

# STEPHENSON HALLIDAY

Planning, Landscape & Environment

## Landscape Architect Glasgow

We are seeking a Landscape Architect to join our busy Glasgow team. We are interested in hearing from candidates who have recently graduated through to those with 4-5 years of experience.

Established in 2001, Stephenson Halliday provide planning, landscape, EIA and project management services across the UK. Our bespoke and collaborative approach harnesses the expertise and enthusiasm of our staff, clients and other trusted partners and delivers successful project outcomes in the energy, minerals, waste, infrastructure, residential, commercial property and tourism sectors.

We'd like to hear from people who are organised, dynamic and creative with strong written and graphic skills and who enjoy a diverse project workload and problem-solving. Previous landscape planning experience - in particular of LVIA, and a level of proficiency with InDesign, Photoshop, AutoCAD and GIS would be advantageous, but full training and support will be provided to enable you to flourish in your career with us.

We will provide you with the opportunity to work within a supportive, friendly workplace where we know that by looking after our employees through supporting their career and respecting their family life, they will in turn look after our clients and strive to achieve excellence.

If you like the sound of this, along with a competitive salary package, then please email a covering letter, CV & work examples to:
