchair user. Each one of our wheelchair-accessible vehicles offers flexibility, interior space and reliability. Whether you want more room, style, entertainment features or just a great value, one of our VMI wheelchair vans can provide it.

# VMI's 3 Ramp Conversion Types

## Northstar

### Power In-Floor Ramp

- Ramp is stowed under the floor to allow an unobstructed doorway, more space for wheelchair maneuverability, and a clean, uncluttered interior
- Widest and strongest ramp

## Summit

### Power Fold-Out Ramp

- Traditional fold-out ramp for those who need taller ramp side rails
- Budget-friendly alternative for those needing a full-power conversion

## Northstar E

### Manual In-Floor Ramp Designed for Caregivers!

- Easy manual ramp operation
- Optional mid-row seating and removable passenger seat allows caregiver to sit by wheelchair user
- Low cost & minimal maintenance

## Dealer Network
