

WISH LIST

—HIP TO BE SQUARE—

The latest timepiece from Backes and Strauss, Royal Berkeley Emperor Tourbillon, is an ode to Berkeley Square. An impressive 1,080 diamonds bejewel this timepiece in a bespoke cut that mirrors the case in the form of Berkeley Square. A hand-winding skeleton tourbillon movement has been hand-crafted especially for this watch. This timely reinterpretation of the London square is as architecturally sound as it is extraordinary.

22 Grosvenor Street, POA

—OCEAN DRIVE—

Measuring an extraordinary 107.4m, the *Ulysses* yacht is a thing of wonder. Accommodating 30 guests within its 15 cabins, this is one boat party you won't want to miss. The interior is decked out like a high-end hotel, with an industrial kitchen, lounge areas, car park, billiard room, indoor and outdoor dining rooms and even a swimming pool and jacuzzis.
