ordering information and instructions

Prices

All prices herein are delivered list prices. The terms and prices in this price list supersedes all other published price lists. Prices cover standard product only. Charges for additional changes to standard product will be quoted separately upon request. Jasper Desk reserves the right to change prices and specifications without prior notice. Prices herein are domestic prices only for shipment within the 48 contiguous states of the United States.

Terms

Standard terms are 1% 15, net 30 days from date of invoice. Delinquent accounts may incur finance charges.

Ordering Information

Authorized Jasper Desk dealers may order by phone, mail, or fax. Phone orders require confirmation by written order.

Orders should be placed with: Jasper Desk Company, Inc.
225 Clay Street
Jasper, IN 47546
812.482.4132 PHONE
812.482.9552 FAX
800.365.7994 TOLL FREE

Acknowledgements

All orders will be acknowledged promptly showing how the order was entered, its approximate shipping time, and other pertinent information. Please examine all acknowledgements carefully and notify Jasper Desk immediately of any discrepancies. Jasper Desk will not be responsible for errors made on orders placed by phone without written confirmation.

Changes/Cancellations

All orders are acknowledged and are considered firm orders and therefore are not subject to change or cancellation. In the event that Jasper Desk agrees to accept a change/cancellation request prior to final production, a change/cancellation fee will be charged. Product(s) of special construction or with special finish are non-cancelable once production has begun.

Shipping Schedule

Jasper Desk is committed to the most prompt shipment possible of all of its products. Every effort is made to ship as acknowledged, however, the acknowledged ship date is approximate. We will generally ship within (5) working days of the acknowledged ship date. If a firm ship date is necessary, please let us know and we will do all we can to meet your request.

Availability

Standard products are available on a made-to-order basis, normally 6 weeks or sooner. Consult Customer Service for availability.

Products from Jasper Desk's Quickship Program are available within 10 working days from receipt of a clean, credit approved order. Large quantities may be subject to additional lead time. Quickship orders must be identified with "QS" behind model numbers in order to receive Quickship lead times.

Special Orders

Jasper Desk is among the most flexible in the industry in accommodating specialized product requirements. Should a particular need arise requiring special finish, size modification, or customization of product, contact Customer Service for quotation and lead time. Custom orders are generally shipped within 6-8 weeks. Special orders are not subject to cancellation.

Shipping - Carrier/Routing

Jasper Desk will reserve the right to select the carrier and routing, but will attempt to accommodate special requests.

Delivery and Freight Charges

Delivered pricing is dock-to-dock and does not include inside delivery or installation. All shipments must be F.O.B. point of origin, freight prepaid and allowed, to one destination within the 48 contiguous states of the United States. Shipments outside the 48 contiguous states are prepaid and allowed to port of exit. Any charges arising from failure to meet a shipment, rerouting while in transit, or carrier storage charges are not included in the pricing shown. Charges resulting from late deliveries beyond our control are not the responsibility of Jasper Desk.

Small parts orders will be shipped via UPS. On all other orders, the following minimum poundage charges apply per order.

For shipments into the states of California, Oregon, Washington, Arizona, Nevada, Idaho:

Under 2,000 lbs.....\$250.00 Net
2,000 lbs. and above.....No minimum poundage charge

For shipments into all other states excluding Alaska and Hawaii:

Under 500 lbs.....\$90.00 Net
500 lbs. and above.....No minimum poundage charge

Damaged Merchandise/Concealed Damage

All Jasper Desk products are shipped with the finest packing and cartoning, and our freight damage rate is among the lowest in the industry. Only furniture specialist carriers are used and all units are carefully inspected prior to shipment. Jasper Desk's liability for damages ceases upon receipt by the delivering carrier.

If a shipment is damaged in transit the following steps must be taken:

1. Before signing for the merchandise, make careful notation of all damages on the bill of lading and freight bill then contact factory for instruction.
2. You must file a claim with the carrier within 15 days of receipt of the shipment. Contact the carrier and request an inspection by an agent. This must be done within 15 days of delivery or the carrier will not entertain a total loss or damage claim
3. All shipping cartons must be retained for inspection by the carrier agent. Do not move items from the receiving location.
4. Contact Jasper Desk's Customer Service for an accurate estimate of replacement components, repair costs, or net cost on total loss.
5. On concealed damages the same steps should be followed. Failure to retain original cartons will result in claim denial.

Will-Call Orders

Will-Call Orders must be inspected by the customer's personnel and checked for damage. A signed Bill of Lading will be proof that the merchandise was received in good condition. If an inspection is not performed, the customer shall have no recourse for recovery of damages at a later date.

Manufacturing Defects

Claims of manufacturing defects will not be entertained without prior inspection by a Jasper Desk representative. Unauthorized deduction in payment of invoices will not be allowed.

Returns

Returns must be authorized in writing by Customer Service. Any return of product not authorized will not be accepted. If the customer orders merchandise incorrectly, we will consider a Returned Goods Authorization providing the unit has not been removed from its original factory cartoning. If authorized, the customer will be required to pay all freight expenses incurred plus a 50% restocking fee. Any products of a specialized nature may not be returned due to ordering errors.

Repair Charges

Authorization must be secured from Customer Service prior to incurring repair charges if Jasper Desk is expected to pay such charges.

Shortages

If the shipment is not delivered in accordance with the quantity of cartons and packages as shown on the Bill of Lading, do not accept it until such shortages are noted on the Bill of Lading.

Specification Changes

We reserve the right to change without notice any dimension, style or specifications of any model in Jasper Desk's product line. Dimensions shown in the price list are as accurate as possible. Actual sizes may vary up to 1" width, depth or height.

Packing and Cartoning

Jasper Desk uses the finest packing and cartoning. For special packing and cartoning requirements, contact Customer Service.

Selling Information

Possession of this price list does not in itself constitute an offer to sell. Orders can be received only from authorized Jasper Desk dealers.

warranty

Jasper Desk warrants its products to be free from defects in materials and workmanship given normal use and proper care, for a period of ten (10) years of single shift service.

Electrical components, pneumatic lifts and casters are warranted to be free from defects in materials and workmanship for the following periods of time from date of initial shipment.

Electrical components - two (2) years
Pneumatic lifts and casters - three (3) years

This warranty applies to all product manufactured December 1, 1995, and thereafter.

Jasper Desk tenders this warranty only to original purchasers acquiring our products through those parties specifically authorized by Jasper Desk to sell our product.

Repair and/or replacement, at our option, will be made on any part or parts found to be defective within the terms of the warranty.

This warranty does not cover:

- damage(s) caused by a transportation company.
- damage(s) resulting from user modification, alterations, misuse, abuse or negligent use of our product.
- natural variations in color, grain, or texture of wood and other covering materials which Jasper Desk has no control
- wearing or cuts to covering materials

Jasper Desk does not make any other warranties except as expressly set forth above, either express or implied, including any warranty of merchantability or fitness for any particular purpose, Jasper Desk shall not be liable for consequential or incidental damages under this warranty.

Further, Jasper Desk makes no warranties, express or implied, for improper assembly and/or installation of its products.

KEY: H HIGH PRESSURE LAMINATE TOP (HPL) AVAILABLE AT NO UP-CHARGE

CUSTOM FINISHES

Requests for custom finish matches are welcomed on any Jasper Desk product. Please submit at least a 3" x 3" sample to the factory. Jasper Desk will supply a factory match sample for customer approval. There is a one time charge of \$298 list per order for any non-standard wood finish.

Because wood is a natural material, standard and custom finishes will exhibit some variation in grain and character.

CONNECT SERIES

CONNECT SERIES

Laminate

All chassis part surfaces are thermally fused melamine and have a PVC band where levelers are located.

Laminate Tops

Tops are 1 3/16" thick and feature a .050 thickness high pressure face to maximize durability. Edges feature 3/32 PVC external band and available in two different profile options.

End Panels

All panels are 3-ply balanced construction. Wing end panels feature adjustable levelers.

Modesty Panel

Panels are 3/4" thick, 3-ply balanced construction.

Drawers

Drawer side material is 3 ply 12mm vinyl wrapped particleboard with miterfold construction. Drawers are constructed with an attached drawer front.

Hardware

Drawer Suspensions - All drawers utilize "A" grade heavy duty 100% full extension metal ball bearing slide for smooth operation. Box drawers are rated for 75 lbs and file drawers are rated at 100lbs. Lateral file drawers are rated at 150 lbs.

Locks

Desk locks use pedestal locking. Individual pieces are shipped random keyed. Units may be keyed alike upon special request. Lateral files are central locking as standard and feature an anti-tip mechanism that prevents more than one drawer from being opened at a time. Locks are optional in credenza pedestals and doors and returns.

Drawer Pulls

Three sizes of Aluminum Bar pull available

Wire Management - Black rectangular grommets are standard on all returns, bridge and corner worksurfaces. Black wire access grommets are standard on all hutches and highback organizers.

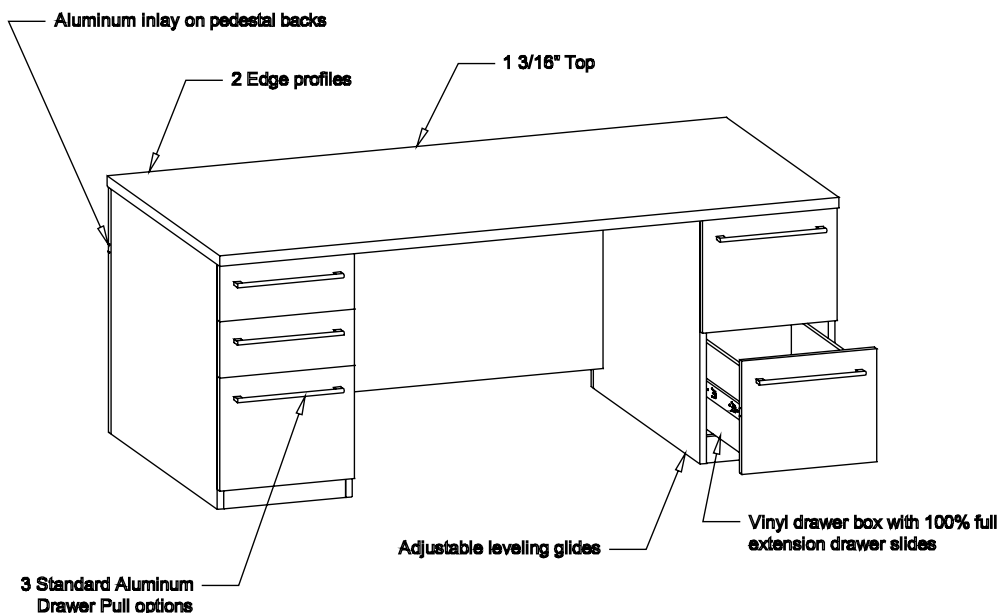

Chassis Construction

Construction technique is dowel construction and reinforced with screws and wood and metal fasteners.

Filing

File drawers use an easily adjustable filing system which can be positioned to accommodate letter or legal filing.

**The finishes shown on this page have been reproduced as accurately as possible, however, due to the printing process some finishes may vary slightly from the actual finish samples originally photographed. In addition, due to the nature of wood, it is possible that some slight variations in color and grain character may occur naturally (which is the beauty of a natural product). Wood finish chips are available for each of the above finishes if requested (please call customer service).

CONNECTION SERIES

Warranty and Certification

All products listed are warranted against defects of material and workmanship under normal use and service for a minimum of 10 years from the date of installation (see full warranty information). All products listed are Level 2 BIFMA certified.

Veneer

Veneer on all exposed surfaces is American Black Walnut, Cherry, or Maple. Outside surface veneers are book matched to provide proper grain consistency and uniform grain appearance. Drawer fronts are vertical grain cherry, maple, or walnut veneers and matched in selected sets to ensure proper veneer balance and uniform grain appearance. Double Cut veneer is also available with a 10% upcharge.

Wood Veneer Tops

1 3/16" thick tops utilizing 3-ply construction with solid cherry, maple or walnut wood band edging, shaped with five edge details. Both user side and approach side tops are shaped with the selected edge detail on 30", 36" and 42" depth tops. 24" depth tops are shaped on user side only unless otherwise noted. Top cores are high density particle board or fiber board dependent upon the application. Cherry, maple, oak or walnut veneer tops are standard. High pressure laminate tops are optional, with many standard finishes having matching laminate tops available (call customer service for options).

Modesty Panels and End Panels

End panels are 29/32" thick with a 3-ply construction with a black PVC band along top edge and a solid lumber band on the bottom edge of the panel to prevent tear out. Modesty panels are 3/4" thick, 3-ply construction. All veneers are vertical grain cherry, maple, oak or walnut veneers matched to ensure proper veneer balance, provide proper grain consistency and uniform grain appearance. Full modesty panels are standard for desk, bridge, and kneespace credenzas with optional half modesty options available.

Drawers

Drawer fronts are 3-ply hardwood construction, 3/4" thick with book matched veneers to provide proper grain consistency and uniform grain appearance. All drawers utilize five sided drawer construction. Drawer side material is 3 ply 12mm vinyl wrapped particleboard with miterfold construction. Drawers are constructed with an attached drawer front.

Doors

Doors are 3/4" thick 3-ply construction with vertical grain cherry, maple or walnut veneers and matched in selected sets to ensure proper veneer balance and uniform grain appearance. European style hidden hinges are used on all doors. Tempered glass conforming to ASTM C 1048 is used in all glass doors.

Shelves

Shelves are 3-ply construction with a 1/4" cherry, maple, oak or walnut rim on the front edge. All shelves are full depth of the interior compartment unless specified otherwise. Faces are book matched walnut, cherry or oak veneer. Hutch shelves are cherry, maple, oak or walnut faced on both sides. A minimum of one adjustable or fixed shelf is provided with each cabinet storage unit (see individual unit for details). Adjustable shelves are provided with metal adjustable shelf hardware supports.

Bases

Height adjustable leveling glides are mounted in each corner with a threaded metal insert capped with a nylon glide that is height adjustable to approx. 1 1/2" to ensure proper leveling of the unit to varying floor conditions.

Hardware

Drawer Suspensions – File, box, pencil and center drawers utilize steel "A" grade heavy duty metal slides for smooth operation. All pedestal drawers have 100 % full extension slides. All suspension systems feature positive and cushioned in/out stops. All box, center, and tray drawers are removable without tools and the suspensions are designed to prevent accidental removal.

Locks – All desks and credenzas utilize pedestal locking. Lateral files are keyed as standard and feature central locking with anti-tip drawer interlock systems. Individual pieces are shipped random keyed. Units may be keyed alike upon special request. A minimum of fifty key changes (numbers) are available. Core lock changes are available (contact customer service)

Drawer Pulls – Three drawer pull options are available in aluminum finish.

Hinges – European style hidden hinges on all hinged doors.

Wire Management – Black wire management grommets are standard on all returns and bridge work surfaces located in back center of the tops. Black wire management access grommets are standard on all credenzas, hutches, overhead storage units and computer tables located in back panel. Optional additional black wire management grommets, wall access cut-outs, wiring harness and wiring channels along with integrated cable management to conceal power and data cords are also available. Optional data ports accessible at work surface height (see accessories).

Chassis Construction

Construction technique is dowel construction and heavily glue blocked with hardwood cleats for maximum strength.

Filing

File drawers use an easily adjustable filing rail system which can be positioned to accommodate front to back or side to side letter or legal filing.

Finish

All exposed surfaces are finished with a UV inhibitor catalyzed varnish finish to ensure maximum durability, chemical resistance, color retention and clarity. All exterior surfaces are finished in the following multi-step sequence: sap stain, NGR stain, wash coat, wash coat sand, filler spray, filler wipe, sealer spray, sealer sand, varnish spray, varnish sand, varnish spray. Moisture content for all wooden parts is between 5 - 9% prior to sealing. Drawer interiors and exteriors are UV prefinished with sealer, sealer sand, and varnished. Custom finish matches are available, contact customer service for request

Ordering Information

Use the following steps to correctly place your order:

- 1) Determine the correct model number for the item you are selecting - example:
9000FR7236 = Double pedestal desk, 36" x 72" x 30"H
- 2) Determine the proper finish selection for the item - example:
9000FR7236-CC = Double pedestal desk, 36" x 72" x 30"H, in Crescent Cherry
- 3) Determine the edge profile you may wish for the item - example:
9000FR7236-CC-B = Double pedestal desk, 36" x 72" x 30"H, in Crescent Cherry finish, with Kerf edge detail
- 4) Determine any additional options you may wish for the item - example:
9000FR7236-CC-B-ABS = Double pedestal desk, 36" x 72" x 30"H, in Crescent Cherry, with Kerf edge detail, with Aluminum Bar - Short pulls

**The finishes shown on this page have been reproduced as accurately as possible, however, due to the printing process some finishes may vary slightly from the actual finish samples originally photographed. In addition, due to the nature of wood, it is possible that some slight variations in color and grain character may occur naturally (which is the beauty of a natural product). Wood finish chips are available for each of the above finishes if requested (please call customer service).

A LA CARTE SERIES

Warranty and Certification

All products listed are warranted against defects of material and workmanship under normal use and service for a minimum of 10 years from the date of installation (see full warranty information). All products listed are Level 2 BIFMA certified.

Veneer

Veneer on all exposed surfaces is American Black Walnut, Cherry, Oak or Maple. Outside surface veneers are book matched to provide proper grain consistency and uniform grain appearance. Drawer fronts are vertical grain cherry, maple, oak or walnut veneers and matched in selected sets to ensure proper veneer balance and uniform grain appearance.

Wood Veneer Tops

1 3/16" thick tops utilizing 3-ply construction with solid cherry, maple, oak or walnut wood band edging, shaped with five edge details. Both user side and approach side tops are shaped with the selected edge detail on 30", 36" and 42" depth tops. 24" depth tops are shaped on user side only unless otherwise noted. Top cores are high density particle board or fiberboard dependent upon the application. Cherry, maple, oak or walnut veneer tops are standard. High pressure laminate tops are optional, with many standard finishes having matching laminate tops available (call customer service for options).

Modesty Panels and End Panels

End panels are 29/32" thick with a 3-ply construction with a black PVC band along top edge and a solid lumber band on the bottom edge of the panel to prevent tear out. Modesty panels are 3/4" thick, 3-ply construction. All veneers are vertical grain cherry, maple, oak or walnut veneers matched to ensure proper veneer balance, provide proper grain consistency and uniform grain appearance. Full modesty panels are standard for desk, bridge, and kneespace credenzas with optional half modesty options available.

Drawers

Drawer sides and backs are wood, 7/16" thick. Drawer fronts are 3-ply hardwood construction, 3/4" thick with book matched veneers to provide proper grain consistency and uniform grain appearance. All drawers utilize five sided drawer construction. Drawers are assembled with dovetail construction in all four corners. Drawer bottoms are 7/32" 3-ply hardwood dado construction.

Doors

Doors are 3/4" thick 3-ply construction with vertical grain cherry, maple or walnut veneers and matched in selected sets to ensure proper veneer balance and uniform grain appearance. European style hidden hinges are used on all doors. Tempered glass conforming to ASTM C 1048 is used in all glass doors.

Shelves

Shelves are 3-ply construction with a 1/4" cherry, maple, oak or walnut rim on the front edge. All shelves are full depth of the interior compartment unless specified otherwise. Faces are book matched walnut, cherry or oak veneer. Hutch shelves are cherry, maple, oak or walnut faced on both sides. A minimum of one adjustable or fixed shelf is provided with each cabinet storage unit (see individual unit for details). Adjustable shelves are provided with metal adjustable shelf hardware supports.

Bases

Height adjustable leveling glides are mounted in each corner with a threaded metal insert capped with a nylon glide that is height adjustable to approx. 1 1/2" to ensure proper leveling of the unit to varying floor conditions.

Hardware

Drawer Suspensions – File, box, pencil and center drawers utilize steel "A" grade heavy duty metal slides for smooth operation. All pedestal drawers have 100 % full extension slides. All suspension systems feature positive and cushioned in/out stops. All box, center, and tray drawers are removable without tools and the suspensions are designed to prevent accidental removal.

Locks – All desks and credenzas utilize pedestal locking. Lateral files are keyed as standard and feature central locking with anti-tip drawer interlock systems. Individual pieces are shipped random keyed. Units may be keyed alike upon special request. A minimum of fifty key changes (numbers) are available. Core lock changes are available (contact customer service)

Drawer Pulls – Four drawer pull options are available in black or nickel finish and one drawer pull option is available in brass (see attached for details).

Hinges – European style hidden hinges on all hinged doors.

Wire Management – Black wire management grommets are standard on all returns and bridge work surfaces located in back center of the tops. Black wire management access grommets are standard on all credenzas, hutches, overhead storage units and computer tables located in back panel. Optional additional black wire management grommets, wall access cut-outs, wiring harness and wiring channels along with integrated cable management to conceal power and data cords are also available. Optional data ports accessible at work surface height (see accessories).

Chassis Construction

Construction technique is mortise and tenon, groove and tenon, heavily glue blocked with hardwood cleats for maximum strength.

Filing

File drawers use an easily adjustable filing rail system which can be positioned to accommodate front to back or side to side letter or legal filing.

Finish

All exposed surfaces are finished with a UV inhibitor catalyzed varnish finish to ensure maximum durability, chemical resistance, color retention and clarity. All exterior surfaces are finished in the following multi-step sequence: sap stain, NGR stain, wash coat, wash coat sand, filler spray, filler wipe, sealer spray, sealer sand, varnish spray, varnish sand, varnish spray. Moisture content for all wooden parts is between 5 - 9% prior to sealing. Drawer interiors and exteriors are UV prefinished with sealer, sealer sand, and varnished. Custom finish matches are available, contact customer service for request

Ordering Information

Use the following steps to correctly place your order:

- 1) Determine the correct model number for the item you are selecting - example:
200FR7236SB = Double pedestal desk, 36" x 72" x 30"H
- 2) Determine the proper finish selection for the item - example:
200FR7236SB-CC = Double pedestal desk, 36" x 72" x 30"H, in Crescent Cherry
- 3) Determine the edge profile you may wish for the item - example:
200FR7236SB-CC-D = Double pedestal desk, 36" x 72" x 30"H, in Crescent Cherry finish, with Reeded edge detail
- 4) Determine any additional options you may wish for the item - example:
200FR7236SB-CC-D-AN = Double pedestal desk, 36" x 72" x 30"H, in Crescent Cherry, with Reeded edge detail, with Arc Nickel pulls

Standard Profile Options

Square - A

Kerf - B

Tri-Oval - C

Reeded - D

Classic - E

Standard Pull Options

LB - Bar Black

AB - Arc Black

CB - Crescent Black

JB - Wave Black

KB - Classic Brass

LN - Bar Nickel

AN - Arc Nickel

CN - Crescent Nickel

JN - Wave Nickel

**The finishes shown on this page have been reproduced as accurately as possible, however, due to the printing process some finishes may vary slightly from the actual finish samples originally photographed. In addition, due to the nature of wood, it is possible that some slight variations in color and grain character may occur naturally (which is the beauty of a natural product). Wood finish chips are available for each of the above finishes if requested (please call customer service).

BASICS 3 SERIES

Warranty and Certification

All products listed are warranted against defects of material and workmanship under normal use and service for a minimum of 10 years from the date of installation (see full warranty information). All products listed are Level 2 BIFMA certified.

Veneer

Veneer on all exposed surfaces is American Black Walnut, Cherry or Maple. Outside surface veneers are book matched to provide proper grain consistency and uniform grain appearance. Drawer fronts are vertical grain cherry, maple or walnut veneers and matched in selected sets to ensure proper veneer balance and uniform grain appearance.

Wood Veneer Tops

1 3/16" thick tops utilizing 3-ply construction, shaped with six edge details. Top cores are high density fiberboard. Cherry, maple or walnut veneer tops are standard. High pressure laminate tops are optional, with many standard finishes having matching laminate tops available (call customer service for options).

Modesty Panels and End Panels

End panels are 29/32" thick with a 3-ply construction and a solid lumber band on the bottom edge of the panel to prevent tear out. Modesty panels are 3/4" thick, 3-ply construction. All veneers are vertical grain cherry, maple or walnut veneers matched to ensure proper veneer balance, provide proper grain consistency and uniform grain appearance. Full modesty panels are standard for desk, bridge, and kneespace credenzas with optional half modesty options available.

Drawers

Drawer sides and backs are vinyl wrapped, 7/16" thick. Drawer fronts are 3-ply hardwood construction, 3/4" thick with book matched veneers to provide proper grain consistency and uniform grain appearance. All drawers utilize five sided drawer construction. Drawers are assembled with dovetail construction in all four corners. Drawer bottoms are 7/32" 3-ply hardwood dado construction.

Doors

Doors are 3/4" thick 3-ply construction with vertical grain cherry, maple or walnut veneers and matched in selected sets to ensure proper veneer balance and uniform grain appearance. European style hidden hinges are used on all doors. Tempered glass conforming to ASTM C 1048 is used in all glass doors.

Shelves

Shelves are 3-ply construction with a 1/4" cherry, maple or walnut rim on the front edge. All shelves are full depth of the interior compartment unless specified otherwise. Faces are book matched cherry, maple or walnut veneer. Hutch shelves are cherry, maple or walnut faced on both sides. A minimum of one adjustable or fixed shelf is provided with each cabinet storage unit (see individual unit for details). Adjustable shelves are provided with metal adjustable shelf hardware supports.

Bases

Height adjustable leveling glides are mounted in each corner with a threaded metal insert capped with a nylon glide that is height adjustable to approx. 1 1/2" to ensure proper leveling of the unit to varying floor conditions.

Hardware

Drawer Suspensions – File, box, pencil and center drawers utilize steel "A" grade heavy duty metal slides for smooth operation. All pedestal drawers have 100 % full extension slides. All suspension systems feature positive and cushioned in/out stops. All box, center, and tray drawers are removable without tools and the suspensions are designed to prevent accidental removal.

Locks – All desks and credenzas utilize pedestal locking. Lateral files are keyed as standard and feature central locking with anti-tip drawer interlock systems. Individual pieces are shipped random keyed. Units may be keyed alike upon special request. A minimum of fifty key changes (numbers) are available. Core lock changes are available (contact customer service).

Drawer Pulls – Finger pulls are standard with the optional replacement for four drawer pull options in either black or nickel finish and one drawer pull option (in brass) for an additional up-charge (see attached for details).

Hinges – European style hidden hinges on all hinged doors.

Wire Management – Black wire management grommets are standard on all returns and bridge work surfaces located in back center of the tops. Black wire management access grommets are standard on all credenzas, hutches, overhead storage units and computer tables located in back panel. Optional additional black wire management grommets, wall access cut-outs, wiring harness and wiring channels along with integrated cable management to conceal power and data cords are also available. Optional data ports accessible at work surface height (see accessories).

Chassis Construction

Construction technique is mortise and tenon, groove and tenon, heavily glue blocked with hardwood cleats for maximum strength.

Filing

File drawers use an easily adjustable filing rail system which can be positioned to accommodate front to back or side to side letter or legal filing.

Finish

All exposed surfaces are finished with a UV inhibitor catalyzed varnish finish to ensure maximum durability, chemical resistance, color retention and clarity. All exterior surfaces are finished in the following multi-step sequence: sap stain, NGR stain, wash coat, wash coat sand, filler spray, filler wipe, sealer spray, sealer sand, varnish spray, varnish sand, varnish spray. Moisture content for all wooden parts is between 5 - 9% prior to sealing. Drawer interiors and exteriors are UV prefinished with sealer, sealer sand, and varnished. Custom finish matches are available, contact customer service for request.

BASICS 3 SERIES

Ordering Information

Use the following steps to correctly place your order:

1) Determine the correct model number for the item you are selecting - example:

7000FC72 = Double pedestal desk, 36" x 72" x 29"H

2) Determine the proper finish selection for the item - example:

7000FC72-OW = Double pedestal desk, 36" x 72" x 29"H, in Old World Mahogany

3) Determine the edge profile you may wish for the item - example:

7000FC72-OW-V = Double pedestal desk, 36" x 72" x 29"H, in Old World Mahogany, with Bevel edge detail

4) Determine any additional options you may wish for the item - example:

7000FC72-OW-V-AN = Double pedestal desk, 36" x 72" x 29"H, in Old World Mahogany, with Bevel edge detail, with Arc Nickel pulls

MONTEBELLO SERIES

Rich traditional design, meticulously hand-crafted. The Montebello Series features solid cherry, maple or walnut rims and moulding with bookmatched veneers accented by antiqued brass drawer pulls. Catalyzed varnish finish, mortise and tenon – groove and tenon construction, full extension file drawers with dovetail construction, center drawers with central locking in all desks are standard on this series. All items are available in a choice of 14 cherry, mahogany, maple and walnut finishes.

**The finishes shown on this page have been reproduced as accurately as possible, however, due to the printing process some finishes may vary slightly from the actual finish samples originally photographed. In addition, due to the nature of wood, it is possible that some slight variations in color and grain character may occur naturally (which is the beauty of a natural product). Wood finish chips are available for each of the above finishes if requested (please call customer service).

MONTEBELLO SERIES

Warranty and Certification

All products listed are warranted against defects of material and workmanship under normal use and service for a minimum of 10 years from the date of installation (see full warranty information). All products listed are Level 2 BIFMA certified.

Veneer

Veneer on all exposed surfaces are "A" grade plain sliced Walnut, Cherry or Maple. Outside surface veneers are book matched to provide proper grain consistency and uniform grain appearance. Drawer fronts are vertical grain walnut, cherry or maple veneers and matched in selected sets to ensure proper veneer balance and uniform grain appearance.

Wood Veneer Tops

1" thick tops utilizing 3-ply construction with solid walnut, cherry or maple lumber rims, shaped with traditional style edge detail. Top cores are high density particle board. Rims on all four sides are precisely mitered on all four corners. Walnut, cherry or maple veneer tops are standard. Burl, leather inlay and high pressure laminate tops are optional.

Modesty Panels and End Panels

Panels are 3/4" thick, 3-ply construction with book matched veneers to provide proper grain consistency and uniform grain appearance. All veneers are vertical grain walnut, cherry or maple veneers matched to ensure proper veneer balance. Decorative panel moulding is crafted from solid walnut, cherry or maple with mitered corners and hand fitted to each panel. Units may be specified with or without decorative panel moulding. Full modesty panels are standard for desk, bridge, and kneespace credenzas with optional half modesty options available.

Drawers

Drawer sides and backs are wood, 7/16" thick. Drawer fronts are 3-ply hardwood construction, 3/4" thick with book matched veneers to provide proper grain consistency and uniform grain appearance. All drawers utilize five sided drawer construction. Drawers are assembled with dovetail construction in all four corners. Drawer bottoms are 7/32" 3-ply hardwood dado construction.

Doors

Doors are 3/4" thick 3-ply construction with vertical grain walnut, cherry or maple veneers and matched in selected sets to ensure proper veneer balance and uniform grain appearance. European style hidden hinges are used on doors where applicable. Tempered glass conforming to ASTM C 1048 is used in all glass doors.

Shelves

Shelves are 3-ply construction with a 1/4" walnut, cherry or maple rim on the front edge. All shelves are full depth of the interior compartment unless specified otherwise. Faces are book matched walnut, cherry or maple veneer. Hutch shelves are walnut, cherry or maple faced on both sides. A minimum of one adjustable or fixed shelf is provided with each cabinet storage unit (see individual unit for details). Adjustable shelves are provided with metal adjustable shelf hardware supports.

Bases

Bases are solid hardwood mitered at all four corners. Units may be specified with conventional or Georgian scroll bases. Height adjustable leveling glides are mounted in each corner with a threaded metal insert capped with a nylon glide that is height adjustable to approx. 1 1/2" to ensure proper leveling of the unit to varying floor conditions.

Hardware

Drawer Suspensions – File, box, pencil and center drawers utilize steel "A" grade heavy duty metal slides for smooth operation. All pedestal drawers have 100 % full extension slides. All suspension systems feature positive and cushioned in/out stops. All box, center, and tray drawers are removable without tools and the suspensions are designed to prevent accidental removal.

Locks – Desk center drawer locks all drawers. Credenzas use pedestal locking. Lateral files are keyed as standard and feature central locking with anti-tip drawer interlock systems. Individual pieces are shipped random keyed. Units may be keyed alike upon special request. A minimum of fifty key changes (numbers) are available. Core lock changes are available (contact customer service).

Drawer Pulls – Traditional style, bail type drawer pulls in antique brass finish are standard. Leather-wrapped pulls are available.

Hinges – European style hidden hinges on hinged doors where applicable.

Wire Management – Black wire management grommets are standard on all returns and bridge work surfaces located in back center of the tops. Black wire management access grommets are standard on all credenzas, hutches, overhead storage units and computer tables located in back panel. Optional additional black wire management grommets, wall access cut-outs, wiring harness and wiring channels along with integrated cable management to conceal power and data cords are also available. Optional data ports accessible at work surface height (see accessories).

Chassis Construction

Construction technique is mortise and tenon, groove and tenon, heavily glue blocked with hardwood cleats for maximum strength.

Filing

File drawers use an easily adjustable filing rail system which can be positioned to accommodate front to back or side to side letter or legal filing.

Finish

All exposed surfaces are finished with a UV inhibitor catalyzed varnish finish to ensure maximum durability, chemical resistance, color retention and clarity. All exterior surfaces are finished in the following multi-step sequence: sap stain, NGR stain, wash coat, wash coat sand, filler spray, filler wipe, sealer spray, sealer sand, varnish spray, varnish sand, varnish spray. Moisture content for all wooden parts is between 5 - 9% prior to sealing. Drawer interiors and exteriors are UV prefinished with sealer, sealer sand, and varnished. Custom finish matches are available, contact customer service for request.

MONTEBELLO SERIES

Available in Walnut or Cherry
Standard Central Locking
All units have $\frac{1}{8}$ " thick hardboard security/dust bottoms
Desk has standard Arm slides and Approach Dictation Slide
All surfaces are Catalyzed Lacquer finish
All tops are full-filled and hand rubbed

Ordering Information

Use the following steps to correctly place your order:

1) Determine the correct model number for the item you are selecting - example:

8FC84 = Double pedestal desk, 42" x 84" x 30"H

2) Determine the proper finish selection for the item - example:

8FC84-OW = Double pedestal desk, 42" x 84" x 30"H, in Old World Mahogany

3) Determine any additional options you may wish for the item - example:

8FC84-FFL-OW = Double pedestal desk, 42" x 84" x 30"H, in Old World Mahogany with optional file/file pedestal left

GEORGIAN SERIES

Rich traditional design, meticulously hand-crafted. The Georgian Series features solid cherry, oak or walnut rims and moulding with bookmatched veneers accented by antiqued brass drawer pulls. Catalyzed varnish finish, mortise and tenon – groove and tenon construction, full extension file drawers with dovetail construction, center drawers with central locking in all desks are standard on this series. All items are available in a choice of 15 cherry, mahogany, oak and walnut finishes.

**The finishes shown on this page have been reproduced as accurately as possible, however, due to the printing process some finishes may vary slightly from the actual finish samples originally photographed. In addition, due to the nature of wood, it is possible that some slight variations in color and grain character may occur naturally (which is the beauty of a natural product). Wood finish chips are available for each of the above finishes if requested (please call customer service).

GEORGIAN SERIES

Options Available

| | | |
|-----|---|--------------------------|
| HPL | Matching high pressure laminate substituted for wood top - Contact customer service for matching finish selections | \$ N/C |

GEORGIAN SERIES

Warranty and Certification

All products listed are warranted against defects of material and workmanship under normal use and service for a minimum of 10 years from the date of installation (see full warranty information). All products listed are Level 2 BIFMA certified.

Veneer

Veneer on all exposed surfaces is #1 plain sliced American Black Walnut, Cherry or Oak. Outside surface veneers are book matched to provide proper grain consistency and uniform grain appearance. Drawer fronts are vertical grain walnut, cherry or oak veneers and matched in selected sets to ensure proper veneer balance and uniform grain appearance.

Wood Veneer Tops

1" thick tops utilizing 3-ply construction with solid walnut, cherry or oak lumber rims, shaped with two traditional style edge details. Top cores are high density particle board. Rims on all four sides are precisely mitered on all four corners. Walnut, cherry or oak veneer tops are standard. Burl, leather inlay and high pressure laminate tops are optional.

Modesty Panels and End Panels

Panels are 3/4" thick, 3-ply construction with book matched veneers to provide proper grain consistency and uniform grain appearance. All veneers are vertical grain walnut, cherry or oak veneers matched to ensure proper veneer balance. Decorative panel moulding is crafted from solid walnut, cherry or oak with mitered corners and hand fitted to each panel. Units may be specified with or without decorative panel moulding. Full modesty panels are standard for desk, bridge, and kneespace credenzas with optional half modesty options available.

Drawers

Drawer sides and backs are wood, 7/16" thick. Drawer fronts are 3-ply hardwood construction, 3/4" thick with book matched veneers to provide proper grain consistency and uniform grain appearance. All drawers utilize five sided drawer construction. Drawers are assembled with dovetail construction in all four corners. Drawer bottoms are 7/32" 3-ply hardwood dado construction.

Doors

Doors are 3/4" thick 3-ply construction with vertical grain walnut, cherry or oak veneers and matched in selected sets to ensure proper veneer balance and uniform grain appearance. European style hidden hinges are used on doors where applicable. Tempered glass conforming to ASTM C 1048 is used in all glass doors.

Shelves

Shelves are 3-ply construction with a 1/4" walnut, cherry or oak rim on the front edge. All shelves are full depth of the interior compartment unless specified otherwise. Faces are book matched walnut, cherry or oak veneer. Hutch shelves are walnut, cherry or oak faced on both sides. A minimum of one adjustable or fixed shelf is provided with each cabinet storage unit (see individual unit for details). Adjustable shelves are provided with metal adjustable shelf hardware supports.

Bases

Bases are solid hardwood mitered at all four corners. Units may be specified with conventional or Georgian scroll bases. Height adjustable leveling glides are mounted in each corner with a threaded metal insert capped with a nylon glide that is height adjustable to approx. 1 1/2" to ensure proper leveling of the unit to varying floor conditions.

Hardware

Drawer Suspensions – File, box, pencil and center drawers utilize steel "A" grade heavy duty metal slides for smooth operation. All pedestal drawers have 100 % full extension slides. All suspension systems feature positive and cushioned in/out stops. All box, center, and tray drawers are removable without tools and the suspensions are designed to prevent accidental removal.

Locks – Desk center drawer locks all drawers. Credenzas use pedestal locking. Lateral files are keyed as standard and feature central locking with anti-tip drawer interlock systems. Individual pieces are shipped random keyed. Units may be keyed alike upon special request. A minimum of fifty key changes (numbers) are available. Core lock changes are available (contact customer service).

Drawer Pulls – Traditional style, bail type drawer pulls in antique brass finish are standard.

Hinges – European style hidden hinges on hinged doors where applicable.

Wire Management – Black wire management grommets are standard on all returns and bridge work surfaces located in back center of the tops. Black wire management access grommets are standard on all credenzas, hutches, overhead storage units and computer tables located in back panel. Optional additional black wire management grommets, wall access cut-outs, wiring harness and wiring channels along with integrated cable management to conceal power and data cords are also available. Optional data ports accessible at work surface height (see accessories).

Chassis Construction

Construction technique is mortise and tenon, groove and tenon, heavily glue blocked with hardwood cleats for maximum strength.

Filing

File drawers use an easily adjustable filing rail system which can be positioned to accommodate front to back or side to side letter or legal filing.

Finish

All exposed surfaces are finished with a UV inhibitor catalyzed varnish finish to ensure maximum durability, chemical resistance, color retention and clarity. All exterior surfaces are finished in the following multi-step sequence: sap stain, NGR stain, wash coat, wash coat sand, filler spray, filler wipe, sealer spray, sealer sand, varnish spray, varnish sand, varnish spray. Moisture content for all wooden parts is between 5 - 9% prior to sealing. Drawer interiors and exteriors are UV prefinished with sealer, sealer sand, and varnished. Custom finish matches are available, contact customer service for request.

Georgian Profile - GEP

Franklin Profile - FEP

GEORGIAN SERIES

Available in Walnut, Cherry, or Oak
Standard Central Locking
All units have $\frac{1}{8}$ " thick hardboard security/dust bottoms
Desk has standard Arm slides and Approach Dictation Slide
All surfaces are Catalyzed Varnish finish

Ordering Information

Use the following steps to correctly place your order:

1) Determine the correct model number for the item you are selecting - example:

55FC84 = Double pedestal desk, 42" x 84" x 30"H

2) Determine the proper finish selection for the item - example:

55FC84-OW = Double pedestal desk, 42" x 84" x 30"H, in Old World Mahogany

3) Determine any additional options you may wish for the item - example:

**55FC84-FFL-OW = Double pedestal desk, 42" x 84" x 30"H, in Old World Mahogany
with optional file/file pedestal left**

Mocha Cherry

Mahogany on Cherry

**The finishes shown on this page have been reproduced as accurately as possible, however, due to the printing process some finishes may vary slightly from the actual finish samples originally photographed. In addition, due to the nature of wood, it is possible that some slight variations in color and grain character may occur naturally (which is the beauty of a natural product). Wood finish chips are available for each of the above finishes if requested (please call customer service).

HERITAGE II SERIES

Warranty and Certification

All products listed are warranted against defects of material and workmanship under normal use and service for a minimum of 10 years from the date of installation (see full warranty information). All products listed are Level 2 BIFMA certified.

Veneer

Veneer on all exposed surfaces is #1 plain sliced American Black Walnut or Cherry. Outside surface veneers are book matched to provide proper grain consistency and uniform grain appearance. Drawer fronts are vertical grain walnut, cherry or oak veneers and matched in selected sets to ensure proper veneer balance and uniform grain appearance.

Wood Veneer Tops

1 3/16" thick tops utilizing 3-ply construction, shaped with a traditional style edge detail. Top cores are high density MDF fiberboard. Walnut or cherry veneer tops are standard. High pressure laminate tops are optional, with many standard finishes having matching laminate tops available (call customer service for options).

Modesty Panels and End Panels

Panels are 3/4" thick, 3-ply construction with book matched veneers to provide proper grain consistency and uniform grain appearance. All veneers are vertical grain walnut, cherry or oak veneers matched to ensure proper veneer balance. Decorative panel moulding is crafted from solid walnut, cherry or oak with mitered corners and hand fitted to each panel. Units may be specified with or without decorative panel moulding. Full modesty panels are standard for desk, bridge, and kneespace credenzas with optional half modesty options available.

Drawers

Drawer sides and backs are solid plywood 7/16" thick. Drawer fronts are 3-ply hardwood construction, 3/4" thick with book matched veneers to provide proper grain consistency and uniform grain appearance. All drawers utilize five sided drawer construction. Drawers are assembled with dovetail construction in all four corners. Drawer bottoms are 7/32" 3-ply hardwood dado construction.

Doors

Doors are 3/4" thick 3-ply construction with vertical grain walnut, cherry or oak veneers and matched in selected sets to ensure proper veneer balance and uniform grain appearance. European style hidden hinges are used on doors where applicable. Tempered glass conforming to ASTM C 1048 is used in all glass doors.

Shelves

Shelves are 3-ply construction with a 1/4" walnut, cherry or oak rim on the front edge. All shelves are full depth of the interior compartment unless specified otherwise. Faces are book matched walnut, cherry or oak veneer. Hutch shelves are walnut, cherry or oak faced on both sides. A minimum of one adjustable or fixed shelf is provided with each cabinet storage unit (see individual unit for details). Adjustable shelves are provided with metal adjustable shelf hardware supports.

Bases

Bases are solid hardwood mitered at all four corners. Height adjustable leveling glides are mounted in each corner with a threaded metal insert capped with a nylon glide that is height adjustable to approx. 1 1/2" to ensure proper leveling of the unit to varying floor conditions.

Hardware

Drawer Suspensions – File, box, pencil and center drawers utilize steel "A" grade heavy duty metal slides for smooth operation. All pedestal drawers have 100 % full extension slides. All suspension systems feature positive and cushioned in/out stops. All box, center, and tray drawers are removable without tools and the suspensions are designed to prevent accidental removal.

Locks – All desks, returns and credenzas utilize pedestal locking. Lateral files are keyed as standard and feature central locking with anti-tip drawer interlock systems. Individual pieces are shipped random keyed. Units may be keyed alike upon special request. A minimum of fifty key changes (numbers) are available. Core lock changes are available (contact customer service).

Drawer Pulls – Traditional style, bail type drawer pulls in antique brass finish are standard.

Hinges – European style hidden hinges are used on doors where applicable.

Wire Management – Black wire management grommets are standard on all returns and bridge work surfaces located in back center of the tops. Black wire management access grommets are standard on all credenzas, hutches, overhead storage units and computer tables located in back panel. Optional additional black wire management grommets, wall access cut-outs, wiring harness and wiring channels along with integrated cable management to conceal power and data cords are also available. Optional data ports accessible at work surface height (see accessories).

Chassis Construction

Construction technique is mortise and tenon, groove and tenon, heavily glue blocked with hardwood cleats for maximum strength.

Filing

File drawers use an easily adjustable filing rail system which can be positioned to accommodate front to back or side to side letter or legal filing.

Finish

All exposed surfaces are finished with a UV inhibitor catalyzed varnish finish to ensure maximum durability, chemical resistance, color retention and clarity. All exterior surfaces are finished in the following multi-step sequence: sap stain, NGR stain, wash coat, wash coat sand, filler spray, filler wipe, sealer spray, sealer sand, varnish spray, varnish sand, varnish spray. Moisture content for all wooden parts is between 5 - 9% prior to sealing. Drawer interiors and exteriors are UV prefinished with sealer, sealer sand, and varnished. Custom finish matches are available, contact customer service for request.

HERITAGE II SERIES

Available in Walnut or Cherry
All units have 1/8" thick hardboard security/dust bottoms
All surfaces are Catalyzed Varnish finish

Ordering Information

Use the following steps to correctly place your order:

1) Determine the correct model number for the item you are selecting - example:

50FC84 = Double pedestal desk, 42" x 84" x 30"H

2) Determine the proper finish selection for the item - example:

50FC84-OW = Double pedestal desk, 42" x 84" x 30"H, in Old World Mahogany

3) Determine any additional options you may wish for the item - example:

50FC84-PM-OW = Double pedestal desk, 42" x 84" x 30"H, in Old World Mahogany with optional panel moulding

PRODUCT SPECIFICATIONS

Veneers

Veneer on all exposed surfaces are select plain sliced American Black Walnut, Cherry or Maple. Outside surface veneers are bookmatched to provide proper grain consistency. Drawer fronts are vertical grain and matched in selected sets to insure proper veneer balance. Inside faces of end panels and back panels are random matched.

Conference Table Tops

Tops are 1 3/16" thick, 3-ply construction with solid walnut, cherry or maple rims on all four sides with a reverse bevel profile.

End Panels

End panels are 1" thick, 3-ply construction with veneer band on vertical edges and along the top edge. Wing end panels feature a solid lumber band on the bottom edge of the panel to prevent glide tear out.

Drawers

Drawer sides and backs are solid lumber beech 7/16" thick. Drawer fronts are 3-ply construction, 3/4" thick. Drawer bottoms are of 3-ply hardwood construction. Drawers are assembled with dovetail construction in all four corners of the drawer box. Fronts are securely mounted onto the drawer box. Drawer pulls are standard on pedestals. There are two finish options available: Black and Anodized Aluminum.

Hardware

Drawer Suspensions - all drawers utilize steel "A" grade heavy duty metal slides and feature cushioned in and out stops for smooth operation. All file drawers have 100% full extension slides.

Locking

Pedestals are pedestal locking keyed randomly. Locking on some units may be optional.

Electrical Accessories

Power Accessories - Jasper Desk offers power, communication, and wire management products to address today's office needs. Pleaser refer to pages 340-341 for information on these products.

Chassis Construction

Construction technique is mortise and tenon, groove and tenon, heavily glue blocked for maximum strength.

Filing

File drawers use an easily adjustable filing system which can be positioned to accommodate letter or legal filing.

Finish

All surfaces are catalyzed varnish full fill finish to ensure maximum durability, chemical resistance, color retention, and clarity. All exterior surfaces are finished in the following multi-step sequence: sap stain, NGR stain, washcoat, washcoat sand, filler spray and wipe, sealer spray, sealer sand, varnish spray, varnish sand and varnish spray.

Drawer interiors and exteriors are finished with sealer, sealer sand, and varnished.

Communique
J A S P E R D E S K

Communique conference room furniture features either a black or anodized aluminum metal inlay. This product enhancement is standard on all media walls, upper side cabinets, buffet credenzas, media cabinets and tables.

However, for table tops only, without metal inlay, there is an option for a price deduction (NI after model number) if this feature is not required. The metal inlay is 1/8" wide and has a minimal (3/32") rise above the top surface. Panel base (PB) and square base (SB) have a metal edging on all corners, and as with the top, must be specified in either black (LX) or Aluminum (AL).

Ordering Examples

1500VT120PB - AL - Natural Walnut

Walnut Vision Table with aluminum inlay-panel bases with aluminum accent

1500VT120PB - NI - LX - Natural Walnut

Walnut Vision Table - no metal inlay in top - panel base with black metal accent

**The finishes shown on this page have been reproduced as accurately as possible, however, due to the printing process some finishes may vary slightly from the actual finish samples originally photographed. In addition, due to the nature of wood, it is possible that some slight variations in color and grain character may occur naturally (which is the beauty of a natural product). Wood finish chips are available for each of the above finishes if requested (please call customer service).

TRADITIONAL CONFERENCE ROOM FURNITURE

Warranty and Certification

All products listed are warranted against defects of material and workmanship under normal use and service for a minimum of 10 years from the date of installation (see full warranty information). All products listed are Level 2 BIFMA certified.

Veneer

Veneer on all exposed surfaces is #1 plain sliced American Black Walnut, Cherry or Oak. Outside surface veneers are book matched to provide proper grain consistency and uniform grain appearance.

Wood Veneer Tops

1 1/2" thick tops utilizing 3-ply construction utilizing #1 select plain sliced American Black Walnut, #1 plain sliced Cherry or book matched figured flat cut White Oak. Solid walnut, cherry or oak lumber rims, shaped with a complimentary traditional style edge detail. Top cores are high density particle board. Rims on all four sides are precisely mitered on all four corners. High pressure laminate tops are optional.

Panel Base and Square Base Construction

Construction technique is mortise and tenon, groove and tenon, heavily glue blocked with hardwood cleats for maximum strength. Bases are solid hardwood mitered at all four corners. Height adjustable leveling glides are mounted in each corner with a threaded metal insert capped with a nylon glide that is height adjustable to approx. 1 1/2" to ensure proper leveling of the unit to varying floor conditions.

Queen Ann Base and Reeded Leg Base Construction

Solid hard wood finished to match top as required. Height adjustable leveling glides are mounted in each corner with a threaded metal insert capped with a nylon glide that is height adjustable to approx. 1 1/2" to ensure proper leveling of the unit to varying floor conditions.

Electrical Options

Various electrical wiring options are available (please see following standard accessories pages for full details). Please note locations when ordering. Panel base and square base conference table may also be specified with or without optional wire management access doors. Wiring access channels will be provided on panel bases and square bases when requested (please note when ordering).

Finish

All exposed surfaces are finished with a UV inhibitor catalyzed varnish finish to ensure maximum durability, chemical resistance, color retention and clarity. All exterior surfaces are finished in the following multi-step sequence: sap stain, NGR stain, wash coat, wash coat sand, filler spray, filler wipe, sealer spray, sealer sand, varnish spray, varnish sand, varnish spray. Moisture content for all wooden parts is between 5 - 9% prior to sealing. Drawer interiors and exteriors are UV prefinished with sealer, sealer sand, and varnished. Custom finish matches are available, contact customer service for request

Ordering Information

Use the following steps to correctly place your order:

- 1) Determine the correct model number for the item you are selecting - example:
7RET72 / 7PBA72 = Rectangular conference table with panel bases, 36" x 72" x 30"H
- 2) Determine the proper finish selection for the item - example:
7RET72 / 7PBA72 - HO = Rectangular conference table with panel bases, 36" x 72" x 30"H, in Harbor Oak finish
- 3) Determine the edge profile you may wish for the item - example:
7RET72 / 7PBA72 - HO - V = Rectangular conference table with panel bases, 36" x 72" x 30"H, in Harbor Oak finish, with bevel edge detail
- 4) Determine any additional options you may wish for the item - example:
7RET72 / 7PBA72 - HO - V @ 200RPO centered = Rectangular conference table with panel bases, 36" x 72" x 30"H, in Harbor Oak finish, with bevel edge detail, with optional retractable power center, centered in the above table

**The finishes shown on this page have been reproduced as accurately as possible, however, due to the printing process some finishes may vary slightly from the actual finish samples originally photographed. In addition, due to the nature of wood, it is possible that some slight variations in color and grain character may occur naturally (which is the beauty of a natural product). Wood finish chips are available for each of the above finishes if requested (please call customer service).

CONTEMPORARY - TRANSITIONAL CONFERENCE ROOM FURNITURE

Warranty and Certification

All products listed are warranted against defects of material and workmanship under normal use and service for a minimum of 10 years from the date of installation (see full warranty information). All products listed are Level 2 BIFMA certified.

Veneer

Veneer on all exposed surfaces is American Black Walnut, Cherry, Maple or White Oak. Outside surface veneers are book matched to provide proper grain consistency and uniform grain appearance.

Wood Veneer Tops

1 1/2" thick tops utilizing 3-ply construction utilizing American Black Walnut, Cherry, Maple or White Oak. Solid cherry, maple, oak or walnut lumber rims, shaped with a six (6) Contemporary or Transitional style edge details available. Top cores are high density particle board. Rims on all four sides are precisely mitered on all four corners. High pressure laminate tops are optional.

Panel Base and Square Base Construction

Construction technique is mortise and tenon, groove and tenon, heavily glue blocked with hardwood cleats for maximum strength. Bases are solid hardwood mitered at all four corners.

Height adjustable leveling glides are mounted in each corner with a threaded metal insert capped with a nylon glide that is height adjustable to approx. 1 1/2" to ensure proper leveling of the unit to varying floor conditions.

Electrical Options

Various electrical wiring options are available (please see following standard accessories pages for full details). Please note locations when ordering. Panel base and square base conference table may also be specified with or without optional wire management access doors. Wiring access channels will be provided on panel bases and square bases when requested (please note when ordering).

Finish

All exposed surfaces are finished with a UV inhibitor catalyzed varnish finish to ensure maximum durability, chemical resistance, color retention and clarity. All exterior surfaces are finished in the following multi-step sequence: sap stain, NGR stain, wash coat, wash coat sand, filler spray, filler wipe, sealer spray, sealer sand, varnish spray, varnish sand, varnish spray. Moisture content for all wooden parts is between 5 - 9% prior to sealing. Drawer interiors and exteriors are UV prefinished with sealer, sealer sand, and varnished. Custom finish matches are available, contact customer service for request.

Standard Profile Options

Duet - H

Reeded - D

Tri-Oval - C

Bevel - V

Square - A

Radius - R

Ordering Information

Use the following steps to correctly place your order:

- 1) Determine the correct model number for the item you are selecting - example:
300RET72 / 300PBA72 = Rectangular conference table with panel bases, 36" x 72" x 30"H
- 2) Determine the proper finish selection for the item - example:
300RET72 / 300PBA72 - HO = Rectangular conference table with panel bases, 36" x 72" x 30"H, in Harbor Oak finish
- 3) Determine the edge profile you may wish for the item - example:
300RET72 / 300PBA72 - HO - V = Rectangular conference table with panel bases, 36" x 72" x 30"H, in Harbor Oak finish, with bevel edge detail
- 4) Determine any additional options you may wish for the item - example:
300RET72 / 300PBA72 - HO - V @ 200RPO centered = Rectangular conference table with panel bases, 36" x 72" x 30"H, in Harbor Oak finish, with bevel edge detail, with optional retractable power center, centered in the above table

Type 3 Telecom Jacks

List Price

HDMI Connector

BE-VD01

\$86

- HDMI coupler
- 18" cord
- female to female connection
- for use in any BE-PD_ _ _ _ power module
- uses data adapter kit BB adapter plate

Mini Stereo Jack

BE-VD02

\$24

- 3.5 mm Mini Stereo Jack
- 10 foot cord
- female to male connection
- for use in any BE-PD_ _ _ _ power module
- installs directly into unit without need of data adapter kit

Network Jack

BE-VD03

\$78

- Cat6 RJ-45 Panduit Jack
- Pre-terminated
- 10 foot cord
- 8-Pin
- for use in any BE-PD_ _ _ _ power module. also for use in EC-PD03_ _.
- uses data adapter kit FF adapter plate

Voice Coupler

BE-VD04

\$78

- AMP Category 3, RJ-11
- 6-Pin
- connects to standard phone cord
- for use in any BE-PD_ _ _ _ power module
- uses data adapter kit CC adapter plate

Data Jack - VGA 15 Pin

BE-VD05

\$108

- 120" M/F cable - female-to-male connection
- 15 pin connections
- provides electronic device to remove display connection
- for use in any BE-PD_ _ _ _ power module
- uses data adapter kit HH adapter plate

Dual Powered USB Charging

BE-VD06

\$144

- two (2) USB-A connections for USB powered devices or charging mobile electronics
- 2000mA (2 amp) charging power per USB port
- black or white option
- for use in any BE-PD_ _ _ _ power module
- installs directly into unit without need of data adapter kit

Data Jack - USB 3.0

BE-VD07

\$78

- USB 3.0 data jack with 10' cord and male plug
- for use in any BE-PD_ _ _ _ power module
- data transfer port - no USB charging capability
- data transfer speed up to 5gbs/sec
- uses data adapter kit HH adapter plate

Data Adapter Applications

Data Adapter Applications

Data adapter kits ship with each power and data unit.

Adapter plates are marked on the back with letter designators to indicate the data jack manufacturer, series and style. Websites are listed below for quick reference to verify data jack series or style.

Included with any BE-PD_____power module

NOTE: Verify fit of data jack in adapter before ordering large quantities as manufacturer designs may change without notice.

Lighting Options

TL48 \$215
Task light, high efficiency (UL approved)
6" x 48" x 1 1/2"H (15 lbs)

TL36 \$197
Task light, high efficiency (UL approved)
6" x 36" x 1 1/2"H (15 lbs)

TL24 \$185
Task light, high efficiency (UL approved)
6" x 24" x 1 1/2"H (15 lbs)

TL31LED-S \$560
31" stand-alone or starter LED energy efficient light. ETL listed. Soft-touch switching with instant on to fade way off. Infinite dimming with last state memory. Automatic off after 10 hours. Includes power supply.
31" x 2" x 1 1/2"H (4 lbs)

TL17LED-S \$454
17" stand-alone or starter LED energy efficient light. ETL listed. Soft-touch switching with instant on to fade way off. Infinite dimming with last state memory. Automatic off after 10 hours. Includes power supply.
17" x 2" x 1 1/2"H (2 lbs)

TL31LED-A \$494
31" adder LED energy efficient light for linking to a starter task light. ETL listed. Soft-touch switching with instant on to fade way off. Infinite dimming with last state memory. Automatic off after 10 hours.
31" x 2" x 1 1/2"H (4 lbs)

TL17LED-A \$311
17" adder LED energy efficient light for linking to a starter task light. ETL listed. Soft-touch switching with instant on to fade way off. Infinite dimming with last state memory. Automatic off after 10 hours.
17" x 2" x 1 1/2"H (2 lbs)

TL03-OCPS \$305
Occupancy sensor, integrates with above LED light options. Automatic off after 30 minutes of inactivity. Connects to end of light fixture (adds 3" to length of fixture). One sensor controls starter and connected adders.
3" x 2" x 1 1/2"H (1 lbs)

Monitor Mount Options

SSM-7815H \$388
Single-screen Monitor adjustable mount, double extension with one height adjustable segment, quick connect clamp, available in silver or black finish (10 lbs)

DSM-7815H \$738
Double-screen Monitor adjustable mount, two double extension with one height adjustable segment per screen, quick connect clamp, available in silver or black finish (15 lbs)

TSM-7815H \$780
Triple-screen Monitor adjustable mount, two single extension arms, one pole mounted arm on a single beam, quick connect clamp, available in silver or black finish (10 lbs)

Desk Systems / Toolbars

CPFS-48 \$360
Worksurface mounted desk system / toolbar, 48" slat wall section - that can be combined into multi sectional desking system. Two paper trays, one binder holder, one accessory tray and one folder sorter standard per 4' section. Connects with two end post clamps, 90 degree post are available - contact customer service for ordering.
48"W x 16 5/8"H, black finish (25 lbs)

**The finishes shown on this page have been reproduced as accurately as possible, however, due to the printing process some finishes may vary slightly from the actual finish samples originally photographed. In addition, due to the nature of wood, it is possible that some slight variations in color and grain character may occur naturally (which is the beauty of a natural product). Wood finish chips are available for each of the above finishes if requested (please call customer service).

TRADITIONAL RECEPTION STATIONS

Warranty and Certification

All products listed are warranted against defects of material and workmanship under normal use and service for a minimum of 10 years from the date of installation (see full warranty information). All products listed are Level 2 BIFMA certified.

Veneer

Veneer on all exposed surfaces is American Black Walnut, Cherry, Maple or White Oak. Outside surface veneers are book matched to provide proper grain consistency and uniform grain appearance.

Wood Veneer Tops

1" thick tops utilizing 3-ply construction utilizing American Black Walnut, Cherry or White Oak. Solid cherry, oak or walnut lumber rims, shaped with a Traditional style edge detail. Top cores are high density particle board. Rims on all four sides are precisely mitered on all four corners. High pressure laminate tops are optional.

Drawers

Drawer sides and backs are wood, 7/16" thick. Drawer fronts are 3-ply hardwood construction, 3/4" thick with book matched veneers to provide proper grain consistency and uniform grain appearance. All drawers utilize five sided drawer construction. Drawers are assembled with dovetail construction in all four corners. Drawer bottoms are 7/32" 3-ply hardwood dado construction.

Doors

Doors are 3/4" thick 3-ply construction with vertical grain walnut, cherry or oak veneers and matched in selected sets to ensure proper veneer balance and uniform grain appearance. European style hidden hinges are used on doors where applicable. Tempered glass conforming to ASTM C 1048 is used in all glass doors.

Bases

Bases are solid hardwood mitered at all four corners. Units may be specified with conventional or Georgian scroll bases. Height adjustable leveling glides are mounted in each corner with a threaded metal insert capped with a nylon glide that is height adjustable to approx. 1 1/2" to ensure proper leveling of the unit to varying floor conditions.

Chassis Construction

Construction technique is mortise and tenon, groove and tenon, heavily glue blocked with hardwood cleats for maximum strength.

Filing

File drawers use an easily adjustable filing rail system which can be positioned to accommodate front to back or side to side letter or legal filing.

Finish

All exposed surfaces are finished with a UV inhibitor catalyzed varnish finish to ensure maximum durability, chemical resistance, color retention and clarity. All exterior surfaces are finished in the following multi-step sequence: sap stain, NGR stain, wash coat, wash coat sand, filler spray, filler wipe, sealer spray, sealer sand, varnish spray, varnish sand, varnish spray. Moisture content for all wooden parts is between 5 - 9% prior to sealing. Drawer interiors and exteriors are UV prefinished with sealer, sealer sand, and varnished. Custom finish matches are available, contact customer service for request.

Ordering Information

Use the following steps to correctly place your order:

- 1) Determine the correct model number for the item you are selecting - example:
55RSD8432 = Double pedestal reception desk
- 2) Determine the proper finish selection for the item - example:
**55RSD8432 - OW = Double pedestal reception desk
32" x 84" x 42"H, in Old World Mahogany finish**

**The finishes shown on this page have been reproduced as accurately as possible, however, due to the printing process some finishes may vary slightly from the actual finish samples originally photographed. In addition, due to the nature of wood, it is possible that some slight variations in color and grain character may occur naturally (which is the beauty of a natural product). Wood finish chips are available for each of the above finishes if requested (please call customer service).

CONTEMPORARY - TRANSITIONAL RECEPTION STATIONS

Warranty and Certification

All products listed are warranted against defects of material and workmanship under normal use and service for a minimum of 10 years from the date of installation (see full warranty information). All products listed are Level 2 BIFMA certified.

Veneer

Veneer on all exposed surfaces is American Black Walnut, Cherry, Oak or Maple. Outside surface veneers are book matched to provide proper grain consistency and uniform grain appearance. Drawer fronts are vertical grain cherry, maple, oak or walnut veneers and matched in selected sets to ensure proper veneer balance and uniform grain appearance.

Wood Veneer Tops

1 3/16" thick tops utilizing 3-ply construction with solid cherry, maple, oak or walnut wood band edging, shaped with six edge details. Top cores are high density particle board. Cherry, maple, oak or walnut veneer tops are standard. High pressure laminate tops are optional, with many standard finishes having matching laminate tops available (call customer service for options).

Drawers

Drawer sides and backs are solid plywood, 7/16" thick. Drawer fronts are 3-ply hardwood construction, 3/4" thick with book matched veneers to provide proper grain consistency and uniform grain appearance. All drawers utilize five sided drawer construction. Drawers are assembled with dovetail construction in all four corners. All desk drawers are grooved for drawer partitions. Drawer bottoms are 7/32" 3-ply hardwood dado construction.

Doors

Doors are 3/4" thick, 3-ply construction with vertical grain cherry, maple, oak or walnut veneers and matched in selected sets to ensure proper veneer balance and uniform grain appearance. European style hidden hinges are used on all doors.

Hardware

Drawer Suspensions – File, box, pencil and center drawers utilize steel "A" grade heavy duty metal slides for smooth operation. All pedestal drawers have 100 % full extension slides. All suspension systems feature positive and cushioned in/out stops. All box, center, and tray drawers are removable without tools and the suspensions are designed to prevent accidental removal.

Locks – All desks and credenzas utilize pedestal locking. Lateral files are keyed as standard and feature central locking with anti-tip drawer interlock systems. Individual pieces are shipped random keyed. Units may be keyed alike upon special request. A minimum of fifty key changes (numbers) are available. Core lock changes are available (contact customer service).

Drawer Pulls – Four drawer pull options are available in either black or nickel finish and one drawer pull option is available in brass (see attached for details).

Hinges – European style hidden hinges on all hinged doors.

Chassis Construction

Construction technique is mortise and tenon, groove and tenon, heavily glue blocked with hardwood cleats for maximum strength.

Filing

File drawers use an easily adjustable filing rail system which can be positioned to accommodate front to back or side to side letter or legal filing.

Finish

All exposed surfaces are finished with a UV inhibitor catalyzed varnish finish to ensure maximum durability, chemical resistance, color retention and clarity. All exterior surfaces are finished in the following multi-step sequence: sap stain, NGR stain, wash coat, wash coat sand, filler spray, filler wipe, sealer spray, sealer sand, varnish spray, varnish sand, varnish spray. Moisture content for all wooden parts is between 5 - 9% prior to sealing. Drawer interiors and exteriors are UV prefinished with sealer, sealer sand, and varnished. Custom finish matches are available, contact customer service for request.

 Optional Glass Transaction Counter Riser (Specify Clear - add \$2332 list or Frosted - add \$3446 list) Optional without Transaction Counter (NTC) - no upcharge

300RSD10832 **\$9574**
 Double pedestal reception desk, box/box/file pedestal (LH), file/file pedestal (RH), pedestal locking, full modesty panel, two wire mgmt grommets in top, 75" kneespace
 30" worksurface height, 30"D worksurface, 12"D transaction counter
 32" x 108" x 42"H (360 lbs) **ships in two pieces
 Optional Glass Transaction Counter Riser (Specify Clear - add \$2275 list or Frosted - add \$3234 list) Optional without Transaction Counter (NTC) - no upcharge

300RSD9632 **\$8911**
 Double pedestal reception desk, box/box/file pedestal (LH), file/file pedestal (RH), pedestal locking, full modesty panel, two wire mgmt grommets in top, 63" kneespace
 30" worksurface height, 30"D worksurface, 12"D transaction counter
 32" x 96" x 42"H (300 lbs)
 Optional Glass Transaction Counter Riser (Specify Clear - add \$1580 list or Frosted - add \$2418 list) Optional without Transaction Counter (NTC) - no upcharge

300RSD8432 **\$8144**
 Double pedestal reception desk, box/box/file pedestal (LH), file/file pedestal (RH), pedestal locking, full modesty panel, two wire mgmt grommets in top, 51" kneespace
 30" worksurface height, 30"D worksurface, 12"D transaction counter
 32" x 84" x 42"H (270 lbs)
 Optional Glass Transaction Counter Riser (Specify Clear - add \$1280 list or Frosted - add \$2016 list) Optional without Transaction Counter (NTC) - no upcharge

300RSD7232 **\$7381**
 Double pedestal reception desk, box/box/file pedestal (LH), file/file pedestal (RH), pedestal locking, full modesty panel, two wire mgmt grommets in top, 39" kneespace
 30" worksurface height, 30"D worksurface, 12"D transaction counter
 32" x 72" x 42"H (240 lbs)
 Optional Glass Transaction Counter Riser (Specify Clear - add \$1195 list or Frosted - add \$1828 list) Optional without Transaction Counter (NTC) - no upcharge

Freestanding Dual Riser Reception Stations

300RSDRR12032 **\$11,018**
 Double pedestal dual riser reception desk, box/box/file pedestal (LH), file/file pedestal (RH), pedestal locking, full modesty panel, two wire mgmt grommets in top, 87" kneespace
 30" worksurface height, 30"D worksurface, 12"D transaction counter
 32" x 120" x 42"H (420 lbs) **ships in two pieces
 Optional Glass Transaction Counter Riser (Specify Clear - add \$2258 list or Frosted - add \$3336 list)
 Optional without Transaction Counter (NTC) - no upcharge

300RSDRR10832 **\$10,299**
 Double pedestal dual riser reception desk, box/box/file pedestal (LH), file/file pedestal (RH), pedestal locking, full modesty panel, two wire mgmt grommets in top, 75" kneespace
 30" worksurface height, 30"D worksurface, 12"D transaction counter
 32" x 108" x 42"H (360 lbs) **ships in two pieces
 Optional Glass Transaction Counter Riser (Specify Clear - add \$2172 list or Frosted - add \$3149 list)
 Optional without Transaction Counter (NTC) - no upcharge

300RSDRR9632 **\$9637**
 Double pedestal dual riser reception desk, box/box/file pedestal (LH), file/file pedestal (RH), pedestal locking, full modesty panel, two wire mgmt grommets in top, 63" kneespace
 30" worksurface height, 30"D worksurface, 12"D transaction counter
 32" x 96" x 42"H (300 lbs)
 Optional Glass Transaction Counter Riser (Specify Clear - add \$2095 list or Frosted - add \$2984 list)
 Optional without Transaction Counter (NTC) - no upcharge

300RSDRR8432 **\$8877**
 Double pedestal dual riser reception desk, box/box/file pedestal (LH), file/file pedestal (RH), pedestal locking, full modesty panel, two wire mgmt grommets in top, 51" kneespace
 30" worksurface height, 30"D worksurface, 12"D transaction counter
 32" x 84" x 42"H (270 lbs)
 Optional Glass Transaction Counter Riser (Specify Clear - add \$2027 list or Frosted - add \$2832 list)
 Optional without Transaction Counter (NTC) - no upcharge

300RSDRR7232 **\$8117**
 Double pedestal dual riser reception desk, box/box/file pedestal (LH), file/file pedestal (RH), pedestal locking, full modesty panel, two wire mgmt grommets in top, 39" kneespace
 30" worksurface height, 30"D worksurface, 12"D transaction counter
 32" x 72" x 42"H (240 lbs)
 Optional Glass Transaction Counter Riser (Specify Clear - add \$1965 list or Frosted - add \$2695 list)
 Optional without Transaction Counter (NTC) - no upcharge
