HLF 3600 Fresh

Fresh Coffee Beans, Fresh Milk and Hot Chocolate

Introducing the HLF 3600. Modern technology meets classic style in this excellent bean to cup coffee machine. The 3600 utilises fresh ingredients for the best possible coffees, plus with 2 internal powder canisters it can also serve hot chocolate and mocha. This flexible functionality allows the customer to choose from 12 different drinks. The touch panel and LCD screen make all of these options available at the touch of a button.
