PRODUCT THUMBNAILS

PRODUCT DESCRIPTION

The Excel Cabinet is both practical and sturdy. The parallel extending front door gives complete stability and safety in operation and eliminates the need for anti-tilt feet.

FEATURES

- Fully Locking
- Special anti-tilt function
- Multi-prong system 60mm
- Colour options
- 1 finger operation (easy to use)

BENEFITS

- Optimising storage space
- Overlapping lid (sprinkler proof)
- No need to fix to floor
- Document retrieval
- Unique design
