CEO Message

Honesty, Dedication, Hard work and True Commitment towards our work is the key to success. We should be passionate and fully accountable about putting our customer first and delivering outstanding services with the highest of ethical standards.

Honesty, integrity and truth worthiness, while they may be hard to measure but these qualities are priceless and when it comes to our customers they are having confidence in what we do and how we do it.

CEO - HMA Cranes

About Us

We, Haji Muhammad Aslam & Sons (**HMA**) come to you with a multiple experience over the period of 3 decades i.e. since 1978, with our unique strength of technical expertise for the remarkable performance services you need in the rigging sector as **HMA** is pioneer in the rigging industry. Although our start was novice but due to our quality of work we are incorporated to be a market leader with the name; HAJI MOHAMMAD ASLAM & SONS CRANAGE (Pvt.) Ltd. **HMA** is marketing **Allah Maalik** since then.

Our firm position in the rigging market has forced us to establish our branch network in all major cities of Pakistan like Karachi, Islamabad, Faisalabad, Multan, Lahore & Sialkot. For maintaining our marketing standards we around the clock try our level best to achieve our targets up to the optimum satisfaction of our clients.

Ever since launching **HMA**; our foremost priority is to achieve entire satisfaction of our clients on the basis of our honesty, sincerity, hard work and in-time job execution with highly equipped machinery such as:

- A Large Fleet Of Cranes,
Both Mechanical and Hydraulic, With Capacity Ranging From 05 Tons To 310 Tons and Top Lifters
- Fork Lifters Long Vehicles
- High/Low Bed Trailers
- Dumper Trucks
- Excavators
- Loaders
- Graders
- Road Rollers
- Vibratory Rollers and Compactors.

Since 1994, **HMA** is operating a weighbridge at Lahore Mughalpura Dry Port on its annual weightment of 1740 on behalf of its vast experienced operators. **HMA** owns a sound history of operating weighbridges in Punjab.

Despite our remarkable quality work performance, **HMA** has a highly equipped laboratory where a team of technical / mechanical staff around the clock, ready to develop further improvement in updation of machinery to maintain the trust of **HMA** in the market.

Our Vision

At HMA Cranes want to see ourselves as a market leader in Cranes locally, with state of the art latest products and a friendly and responsive after sales services.

Our Mission

Our Mission at HMA Cranes is to be a role model to all the service provider companies in Pakistan. In terms of Infrastructure, marketing and after sales.

Health & Safety Policy

Our company deals solely with the Health & Safety plan. We check our sites regularly in order to make sure that there must be no accident complain. We have also hired security companies to maintain security of our sites and equipments.

HMA primarily deals in:

Cranage Services for Construction & Erection of Plants:

HMA is the main contractor for a number of projects in the Government, semi-Government Organizations and private sector during the period above than 3.5 decades of Cranage services and have actively participated in development of the country.

Specialized in Container Handling at Dry Ports & Sea Port

HMA stands the pioneer in introducing the modern equipment & machines for material handling at dry ports and sea port in private sector. The use of modern equipment and machines equipped with latest hydraulic and electronic technology, made possible to handle the cargo at dry ports and sea port efficiently & according to safety standards.

HMA has an experience of about three decades of cargo handling at dry ports and sea port. **HMA** has been providing cargo handling services at dry ports including Karachi Port Trust, Faisalabad Dry Port Trust, Railway Dry Port Lahore, Sambrial Dry Port, NLC Dry Port Lahore, Rawalpindi Dry Port

HMA has the honor of setting the standards in ports business and giving new ideas of cargo handling by using latest technology of equipment & machines.

HMA also deals in:

- Transoms Loading unloading & transportation.
- Fabrication, Erection of steel structures.
- 'Bonded Carrier 'services to the shipping lines/companies, importers and Clearing / Forwarding agents at Karachi, Lahore, Faisalabad and Rawalpindi.
