

The Counseling Center at Jewish Collaborative Services is looking for a Part-Time Licensed Independent Clinical Social Worker (LICSW) to provide psychotherapy to children, adolescents and adults. This position will help us to expand our experienced clinical team. We serve clients of all faiths and provide a warm and welcoming environment in our beautiful, new office in Providence. Benefits are provided for this position. Ongoing supervision is provided by a full-time clinical supervisor. There are opportunities for training and professional growth. Clinician will provide assessments and ongoing psychotherapy to assigned clients in the Counseling Center at JCS and be responsible for timely completion of paperwork. Schedule offers some flexibility during the day but includes at least one evening per week. JCS is also seeking Fee For Service Clinicians. Master of Social Work or equivalent counseling degree is required, LICSW required. Experience working with children and families a plus. Please send resume to janelle@jfsri.org. EOE.
