Avengers 4 Post Credit Scene Theory Some interesting thoughts in this video. Have a watch. Let us know what you think in the comments! Some of the wilder theories from the internet and not necessarily this video, "The movie will probably touch on Fury using the Kree blood as a way to bring back a fallen Avenger. Agents of Shield used the kree to bring Coulson back from death and it's kind of amazing now that this movie can pay off how Fury got that idea in the first place. [32 more words]

Captain Marvel Trailer Two is here people. Its Awesome I'm sure you will agree. So much to talk about. We get a hint of Carol Danvers's power levels in this trailer. I understand that everybody has a different opinion about this, but it's undeniable that she is amazingly powerful and seems to have a real strength. How she got her powers, how despite being from Earth she is now referred to as a Kree. [288 more words]
