SYMMETRICAL PATTERN

With Aura we have evolved from a single slab design to an endless symmetrical pattern. With 8 unique designs we can reproduce matching compositions that allow continuous vein matching from slab to slab.

There are 2 possible ways to order Aura:

Regular Aura slabs. You will receive a random pattern and the slabs are available in our warehouse.

Book and Vein matched Aura slabs. These slabs are available on demand and will be stocked at our HUB facilities.

Aura is matched vertically and horizontally; we have a system with letters and numbers so you can select the pattern that better fits your needs. Notice that you can choose different combinations depending on the amount of vein you like in your design. You may also choose from vertical or horizontal matching as well as traditional mirror bookmatching effect or vein matching.

Aura 15 book match will take 3-4 weeks from order

("the Company") registered at Unit 10 Bartley Point, Osborn Way RG27 9GX, Hook, Hampshire and the person, firm or company who accepts the quotation from the Company for the sale of the goods or whose order of the goods is accepted by the Company ("the Customer") shall be governed exclusively by these terms and conditions of sale. No variation or addition to these conditions shall be binding unless agreed in writing by the authorised representatives of the Company.

ORDERS AND SPECIFICATIONS

These are supplied clamped, stopped or reinforced where necessary and no claim on this account can be made. b) When samples of natural stone have been submitted, identical resemblance of the product supplied to the sample cannot be guaranteed. c) Any descriptions of material offered are for guidance only and do not imply suitability for any particular purpose. d) All thicknesses quoted are nominal and no liability is accepted for reasonable variations of whatsoever nature.

Any alterations the Customer makes after templates have been made may be subject to an extra charge.

PAYMENT CONDITIONS

The Company reserves the right to charge interest at the legal rate in force per month on unpaid balances (whether before or after any judgment).

DELIVERY OF GOODS

Delivery of goods shall be upon physical delivery by the Company or collection by the Customer or authorised agent from the Company. Any dates quoted for delivery of the goods are approximate only and the Company shall not be liable for any delay in delivery of goods howsoever caused. The Company will endeavor to fulfill its agreed commitments to its Customers, however due to the vagaries of the availability of materials used the Company can only offer an expected time. Time for delivery shall not be of the essence of the contract unless expressly agreed by the Company in writing.

The Company shall not accept any return once the Customer has signed the POD without prejudice of those situations regulated in other provisions of these general conditions.

Notwithstanding any other provision of these conditions, the property in the goods shall not pass to the Customer until The Company has received full payment for the goods. Until such time, as the property in the goods passes to the Customer (and provided the goods are still in existence and have not been re-sold), the Company shall be entitled at any time to require the Customer to deliver up the goods to the Company, and if the Customer fails to do so forthwith, to enter upon any premises of the Customer or any third party where the goods are stored and repossess the goods. If the Customer shall have resold the goods, the proceeds of such sale shall be held by the Customer as trustee for and to the account of the Company.

If delivery is not refused, and the Customer does not notify the Company accordingly, the Customer shall be entitled to reject the goods and the Company shall have no liability for such defect or failure, and the Customer shall be bound to pay the price as if the goods had been delivered in accordance with the contract.
