

CENTAUR IN NUMBERS

CENTAUR
ACCOUNTABILITY COUNTS

Centaur, the specialist fund administration group is one of the fastest growing firms in the industry. By following a successful growth strategy, Centaur continues to increase its product offering and expand its global footprint.

75% INCREASE IN ASSETS UNDER ADMINISTRATION IN THE LAST 12 MONTHS	300% GROWTH IN DEPOSITARY ASSETS OVER THE PAST 2 YEARS
NINE LOCATIONS GLOBALLY SPANNING TWO CONTINENTS	100% CLIENT RETENTION SINCE CENTAUR'S INCEPTION 10 YEARS AGO
50% INCREASE IN NUMBER OF CLIENTS IN THE LAST 12 MONTHS	40% INCREASE IN NUMBER OF STAFF IN THE LAST 12 MONTHS

RAPID GROWTH BASED ON CLIENT-FOCUSED SERVICE

The success of Centaur's strategy can be seen in the growth of its client base. Over the past three years, Centaur has added significant new business, increasing assets under administration by over 300%. Most impressively of all, the firm has retained every client over its ten years of business.

FULL CLIENT RETENTION

Centaur's client base grew by 50% over the past twelve months, from 40 to over 60 clients. These clients include hedge fund, private equity and ILS managers. Ensuring a quality client experience is part of Centaur's DNA and the firm works hard to build a client first culture throughout the firm. This is why Centaur scored 93% for "extremely satisfied" in its 2017 Client Satisfaction survey.

CONSTANT INNOVATION

Technological capabilities are considered as important as accounting capabilities for Centaur. Continual investment in technology provides a safe and secure environment for client data, backed by partnerships with the best technology firms the industry has to offer. All systems are continuously tested for vulnerabilities and alerts.

RAPID GROWTH IN AUA AND DEPOSITARY ASSETS

In the last 12 months, Centaur added significant new business with its assets under administration passing \$35 billion and assets under depositary exceeding \$6 billion.

SEAMLESS TRANSITION SERVICES

Centaur's Transition Services are respected throughout the industry. Centaur has successfully transitioned funds of all sizes that choose Centaur for its superior service and the peace of mind this brings.
