## Fabrics

Fortis fabric has been constructed to a high specification and is the practical choice for your workwear needs. Made from 65% Polyester / 35% Cotton, this material is hard wearing and offers maximum comfort. Weight 245g and 300g.

Fortis Plus fabric is designed to withstand the rigours of today's modern industrial laundries. Specially constructed with 65% Polyester / 35% Cotton, this unique fabric offers greater durability, superior protective qualities and excellent wearer comfort in all conditions. Weight 190g and 245g.

## Symbols

Carton

This indicates how many products are packed per carton. All Portwest products are sold one size and one colour per carton.

Retail Merchandised Bag

This packaging aids product presentation for retail sales. All other styles are packed in flat-pack plastic bags to keep items clean. All products have barcodes.

Knee Pad Pockets

Some of Portwest's products incorporate knee pad pockets. These garments have been developed to carry Portwest ergonomically designed knee pads.

Mobile Phone Pocket

A mobile phone pocket is included in the garments which carry this symbol.
